

NICHOLS NEWS

The Nichols Ladies Aid meets at the school house Friday afternoon.

Mrs. Chetister of Montana is spending the summer with her two sisters Mrs. John Tollin and Mrs. Chas. Gummers.

Work on the new Nichols school-house was started last week. The excavating for the basement is finished and several men in the neighborhood are hauling sand and actual work on the building will begin just as soon as some material arrives.

The members of the boys' and girls' pig club of Nichols spent two days the first of the week visiting other pig and calf clubs throughout the county judging stock. The county agent, Mr. Kellogg, went with them and gave them instructions.

Mr. and Mrs. N. B. Spurrer of Long Beach, Cal., who are spending the summer with their two sons, Roy and Bill, left last week by auto for Hot Springs and other points in South Dakota. They were accompanied by two grand children, Louise and Richard Spurrer.

BIGNELL NEWS

Mr. and Mrs. Fletcher who have been visiting their son Carl, will leave some time this week for their home in Iowa.

Chris Rosenberg has just returned from the hospital, having had his tonsils removed. He is reported to be getting along nicely.

The farmers are all getting busy. The corn is growing very fast since the nice rains and the weeds are growing faster. Alfalfa is just ready to cut again, so there is no rest for the farmer.

A number of the Bignell people were fortunate in being invited to attend the Shrine picnic in Moran Canyon last week, the children putting on a few stunts in their parade. They report an excellent time.

Mrs. A. R. Leavitt gave a sewing machine attachment demonstration to the ladies of Bignell Monday afternoon at the school building, he was sent as a delegate to attend the demonstration given at Ft. McPherson by Miss Rachel Harris, University specialist.

The Poultry Club met Wednesday morning with Mrs. R. R. Morris and called her flock of chickens and also Thursday morning with Wm. Rose, culling his flock. Mr. Rose surprised the club members with a treat of oranges and peaches, a reward for their efforts. The Club is becoming very efficient in culling chickens.

The Girls' and Boys' Canning Club met Saturday afternoon, July 15 with

Cleo Bockus and studied Cold Pack Canning. Each member brought her best can of cherries and a judging was held, Violet Fletcher's far winning first place. The Club also met Thursday afternoon with Violet Fletcher, when a demonstration was held. The girls canned several jars of black currants. Miss Jessie Green, University Specialist will meet with the Club, Saturday, July 22 and give the members further instruction in Cold Pack Canning. This meeting is open to the public.

The Pig Clubs of Bignell, Ft. McPherson and Hershey accompanied by their leaders and County Agent Kellogg went on a judging trip Monday, going eastwards to Brady visiting a number of farms on the way. On Wednesday they went west towards Hershey, visiting the farms of S. M. Souder, S. J. Koch and others. The club members are being trained in judging all kinds of stock and in about ten days a University specialist will be here to select the judging teams to attend the State Fair to compete with the other teams from over the state. This is most excellent training for the farm boy and every parent who has a boy of club age should make it possible for him to receive this training.

Let nothing keep you away from the big Clearance Sale. Get your share of the wonderful bargains. Wilcox Department Store.

Mrs. E. W. Fetter and daughter Gene, left Tuesday for points in California where they will spend several weeks.

Warmed to life by sun and ground

Flowers bloom the year around.

We will sell you the bulbs and seeds and teach you to care for flowers. We will tell you when to plant them and how to rear them to hardy growth.
