

The North Platte Semi-Weekly Tribune.

TUESDAY and FRIDAY

THIRTY-EIGHTH YEAR

NORTH PLATTE, NEBRASKA, OCTOBER 10, 1922.

No. 79

FOOTBALL DOPE ON LOCAL SITUATION

HIGH SCHOOL BOYS TO MEET SOME BIG TEAMS BEFORE SEASON IS ENDED

The defeat of last Friday has considerably lessened the chances of a championship team in the local high school but it is still possible for the locals to come out on top. If none of the major teams should go through the season without defeat the championship would have to be decided by considering the records of the major teams and should North Platte win all the rest of the games it is still possible for it to retain the state honors.

Of the teams which North Platte still has to play Central City lost Friday's game to Grand Island and South Omaha lost to Fremont. Goshenburgh won from Broken Bow, McCook from Orleans, Columbus from Onocola and Bayard from Morrill. Farnum won from Cözad. It looks as though the game with McCook next Friday would be one of the big games on the local field and should North Platte win it will mean much to redeem the loss of the game to Lexington. Each week sees the process of elimination going on and the schools by comparison are dropping out of the championship class. The statement of Mr. Neville that a state championship comes to the average school but once in a lifetime and cannot reasonably be expected two years in succession is an assurance that the ordinary luck of the most of schools has been reached by North Platte and that under ordinary conditions we cannot expect to win the state title again for several years. This is not disheartening as the statement rests on the law of averages and the unexpected may happen at any time.

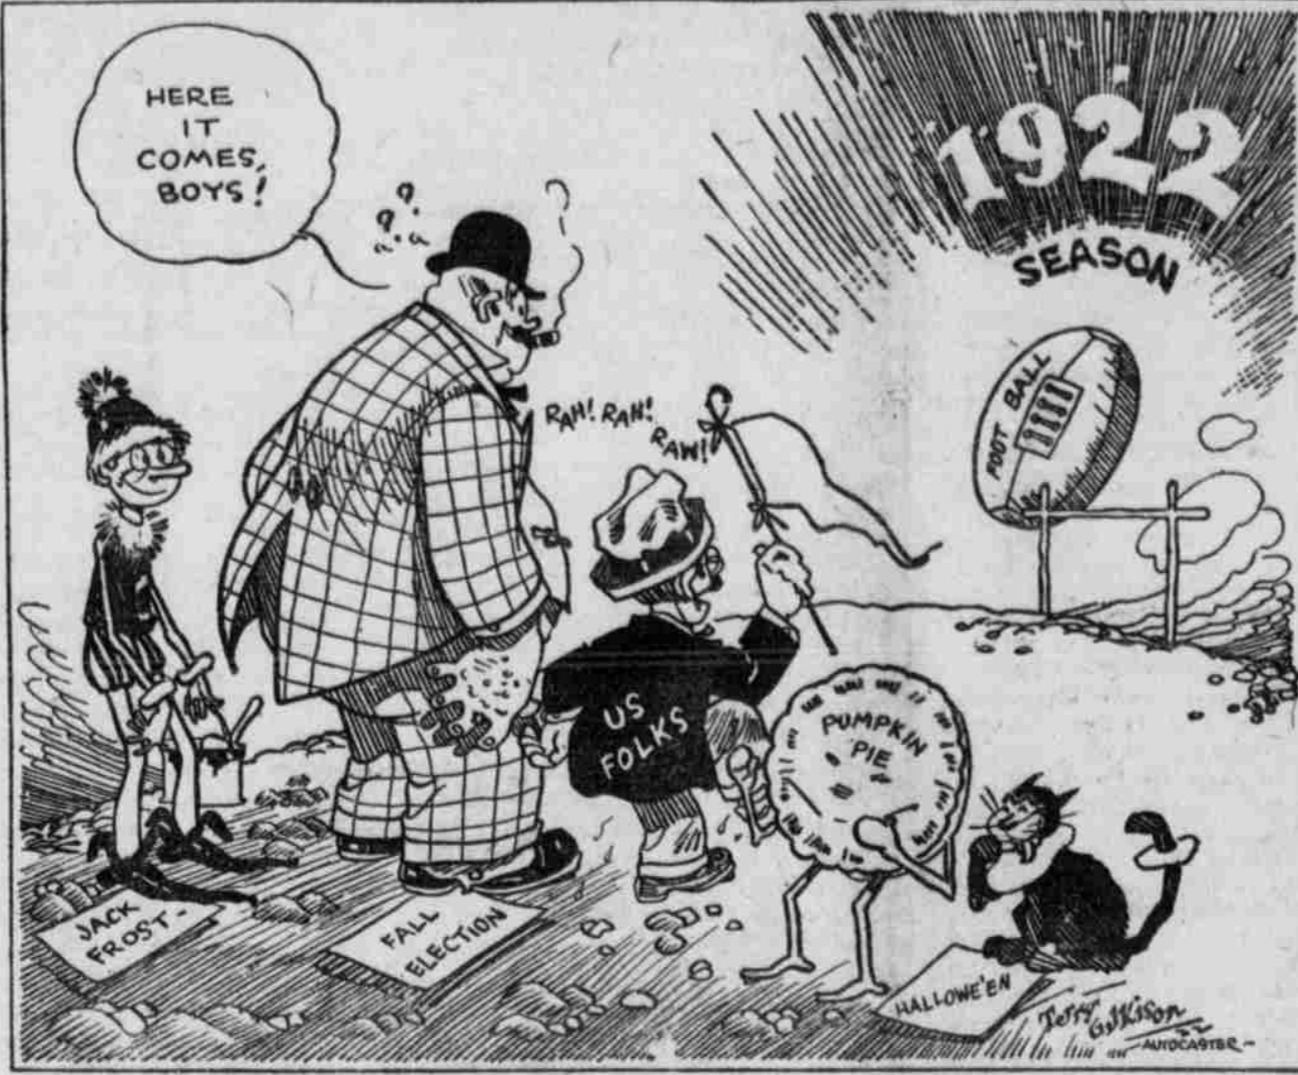

BAPTIST PEOPLE TO TRY AUCTION SALE SO POPULAR ELSEWHERE

Next Saturday at Durbin's Garage the members of the First Baptist church of this city will put on an auction sale with H. M. Johansen as auctioneer. The sale will consist of live stock, household goods, food stuffs, clothing, an oil painting and other articles. These have been donated by the members and friends of the church. This method of raising money has been successfully tried in numerous other places and should prove a success here. The sale is advertised elsewhere in this paper.

Julius Cornell arrived to-day from Green River, Wyo. to visit his brother Chas. Cornell.

Mrs. Elizabeth Wilson and daughters Dorothy and Maxine left Sunday for Los Angeles, Cal. where they will spend the winter months. Mrs. Wilson will visit her son Lawrence.

Fall Friends

POLITICS IS GETTING MORE ATTENTION

CANDIDATES ARE BEING CONSIDERED AND VOTERS ARE MAKING UP MINDS

Politics is slowly moving along its own course. The past week has seen little change. The senatorial race between Howell and Hitchcock seems to center largely around the dry question. It is pretty generally conceded that Hitchcock has a good chance if he can get his dry statements over to the voters. Lincoln county seems to be warming up to the election and county as well as state and district candidates are being investigated and discussed. Bryan for governor is receiving about the same favorable consideration as Randall. Many voters are undecided as to what candidates they will vote for in the list of state nominees. For congress Beal and Simmons are both doing their best. The sixth district is normally Republican which gives Simmons the advantage but the tariff, bonus and strike attitude of the national republican party does not seem to meet with general approval in this county and some are placing the blame where it does not belong. In county politics, the fight is getting interesting. Most of the candidates are sawing wood with occasional forays into the fields of

NEW HEAD OF CITY LIBRARY HAS HAD GOOD LIBRARY EXPERIENCE

Miss Eleanor M. Wheeler has been appointed to succeed Mrs. Loretta Brownfield as librarian of the North Platte city library. She is from Schuyler, Nebraska where she was librarian for a number of years. Miss Wheeler took charge on October 2 and already has made a number of friends with library patrons by her good nature and extensive knowledge of library work. She is proposing to establish at once an exchange magazine shelf where patrons of the library can bring magazines which they have read and leave them taking from the shelf a magazine which they would like to read. This plan is being considered and may be put into operation in the near future.

WHOLESALE TIRE DEALER BUYS HOUSE IN LINCOLN AND WILL MOVE

Abe Lee, owner and manager of the General Tire Company plant at North Platte has purchased the General Tire Company plant at Lincoln and will move there about the first of November. He will take charge of the Lincoln plant personally, putting a manager in charge of the North Platte a year or more and has to a partner. Mr. Lee has been in North Platte a year or more and has made a large number of business and social friends by his genial personality and business methods. He leaves here for larger fields and a wider opportunity and the Tribune wishes him great success in his new field.

The Dominos played at Brule Saturday evening. This orchestra is composed of all North Platte boys. They are Howard Purdy, Robt. Dickey, Jr., Royer Hastings and Lawrence Hart. They will play at the Vineyard Thursday and Friday during the Teachers Institute in this city.

The opposition to get converts. Salisbury and Berthe are in the midst of the struggle for sheriff with strong friends on each side doing their best to influence the voters. Four weeks from today will decide the matter. While it is uncertain just what the minor parties will do between now and election, their candidates are not attracting much attention now where there are republican and democratic nominees facing each other. But a lot of things can happen in four weeks.

SHORT STORIES OF PEOPLE AND THINGS

ITEMS OF INTEREST ABOUT RECENT HAPPENINGS IN THIS COMMUNITY

Miss Lillian Gatlin of San Francisco stopped at the North Platte landing field last Friday afternoon on her way to New York as the guest of the Air Mail service. She is reported to have reached New York yesterday, making the first woman to have crossed the country in an airplane. She and the party stayed in North Platte Friday night and left here Saturday morning for Omaha. She will return to Detroit where she will assist in the organization of the Gold Star Aviation Mothers at the second National Aero Congress to be held there soon.

Scout troop No. 3 left today for Maxwell where it will play the Maxwell high school. This troop was the champions of the city Boy Scouts last year. The members of the team are Darrall Trout, Virgil Attebury, Fredrick Messmer, Virgil Brannan, Chester Mcomber, Raymond Plaughter, Everett Howard, Ralph Wickwire, Francis Rose, Hammond Brower and Charles Hunter. Dick Pittman is scoutmaster of this troop and he has been coaching them for the past five weeks.

The September summary of the weather conditions issued by Weather man Shilling shows the highest temperature during the month to have been 98 degree which is only three degrees below the highest ever known. The mean temperature was 68 degrees. Last year it was 65 and the year before 64. The lowest this September was 39. There was just one inch of precipitation during the month which is the same as last year and .17 above the year before. There is a deficiency of a little over two inches of rainfall since the first of the year compared with the average for 48 years. The average hourly velocity of the wind was 6.1 miles an hour. There were 21 clear days, 6 partly cloudy and 2 cloudy days during the month. The month is characterized by being hotter and dryer than usual.
