**LINCOLN COUNTY FAIR.**

The time draws near for the annual Lincoln County Fair the dates being Sept. 19th, 20th, 21st, and 22nd. There has been no limit to the time and expense in preparing this to be the largest and best county fair ever held in the state. The entertainment will far exceed that of previous years, there will be many free attractions to amuse both young and old. There will also be horse racing, auto racing, wild west stunts, etc., something amusing every minute.

In addition to the above mentioned, the Lincoln County people will again have the opportunity of displaying their stock and produce. Since this idea has been carried out at the fair each year of making an exclusively Lincoln County exhibit, attention has been more directed to the very best that Lincoln County produces.

The one endeavor with each succeeding year by Lincoln County people most interested in the work is that of making the exhibits as representative as possible of the great variety of products that belong in Lincoln County.

This exhibit is past the experimental stage. It should be taken hold of by all Lincoln county people with a spirit of pride in presenting to all Nebraska people an exhibit that will directly reflect growing interest in Lincoln county as an industrial and agricultural center.

The Boys and Girls Clubs are working hard to make a big showing of what the Boys and Girls Clubs can and are going to do to make this Fair a success. They are to be highly complimented as we all realize this generation means the success of the future Fairs.

The Fair of 1922 from all present indications will greatly eclipse any previous year in all lines. The farmers, the livestock breeders, the people and business men of all towns in the county are backing the Fair as never before, which must necessarily spell unbounded success.

Over 300 season tickets have been sold, the price of the season tickets this year being \$2.00, also gate and grandstand fees have been lowered, so no one need stay away on account of high prices.

So if you have not already done so, begin planning now on your exhibit for the Fair and then come as everything is being done for you to have a good time.
