FOOT BALL DOPE ON LOCAL SITUATION

HIGH SCHOOL BOYS TO MEET SOME BIG TEAMS BEFORE SEASON IS ENDED

The defeat of Central City last Friday by the local high school team improves the record of the boys but there is not so much talk about state championship as there was. It is realized that the best teams are yet to be met. On the same day Columbus won from Havelock 18-0. South Omaha high defeated Nebraska City 27-6, and Lexington won from Holdrege 24-0. It is reported that Bayard did not play on account of weather. The game Friday was marked by listlessness on the part of the locals who did not show the spirit of the McCook game. Next Friday North Platte meets Bayard there. Bayard has several good players but the North Platte boys have been assured if they will play like they did against McCook they will take the big score. There are only a few high school teams in the state who have not been beaten. Interest in the west centers around Kearney which has won its fifth consecutive game, with no defeats. Lincoln and several other places have undefeated teams but they are becoming fewer each week. The boys will leave for Bayard on Thursday and are expecting to have a well organized team with most of the players who have been out on account of injuries, in the line up.

To the Voters of Lincoln County:

The office of Register of Deeds was created following the last census in 1920. C. W. Yost was appointed Register of Deeds, for which position he is now a candidate for election on the republican ticket.
My business takes me to that office many times each day and I am perhaps, more familiar with the importance of handling the affairs than any one else, and I have no hesitancy in saying that Mr. Yost has made a particularly good official. He is courteous to the public, accurate in transcribing records and particularly economical in the conduct of the affairs of the office and I candidly believe this election will be of much benefit to the citizens.
Yours Truly,
O. E. ELDER
