OPENING OF CITY SCHOOLS INTERESTS BOYS AND GIRLS

Students Will Be Met on The First Day By Many of Last Year's Faculty With a Number of New Teachers to Fill Vacancies

The North Platte city schools will open Tuesday, September 5th. A full corps of teachers has been secured and everything has been reported in readiness for the opening. The pupils of the lower six grades will attend the ward schools while those enrolled in the upper six grades will attend one of the high schools. The ward districts are as follows: All north of the Union Pacific tracks is in the Lincoln school district; all south of the Union Pacific tracks and west of Locust street is in the Washington school district and all east of Locust and south of the tracks is in the Jefferson school district. Those living in the extreme western part of the district will attend the Baker school. Those pupils who are in grades seven, eight and nine will report to the Franklin building for work in the Junior high school and those in grades ten, eleven and twelve will attend the Senior high school in the Central building. All will report at nine o'clock Central time on Tuesday for registration. A meeting of all teachers will be held in the Central school building at 1:30 on Monday and following this meeting the teachers will repair to their respective buildings for conferences with the principals there. Following is the assignment of teachers.

ADMINISTRATION

W. J. Braham, Superintendent
Cecelia Bairn, stenographer
Ruby Damme, Girls Gymnasium
Bess Boyles, Household Arts
H. H. Newman, Manual Arts
Charles Killian, Science and Band
W. R. Roettger, Commercial and athletics

Ethel Fritz Baker, music
Fred Elliott, truant officer
Clarence Jones, drill
Keith Neville, football
Dr. J. R. McKirahan, basketball
E. E. Carr, debate
Mrs. Rasmusson, first substitute teacher

SENIOR HIGH

Effie V. Johnson, principal
Dorothy Fauquet, botany and physiology
Ruth Duncan, mathematics
M. Estelle Hughes, mathematics
Mary Dye, Spanish
Mary Ellen Schank, Latin
Mabel Walters, history
Ocea Rawlings, civics and history
Mabel Gibson, English
Florence Antonides, normal training

JUNIOR HIGH

George I. Meyers, principal
Florence Wilcox, geography
Ina Diener, general science
Nora Hansen, history
Helen Brandes, history and civics
Amelia Joynt, English
Bessie Smith, English
Elita Munsinger, English composition
Beatrice Ballard, mathematics
Cecilia King, mathematics
Mary Hart, mathematics
Hazel Minshall, mathematics
Ruth Casteel, Latin
Anna G. Wolff, extra teacher

LINCOLN BUILDING

Della G. Kerr, Principal
Mable I. Reynolds, fifth grade
Georgina McKay, fourth grade
Geraldine Tracewell, third and fourth
Frances Watson, third grade
Elda Doty, second grade
Ester Elder, second grade
Ella Drake, first grade
Dot Kuser, kindergarten
Daisy Belle Miller, opportunity room

WASHINGTON BUILDING

Laura Murray, principal
Neil Hartman, fifth and sixth grade
Jesse Honn Meyers, fifth grade
Gladys Lyle, fourth grade
Dora Wallace, third grade
Ida Mae Scott, second grade
Roxanna Erb, second grade
Adda Turple, first grade

HUGE CLUB PICNIC STAGED IN A CANYON EAST OF BIGWELL

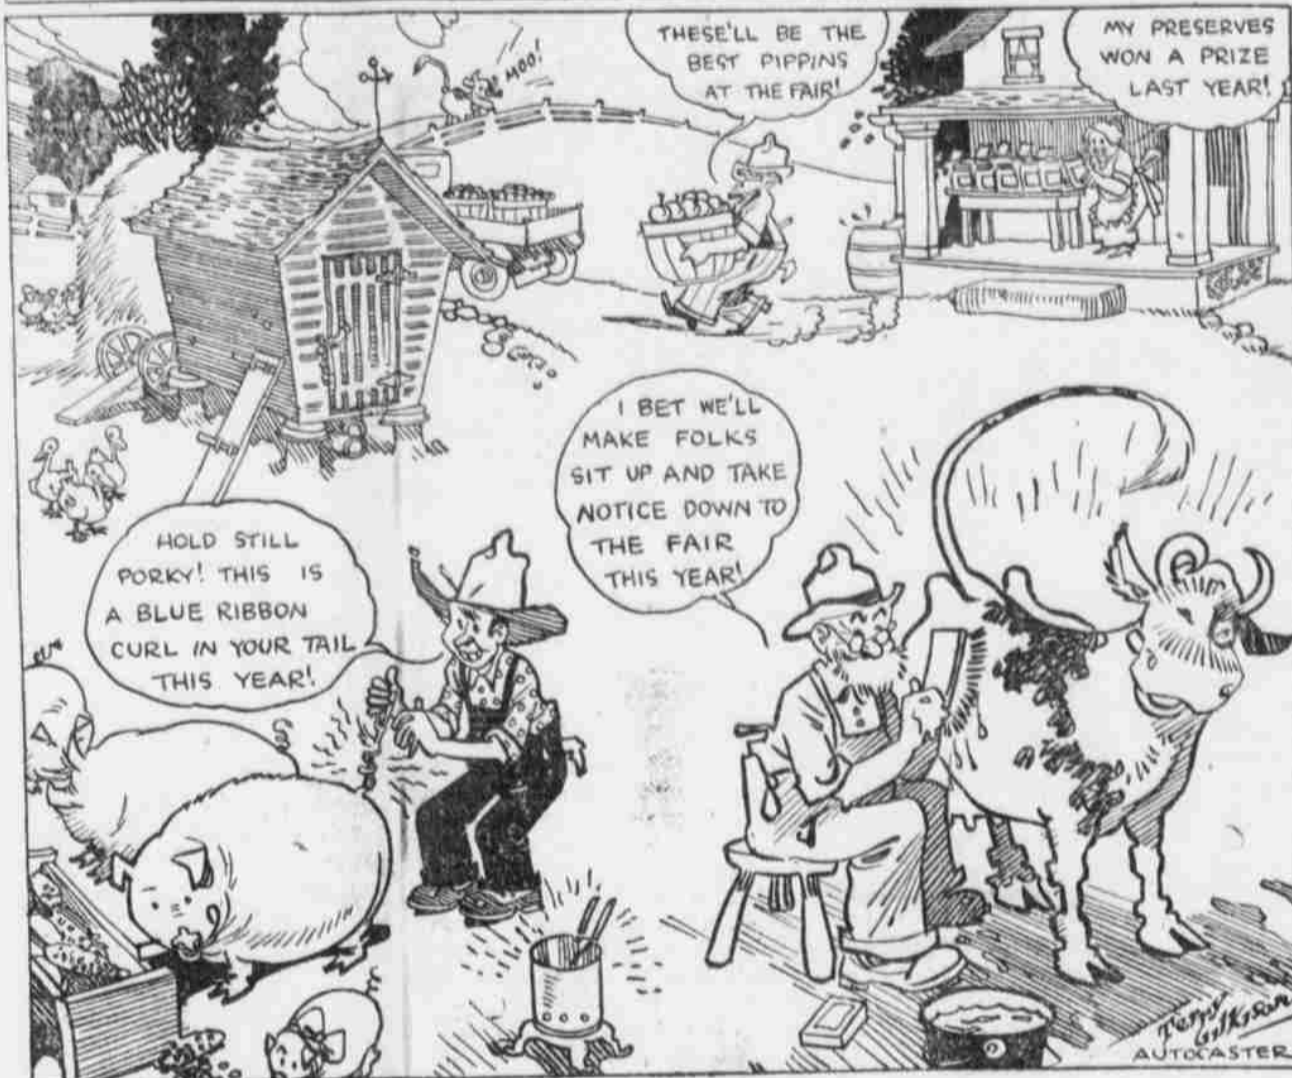

The Rotary club was host to the Kiwanis club and families at a picnic in the canyon just east of Bigwell last evening beginning at six o'clock. The place is a lovely spot for such an affair and the evening was delightful. Probably 300 people were there. An artificial lighting system with colored flares set in the walls of the canyon furnished light. The dinner consisting of fried chicken, mashed potatoes and hot gravy, sandwiches, pickles, salad, coffee, ice cream, pop melons, punch and trimmings was provided by the Bigwell Community club and was very fine. Entertainment was furnished by a committee which is to be commended on the result. The guests were sent into the canyon through a winding path where they were met by strange characters who made minute inspections and examinations to see that no bootlegging went on and that everyone was properly equipped. In going through one deep tunnel the master of the inferno made a pass at the wayfarer and wild animals assailed the path in places. An orchestra furnished some good selections and assisted in the singing. Mock trials of various offenders and a general attempt or the uniformed policemen to keep everybody within the law as they interpreted it, furnished wonderful amusement. It is said to be one of the most ambitious picnics ever attempted here and is generally credited with having been one of the best.

Inquiry of local coal men brought out the fact that the coal situation will be acute if the winter starts early and continues for long spells. There is no storage and practically all bins are empty. It is estimated that ten per cent of the local consumers have put in their wintertime supply. This does not include those who use large quantities for manufacturing purposes but only for household uses. If the fall should be mild and the winter open it is probable that all local needs can be met.

A card from W. P. Killen, who with Mrs. Killen is conducting a party through Europe, says they were enjoying Paris on August 14. He says all are well, that they will be glad to get back to Nebraska friends. In concluding he writes—"The North Platte contingent are good travelers and up and coming."

Blenda Butts, kindergarten
Myrtle Mereth, opportunity room
JEFFERSON BUILDING
Gall W. Stephens, principal
Alice M. Andrews, fifth grade
Opal Hammond, fourth grade
Lena Gartner, third grade
Muriel Brunton, second grade
Thea Hanson, first grade
Dorothy Hubbard, first grade
Gladys Bird, kindergarten

All Over the State Just Now

MANY LINCOLN COUNTY MEN TO ATTEND 89th DIVISION REUNION

The second annual reunion of the 89th Division will be held at Omaha, September 20-22 inclusive. The announcement says:—A barrage composed of Horse Races, Vaudeville Shows, Boxing and Wrestling matches, Cabaret Entertainers, Ak-Sar-Ben Electrical Pageant will be laid down for the veterans. Their appetites will be appeased at a big barbecue where Army Chew is barred. Valuable prizes will be given to the winners at the big field meet, where events have been scheduled so that all can participate. A pass to all entertainment features will be given each 89th Division man when he registers. The city will present war front atmosphere for the occasion. Several blocks of the main thoroughfares are to be placarded like the roads and villages on the front in France. The interior of the mammoth city auditorium will be decorated to recall the various phases of camp and trench life. There will be the well known canteen workers. The general's disgust has not been overlooked. In fact everything to make the "Fighting Middle Westerner" feel at home will be included. The "Buck Private" will be presented with the key to the city and when the reunion is over "Buck" will know that he has been some place, according to the several hundred Omaha 89th men who have the reunion in charge. Fare and one-half rates for the round trip have been granted on all railroads. Hotels are providing rooms for the veterans at about half of the regular rates, but advance reservations must be made to F. O. Malm, Chairman Reunion Committee at 509 Electric Bldg., Omaha. Omaha's hotels are always filled to capacity during Ak-Sar-Ben Festival which will be at its height during the reunion. All drafted men from Nebraska, Missouri, Colorado, South Dakota, Kansas, Wyoming, Arizona and New Mexico were detailed to Camp Funston to this Division. Since 85,000 men were in its ranks at one time or another, Omaha is preparing to entertain thousands of veterans. Any man who served with 89th regardless of length of service is eligible.

FIVE NORTH PLATTE BOYS CLOSE SIX-WEEKS DANCE ENGAGEMENT

The following clipping from the Billings, (Montana) Gazette will be of interest to North Platte friends of the boys composing the Danceland Entertainers:
The Danceland Entertainers, who for the last six weeks have delighted Billings devotees of terpsichore and popular music played their farewell dance in Billings last night at the Airdome and will leave today for Casper, Wyo., where they accepted engagement at the Aquian Dance palace.

This popular quintette of musicians, masters of jazz and that syncopated melody that tempts the feet, in concluding its Billings engagement leaves many friends behind, for it has been the good fortune of few musical organizations to achieve such popularity in such a comparatively short time. Their melody will live long in the memories of the many who have enjoyed an evening at the Airdome during the last six weeks. The personality of the musicians, too, has left its impress.

The Danceland Entertainers all hail from North Platte, Nebr. The summer, now waning, has been spent by them in touring. The organization is composed of Bob Dickey, saxophone; Lee Newton, drums; Lyle Ludwig, trombone; Walter Brown, Piano; Ed Dickey, banjo.

The boys and girls clubs of Lincoln county will be well represented at the state fair next week. County Agent Kellogg and the live stock judging team consisting of James Rosse, Osla Rosse and George Koch will leave for Lincoln Thursday of this week. Then on Friday R. R. Morris will accompany the poultry demonstration team composed of Violet Fletcher and Bernard Leavitt and Mrs. Leavitt will conduct the canning team consisting of Elanor Leavitt and Lyle Morris. These teams have all been working on their subjects for weeks and are going to make a great showing for Lincoln county.

WATER DEPARTMENT RECEIVES REPORT CITY WATER IS SAFE

Samples of water were taken from taps at 1207 W. Fourth street, 612 Chestnut and 1109 E Fourth street and sent to the state bacteriologist at Lincoln for examination last week. The results were received yesterday and the interpretation was as follows: "Satisfactory bacteriologically, no evidence of contamination with bacteria of intestinal origin being found." One sample taken from a tap at the water station showed traces of colon bacilli which the examiner said must have come from careless preparation of the sample, as it would be impossible to have infection of the water at the pumping plant and no infection in the three widely scattered parts of the system from which the samples were taken. The condition was marked as very satisfactory.

SHORT STORIES OF PEOPLE AND THINGS

ITEMS OF INTEREST ABOUT RECENT HAPPENINGS IN THIS COMMUNITY

Rock Springs coal is being handled by the railroad here in considerable quantities. The Wyoming miners went to work last Thursday and by Saturday coal was being received here. The railroad needs are being taken care of from these mines.

Three more freight crews were put to work on the third district this week, making twenty-one pool crews five local crews and one work crew in the freight department of that district. This is an increase over the number working here at any time during the past few months.

Miss Esther Antonides, accompanied by Miss Foy Smith of Omaha, a former teacher in the North Platte schools were to leave Boston this week for Washington and other points on their way home. They have been attending the summer term of Boston University.

Ed Mason who has taken a six-months leave of absence as chief clerk in Trainmaster Gudgel's office has left for New York and from there will go to the coast. Ralph Hansen is temporarily taking the vacancy until someone is appointed to the place or Mr. Mason returns.

Application for a divorce was filed this week by Mrs. Ruth Murphy against Jos. T. Murphy on the grounds of desertion. They were married in Greeley, in May 1918 and in the petition she alleges that he left her that same year and has not lived with her or supported her since. There are no children.

Superintendent Braham has announced the regulations regarding the kindergartens in the city schools. All children who are five years old or who will be five during the first two school weeks of September will be admitted to the kindergarten. Children whose fifth birthday comes later than this and prior to the close of the first two school weeks of the second semester will be admitted to the second semester class.

What We Really Sell Is Satisfactory Transportation

A doctor sells health, and a tailor sells garments. You wouldn't care to patronize a doctor who sells merely pills or a tailor who sells only cloth.

An automobile dealer sells transportation, so why think of him as one who sells only a car? We sell our customer satisfactory transportation. Our knowledge and experience lead us to recommend the splendid new Dodge Brothers Models. Our equipment for the service of Dodge owners assures the desired result.

DODGE BROTHERS MOTOR VEHICLES

J. V. ROMIGH, Dealer.

6th & Locust.

Phone 844.

You can expect and you will receive the same kind of thoro service on any of our guaranteed and renewed Dodge cars bought here.
