

### CHATS WITH YOUR GAS MAN

To obtain full economy from the use of gas, keep careful watch of your gas flame. The correct flame is blue. If the flame is white or yellow, the mixture of gas and air entering the burner is imperfect. This can be remedied by adjusting the air shutter on the mixing tube, or, in extreme cases, by adjusting the size of the gas orifice.

A yellow flame is wasteful. Furthermore, it deposits soot at the bottom of pots and pans. If you have a coil-type water heater, see that the coils are kept free from soot by brushing them at frequent intervals. The soot acts as an insulator, and considerably more gas is required to get hot water than when the coils are clean.

Of course, with dirty, greasy burners you can not expect to obtain maximum results from your gas service. It is just as necessary to clean gas burners as it is to clean windows.

#### REHEARSALS BY MUSICAL COMEDY CAST SHOW WONDERFUL TALENT

"All Aboard", the musical comedy which is to be put on here next Thursday and Friday under the auspices of the Woman's club, is getting into such shape that those in charge can get a good idea of its prospects. The cast is doing well. The manager says—

A musical comedy, to be a genuine hit, must possess an interesting plot, and a tuneful musical score. Without these, a show cannot be a real success. "All Aboard" which is from the pen of the late Junie McCree, who wrote more than a hundred professional stage successes, proved to be one of the largest Broadway hits ever produced. Too much cannot be said of the pretty musical score, for not since the good old days of the "Merry Widow" has anything been written which would compare with the "All Aboard" score. The same charm which once held you in the dreamy waltz strains of the famous Merry Widow Waltz, will be found in "My Dream Has Come True" and "the Bashful Bumble, Bee." The "All Aboard" score contains individual hits, and it would be hard indeed to limit them to one or two numbers. Some of those taking leading parts are Mr. John Rittner who will portray Billy Brady, a College boy here, Donald Russell will be seen as Johnny Grady, Billy's pal, and the part of Alexander C. Phome will be taken by Ralph Shango. Dorothy Brady and Beatrice Sloane, two college girls, will be played by Miss Margurite Campbell and Miss Mary Ellsworth. Others taking parts are Mrs. Tiley who will be seen as Mrs. Sloane, mother of Beatrice and P. G. Buchanan, Captain Kidd, of the S. S. Florida.

#### BOYS AND GIRLS CLUBS ENTERTAIN VISITORS AND PRIZE WINNERS

In the stock judging contest at the county fair yesterday the Daisy McPherson club, Clyde Shaner, leader, won first place; the Bignell Poland-China club, R. R. Morris, second; Wilson Pocket Duroc club, H. C. Hartman, third and the Goldenrod Hampshire club, Scott Shaner, fourth. The individual prizes went as follows: Virgean Deets, first, Morrell Shaner, second and Paul House, third.

One of the events which North Platte can look forward to with expectation is the lecture by Dr. W. A. McKeever of the University of Kansas. Dr. McKeever has a department all of his own and looks after the good of all the people in general, picking out those things which are being done by individuals and communities in other places and telling about them in such a way that we easily distinguish the worthy from the worthless. He will address the district teachers' convention which is to be held here on Friday October 13 and the session will be open to everyone.

Dodge Brothers cars are good sized family cars of 114 inch wheelbase. It is equipped with 32x4 non-skid cord tires all around. Compare with other smaller cars for which a higher price is asked.

The Greatest Chapter Play of  
American History

**"In The Days of Buffalo Bill"**

With North Platte's Own Hero,  
**COL. WM. F. CODY,**  
"BUFFALO BILL"  
Playcd by Duke R. Lee.

Watch For It! Wait For It!

#### "IN THE DAYS OF BUFFALO BILL" ANNOUNCED FOR NEXT WEEK

In telling of the picture "In the Days of Buffalo Bill" which is to be at the Sun on Sept. 29 and 30 for matinee and night, the producer says: "Months were spent in extensive research in securing accurate data and equipment for each of the eighteen chapters. As is true of all great periods of history, historians differ widely in their accounts of famous events and it was difficult in preparing the script for production to know exactly which accounts to choose. Robert Dillon, who wrote the story and continuity from history, persued every text book on history in the library and with the assistance of professional research workers succeeded in getting in his script the real events as they actually happened.

Throughout the greatest attention was paid to historical accuracy in order that the chapter play might prove a real help to teachers and students as well as serving as an exceptionally interesting and thrilling entertainment for adults.

**Catholic Girls to be Entertained.**  
The members of the Catholic Girls club will be entertained Monday evening by Miss Edna Sullivan.

**Entertain in Honor of Mrs. Conlin.**  
Mrs. Horton Munger assisted by Mrs. C. R. Morey entertained Wednesday afternoon at the Munger home at Bridge in honor of Mrs. Frank Conlin of Omaha, who is a guest at the home of her parents Mr. and Mrs. Harry Dixon.

**Entertains at Surprise Party.**  
Mrs. C. J. Cornwell entertained forty guests at her home Monday evening at a surprise party in honor of Mrs. A. D. Cornwell. The occasion was her 24th birthday. The evening was spent in playing cards after which a delicious two course luncheon was served.

Mrs. P. C. Phillips left yesterday for Iliff, Colo., where she was called by the illness of her son who was seriously hurt in an auto accident Wednesday evening.

#### WEATHER CONDITIONS

Insurance that Insures—Protection that Protects

**Fidelity Reserve Company**

Home Office Fourth and Locust Streets,  
North Platte, Neb.

Heat your whole house without pipes or flues!

THIS new type heating system can be easily installed in any home—new or old—in a few hours' time. No fuss or muss, because no pipes to run and no tearing up of walls and floors. Only one hole to cut, for ONE REGISTER heats the whole house.

Then just leave the doors between connecting rooms open. The warm, moist, sterilized air, flowing from the single discharge register, will circulate through the entire house, while cooled air is drawn back into the heater through the intake registers.

**Estate SINGLE REGISTER WARM AIR HEATING SYSTEM**  
"the furnace that breathes."

In it you get not only the one scientifically correct pipeless system, but an unusually heavy, high-grade heater with many exclusive features. All-Cast-Iron Construction; Ball-Bearing Grate; Swinging Vapor Tank; FIVE-YEAR GUARANTEED FIRE POT.

Come in and let us show you all the important advantages of this heating system. We know what it will do for you because we know what it has done for others. Our guarantee is added to the makers'.
