EDITORIAL

David said—"Exalt ye the Lord our God and worship at his footstool; for he is holy." Psalms 99:5.

Col. Lydecker said—"The birth right of every son of a free people is opportunity. Let no man be deceived by suggestion of community ownership."

The second number of the High School Round-Up was issued yesterday. It is a five column four page paper well illustrated and full of school news of interest to the pupils and teachers. The alumni of the school will also be interested in the Alumni column which attempts to keep students in touch with those who have been in school before. W. R. Roettger is the faculty representative in charge of the Round-Up and he has his hands full. He must see that the paper is interesting to the high school students or they will not support it and it seems he must make it meet the requirements of the parents also. So he has set to work to do the job and seems to be succeeding pretty well judging from the favorable comments received. The Round-Up will be issued twice a month and the subscription price is 75c a year. If any of our readers want to learn what the high school stands for and what the young people of this city are doing through the schools they can get a pretty good idea by subscribing for the student publication and reading it. The Round-Up is now in its thirteenth year and is edited by a staff of pupils who are members of the journalism class.

Carl Nelson of Gothenburg was a business visitor in the city Friday.

Judge Woodhurst issued a marriage license Saturday to Harold M. Hibbs 21, of Wellfleet and Miss Gladys P. Jolliff, 19 of Dickens and then performed the ceremony which made them man and wife.

Plenty money to loan on improved farms. J. F. Clabaugh, 618 Dewey Street.

Mrs. Ben Franklin and daughter of Julesburg were business visitors in the city Friday.

Mrs. Dick Brewer of Hershey visited with friends in the city last week.

Real bargains in 7-piece glass water sets. See our windows. Austin Jewelry Store.

Ray Estell of Brady underwent an operation at the Platte Valley hospital today.

Water rent is now due in section C, north of Union Pacific right of way, and becomes delinquent Oct. 20. All consumers in that district please pay before that date.

HERSHEY S. WELCH, Water Commissioner.

A crowded house greeted the production of "Eve" at the Keith last night. It was the same cast which showed here last year but the show was cleaner and better staged. Johnnie Getz as the comedian took the leading part and was given the greatest applause. Other parts were well taken but the chorus was not up to standard.

Wm. M. Waldman of Boone, Iowa spoke before the Rotary club yesterday on the subject of "Fire Prevention." He told his story in a straight forward manner and impressed upon the members of the club that without co-operation of the citizens with the fire department the common means of preventing fires could not be successful. He told of the success some towns are having with their fire prevention campaigns and of the failures in other places. He complimented North Platte on the fact that it stands high in the list of places having few destructive fires in spite of the recent conflagration. E. R. Goodman was chairman and several members of the local volunteer fire department were guests. Ira Bare, Wm. Hendy and Milton Forbes also spoke.

A CHEERING CROP!

The 1922 crop has already sent throughout the country a perceptible wave of Optimism.

Conditions right here in North Platte and vicinity are already looking better; business is beginning to show renewed activity.

At the beginning of a new era of prosperity let us resolve to continue being thrifty, to settle our obligations promptly, making sure of continued prosperity for the future.

DODGE BROTHERS BUSINESS SEDAN

With this car, Dodge Brothers have literally created a new type of sedan.

They have combined open car ruggedness with closed car protection and smartness.

They have demonstrated, once for all, that a sedan can be as practical and almost as inexpensive as an open touring car.

The body is built of hand-welded steel because steel is sturdy, and will take a permanent, oven-baked finish, eliminating forever the cost of repainting.

The seats are upholstered in attractive, genuine Spanish blue leather, because leather will wash and wear.

To further enlarge the car's usefulness, the rear seat, back and side cushions, seat frame and foot rest are quickly removable, giving sixty-four cubic feet of flat loading space in the rear compartment. The manifold uses made possible by this unique feature are readily imagined.

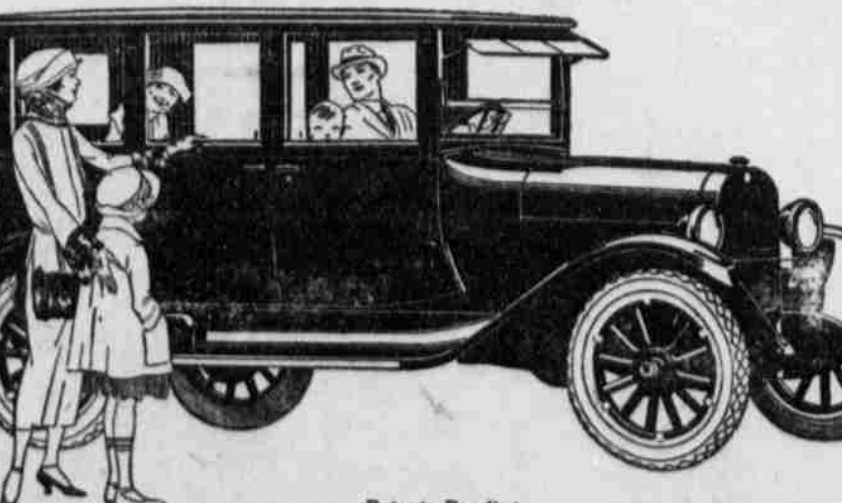

The top and rear quarters are of non-rumble, fabric construction, conforming with the present attractive vogue. From cord tires to curtain cords, the fittings, inside and out, are distinctive and complete.

In fact, every detail of the car emphasizes its striking adaptability to business as well as social use.

The price is \$1360.00 delivered
