SHORT STORIES OF PEOPLE AND THINGS

ITEMS OF INTEREST ABOUT RECENT HAPPENINGS IN THIS COMMUNITY

The board of education meeting which was to have been held last evening was postponed to this evening on account of so many other meetings being held last night.

Clyde Murrel Cupp, 4, of North Platte and Mrs. Allie Reeves, 24, of Paxton were granted a license to wed yesterday and then Judge Woodhurst tied the knot. They will live here.

The Sunday Lincoln Star shows a picture of twelve husky candidates for the Nebraska team and one of them is Junior Hinman for quarterback. Junior is the son of Mr. and Mrs. York Hinman of this city. This is his second year at the University.

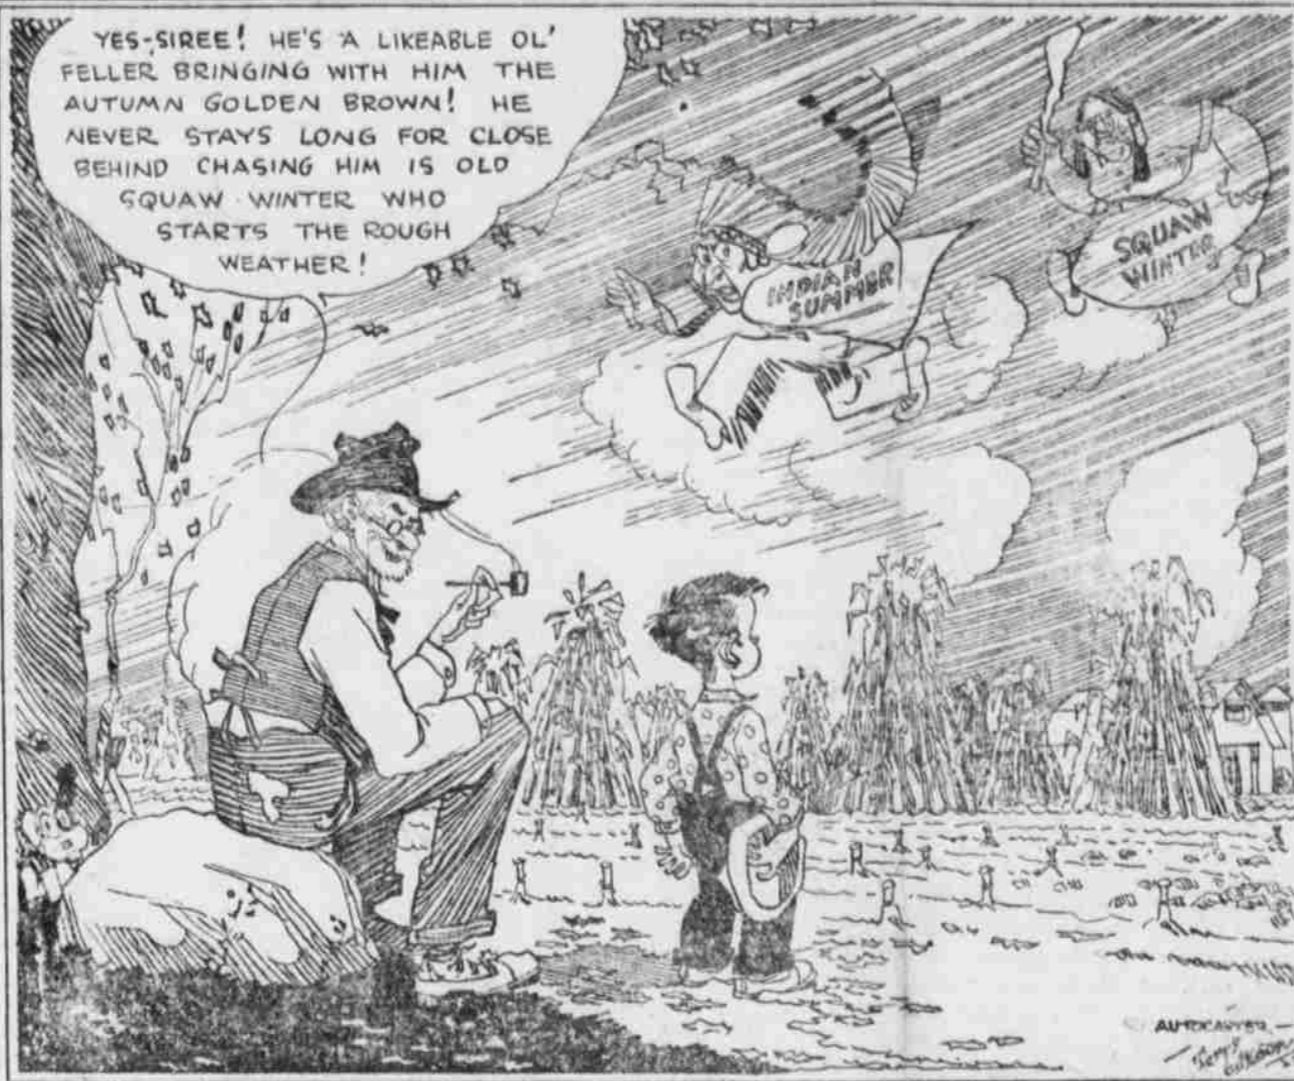

During September, 1922, seventeen marriage licenses were issued by Judge Woodhurst. This compares rather unfavorably with twenty-three licenses which were issued during September a year ago. However that might depend on how you look at it.

Melvin Simpson arrived here Wednesday and took over the bicycle and motorcycle business formerly conducted by John Null. Mr. Simpson is a skilled mechanic. He spent one winter here in employ of Mr. Null and knows something of the local conditions. He plans to make the shop on front street meet every need of the cyclist and by giving service he expects to earn a place in the business life of North Platte.

Coach Schulte of the University of Nebraska Extension Department was in North Platte Saturday and held a school of instruction for football officials. The sessions were held in the high school. Coaches and officials were here from Ogallala, Lexington, Gothenburg and Chappell. The day was spent in going over the football rules and giving those who will have the working out of the rules a clear understanding of their intention. The day was considered very profitable by those who attended.

The September number of The Bulletin, the official organ of the Nebraska Federation of Women's clubs has a full page of illustrations of North Platte, the Hostess City as they call it. In one place the state presi-

LOCAL CLUB TO ENTERTAIN FOOTBALL OFFICIALS AND PLAYERS

The Kiwanis club will be host to the members of the 1922 football squad, their coaches and officials and the men of the high school faculty at a dinner to be given this evening at the Timmerman Vineyard. Several short addresses will be given and the football situation cleared for the reputation of the successes of last year.

The Star Clothing House will complete this week the remodeling and redecorating of the store room which it has occupied for so many years. A basement has been added and a hot water heating plant will be installed. A separate department for boys clothing has been prepared and will be fitted up on purpose for this trade. New wall cases have been built and improvements made in the office which when completed will make the store more up-to-date and help it to maintain its position as one of the greater of the men's stores in western Nebraska.

Rotary met at the Timmerman Vineyard yesterday noon and had as its guest and principal speaker the district governor of Rotary, Paul of Dubuque, Iowa. He spoke on the work of Rotary and paid high compliments to the local club and its organization which he found here. W. L. Park was also a guest at the dinner and made a short address telling of the progress made by North Platte and of its future. Dr. Conlin of Omaha and W. W. Burr of Lincoln were also guests. The Danceland Entertainers were present and gave a number of selections. Two of the members of this organization are sons of Rotarian Ed Dickey.

During this month the people of North Platte are going to have the opportunity of being host to two large conventions. The district Teachers convention opens October 11 and the State Federation of Woman's clubs meets here October 24. All the hotels and respectable rooming houses in the city could not supply accommodations for the people who are expected at either of these gatherings and the citizens are asked to open their homes to the delegates. The Chamber of Commerce office is the clearing house for such information and if those who can arrange to take one or more of the delegates for sleeping will let the secretary of the Chamber of Commerce know, it will be an accommodation to everyone concerned and the guests will be well taken care of.

DOPE ON THE FOOTBALL SITUATION

PROSPECTS FOR MAKING GOOD SHOWING IS STILL UNCHANGED

The local football squad went to Cozad last Friday and played a game full of straight football with a final score of 44 to 0 in its favor. This was not the big score which was made last year but no such effort was attempted. The coaches were satisfied with giving the regulars and substitutes a good trying out and confined the game to straight football. Next Friday the team meets the Lexington boys here and it is uncertain just what they will be up against as the visitors have not uncovered anything yet. Bayard won from Scottsbluff by a 41 to 6 score. This leaves Bayard in the race for the western end of the state. In the southwest McCook defeated Benkleman by the same score that North Platte defeated Cozad, 44 to 6. The Lincoln Star says Snyder, d'Vavel and Nelson played the star game for McCook with Modrel and Captain Burnett out of the game. Lincoln won over Fremont by a 6 to 0 score, making it necessary for North Platte to defeat Fremont by a still larger score in order that it may hold the best of the comparison with Lincoln. Ord defeated Central City by a 25 to 9 score, taking the joy out of any small score when the locals face the Central City boys. Gothenburg left Mason City with the short end of a 26 to 6 game which gives it a clear field to the pennant so far. South Omaha High has only played an alumni game when it was defeated 19 to 0, so there is no dope on its strength yet.

LUTHERANS HOLD ANNUAL CONGREGATIONAL MEETING AND SUPPER

The members of the Lutheran church held their annual congregational meeting and supper in the church basement last evening. Supper was served by the Ladies Aid to 170 guests. After supper a business meeting was held at which time reports of the various church organizations were given. A very interesting talk was given by Rev. W. K. Kahse, Synodical missionary of the Nebraska Synod. At this time Roy Bunnell was appointed Elder, Chas. Lierk and Herbert Tramp were appointed Deacons to serve for a term of three years. The meeting was closed with prayer by Rev. Koch.

Miss Edna Nielsen of Lexington spent Sunday in the city visiting at the Noskey home. Mrs. George Zentmeyer and children of Las Vegas, Nevada are visiting at the John Strahorn home.

NEBRASKA SENATOR TOURING IN NEBRASKA TO SPEAK HERE

Announcement was received here this morning that Senator Gilbert M. Hitchcock will speak in North Platte at 8 p. m. on Tuesday October 17. The announcement does not tell of the place of meeting but it will be announced later. There has been much discussion as to the support to be given Senator Hitchcock in his campaign for re-election on account of his stand on certain matters of great importance and it is expected that he will discuss these matters and make his stand plain.

JOHN THOMAS SHAW

Was born May 22, 1849 at Clearfield, Pa. and died at North Platte Sept. 29, 1922 at the age of 73 years, 3 months and 7 days. At the age of ten he moved with his parents to Illinois, first to Rock Grove and afterwards for many years at Winslow and vicinity. He was married August 30, 1882 to Miss Phidella Hulet, a childhood school chum and to this union were born two children a son and a daughter. Five years ago Mr. and Mrs. Shaw moved to Colorado where about a year ago he became ill and they went to Wisconsin in the hope of regaining his health. When their expectations did not materialize they decided to go back to Colorado. They got as far as North Platte when Mr. Shaw's condition became so serious that they had to remain here. They have since made their home with Mrs. Shaw's sister, Mrs. Ida Peters. Mr. Shaw was converted in Illinois, forty years ago at a United Presbyterian revival. Eight weeks ago he renewed his covenant with his God and set his heart right once more. He was a kind and loving husband, a considerate father and a good provider for the family. Those who mourn his death are his wife, Mrs. John Shaw; his son, Asa Shaw of Chaplin, Iowa; his daughter, Mrs. H. S. Reasoner of Joes, Colorado, a daughter by a former marriage, Mrs. John L. Smith of Madison, South Dakota, six grand children and three great-grand children. He also leaves a brother, Frank Shaw of Des Moines Iowa and a sister, Mrs. L. C. Young of Burbank, California.

"All Aboard" the musical comedy given under the auspices of the North Platte Woman's club drew a good house Friday evening and was said to have been produced with a smoothness which is not usually characteristic of such productions. The proceeds will be used to defray the expenses of the state convention of the Woman's clubs which is to be held here this month and any balance remaining will be put into the permanent home fund of the club.

The Alpha Delphian Society will meet this evening in the Franklin building. The subject is the Second Lesson for the first month with Mrs. Harold Blalock as leader.

THE NAME OF THE BIG MUSICAL COMEDY AT THE KEITH IS "EVE"

Manager Hawley has announced the engagement of the George E Wintz company, producing the musical comedy "Eve" for Monday, October 9 at the Keith. This company includes two favorites with North Platte audiences, Miss Nyra Brown and Johnny Getz. These people appeared here last year in "Listen Irene" and were very well received. The advance man says—"The Mirror Ball is considered the pith of any electrical effect ever seen on the stage. The big orchestra and musical numbers will make you shimmy and whistle or buy a mouth harp upon reaching home. La Zaskia, the cultna exponent of perennial dancers such as witnessed by Roman Emperor or Cleopatra's Barge, a flirtation walk of 15 rows into the audience where a closer view can be had, as the heavenly beauties promenade and show their lingerie steller DeLuxe in a flood of fascinating, filmy feminine and veritable sea of dainty, luxurious, lacy garments which dazzle the eye and feed the brain with memories of such a night. The dazzling Bubble effect which is positively the greatest effect ever produced will be shown, also other scenery which is opulent in spangles and tinsel and a wedding scene which every girl will try to copy on their betrothal day. Such are the reports on "Eve".

COUNTRY CLUB STOCKHOLDERS ELECT DIRECTORS FOR NEXT YEAR

The stockholders of the North Platte Country Club met last evening in the Elk's Home and had a banquet with about fifty at the tables. Following the dinner, reports of the officers were made and accepted. These show the club to be in good financial condition in spite of rather large expenditures for permanent improvements and equipment. The three members elected to the board of directors were M. E. Scott, Horton Munger and Wm. Hawley. It is probable that the board will meet on next Friday evening for the annual election of officers.

Beebe the candidate for U. S. Senate will speak at the Court house yard Monday October 9 at 8 p. m. Be sure to hear him.

F. L. Mooney left the last of the week for New York and other eastern points. He will attend the sessions of the American Bankers Association while in New York.

CHATS WITH YOUR GAS MAN

Do you know that the amount of gas used during the year 1920 was more than double the amount used in 1910 and more than three times the amount used in 1900?

There are in use in this country today six million seven hundred thousand gas ranges, one million four hundred thousand water heaters, and ten million incandescent gas burners, exclusive of arc lamps or street lamps.

The gas companies have on their books nine million customers, and the number of persons who use gas service for cooking their meals and lighting and heating their homes aggregate forty-five millions.

There are 70,000 miles of gas mains in the United States, or nearly enough to encircle the world three times.

The gas industry is performing an important service to the people of this country. If you are not making use of this service, we will gladly tell you how you can do so to your advantage.
