EUGENE R. PLUMMER

Eugene R. Plummer was born in Durbin County, Ind. on the 14th day of February, 1854. When he was an infant, he moved with his parents to Bureau county, Illinois, and when he reached young manhood, came to York, Nebraska, where he resided for a number of years. While living at York, Nebraska, he married Miss Anna Tracy, and from this union four children were born, all of whom died in infancy.

Mr. and Mrs. Plummer came to North Platte about 26 years ago, and were residing there at the time of his death, which occurred on the 18th day of October, 1922. As a young man he became a member of the Baptist church, later affiliating with the Methodist Episcopal Church, of which he was a faithful and active member for many years.

He leaves to mourn his death, his wife and brothers and sisters and they will mourn him, as only the departure of a loving and faithful Christian husband and relative can be mourned. A large circle of acquaintances, to whom he was a warm, loyal and trusting friend, will deeply miss his always hearty greetings, wise counsel and advice, especially in spiritual matters. Earth's loss is Heaven's gain.

CARD OF THANKS

To those, who so kindly assisted during the illness and death of my husband, I wish to express my sincere thanks.

The beautiful floral offerings and many other acts of friendship and tribute are deeply appreciated.
Mrs. E. R. Plummer.

PLATTE VALLEY SCHOOL NOTES

The enrollment in the primary is somewhat decreased since the beet work started.

The ninth grade English class had story telling Friday. Some very interesting stories were told.

Pearle Strolberg of the intermediate room has been absent several days on account of sickness.

The intermediate room entertained the primary and high school Friday with a fifteen minute program which was very good.

The primary room has been learning a Halloween song and will give a short program next Friday morning for opening exercises.

Public speaking in schools is getting more attention every day.

At the teachers' convention last week, this was one of the main topics discussed. Prof. A. L. Phillips of the K. S. T. C. said that the graduate of any school should know the essentials of public speaking. That is, he should be able to stand before an audience with confidence and say what he has to say with good accurate thinking ability and no show of nervousness. This instruction should begin in the elementary grades.

Many children possess this talent. Where are they going to find this out, if not at school.

There are several aims in this work that we wish to accomplish, namely

1. To aid the children in obtaining self-confidence before an audience.
2. In learning to dominate the voice correctly.
3. In acquiring free and easy movements.
4. And learning to think rapidly and accurately.

We feel that this is part of their education.

CITY LIBRARIAN URGES A WIDER READING OF THE CLASSICS

Miss Wheeler, city librarian is urging patrons of the city library to give some attention to the standard books of American literature. The library has just received a twenty volume set of selections from the Best English and American authors. These books include fiction, essays and speeches. In a statement yesterday she says, "Take one of these books with your light fiction; one can take too much fiction for mental health. Don't use all pre-digested mental food."

Mrs. Davis Holdson of Hershey shopped in the city Saturday.

Bert Hudson of Stapleton was a business visitor in the city Saturday.

State officers of the Nebraska Federation of Women's clubs together with the local officers were guests of the Rotary club at luncheon yesterday and will be the guests of the Kiwanis club today. At the luncheon yesterday all of the officers were introduced and short addresses were made by Mrs. Penny, president; Mrs. Lees, vice-president and Mrs. Perryman, treasurer.

WEATHER CONDITIONS

Saturday was an ideal day, turning somewhat cooler and windy Sunday. Monday was also pleasant. The forecast is: Fair to-night and Wednesday. Cooler to-night.

Mrs. Sarah Blovin of Stapleton shopped in the city yesterday.

Mrs. F. A. Wulverton of Dickens shopped in the city Saturday.

Dr. J. S. Twinem transacted professional business in Hershey Sunday. Pears! Pears! \$1.65 bu. McMichael Grocery.

There is such a shortage of cars that shipping of coal, hay, grain and other products in carload lots have almost stopped. A few days ago an order came releasing six cars a day on the Wyoming division of the Union Pacific for shipping hay. This many cars could be used each day for sending out the local hay crop. Coal shipments are said to be at a standstill and elevators are full of wheat while one of the local mills closed down one day last week because it could not get wheat. The situation is serious and business is being held back by the shortage.

In Making Your Choice of a Vacuum Cleaner

The best way is to select the particular machine that can do what no other single Vacuum Cleaner can accomplish.

At the same time make sure that the such a Cleaner is light enough in weight so that it can be carried up and down stairs easily.

The **Electric SWEEPER-VAC**
With Motor Driven Brush

is light and powerful. It can be used as a Vacuum cleaner alone by simply turning a little lever which stops the motor driven brush, or as a Vacuum-Sweeper, by using both Vacuum and Brush at the same time.

Have this machine demonstrated in your home.

\$5.50

\$5.50

You have been paying from \$10.50 to \$15.00 to get an inexperienced man to tack what is known as a "Ford Rubber" top on your car. This top re-cover could not be guaranteed and in most cases, you could put it on better yourself.

We are going to sell you a "Genuine Badger" Ford Top and Back Curtain for the above price. These re-covers are extra fine, long grain, motor cloth in leather grain print. If any of these tops go bad, we will give you a new one for it. All we ask you to do is to tack it on, which you can do in less than one half hour. We furnish you tacks and binding needed.

We would put these tops on for you but we haven't the room to work in. These tops are worth \$13.50 (honest value) put on. Here is your chance to get a good top and also save yourself \$8.00 at least.
