Remember This Number on Election Day

"No. 312"

On Election Day, November 7th, you will be handed a separate ballot containing four laws referred to you for your vote.

The most important one is the "RIGHT TO WORK" or "ANTI-PICKETING" LAW, appearing second on the ballot.

BALLOT TITLE—

"This act prohibits any interference with any unwilling laborer working or seeking work by threats, intimidation or persistent communications designed to influence such persons from continuing in, or seeking employment. It prohibits picketing, or loitering about a place of business, or residence, against the will of the proprietor for the purpose of interfering with the employment of any person therein, or with any lawful business."

For the Measure, YES.
Against the Measure, NO.

No. 312 YES
 No. 313 NO

VOTE "YES" AT No. 312

This law has nothing to do with the other three referred laws and should have separate consideration on its own merits regardless of your views on the other three laws.

WHAT OTHERS THINK ABOUT IT

Editorial from Nebraska Signal, (Geneva, Neb.):

"All the anti-picketing bill attempts to do is to make it unlawful for strikers to molest in any way the men who are willing to work."

"One thing is absolutely sure. No laboring man, no farmer, no retired farmer, no merchant can escape paying a share of the cost of every strike that takes place in this country. One of the worst evils connected with any strike is picketing. The Nebraska law against picketing should be sustained by the voters next November and put into effect."

Editorial from Beatrice Express, (Beatrice, Neb.):

"Whatever may be said of other laws enacted by the last legislature against which the referendum has been invoked, the Anti-Picketing Act should stand."

Editorial from Gering Mid-West, (Gering, Neb.):

"The union man who owns, edits and publishes this humble little newspaper can see nothing in that bill that is objectionable to any union man who prizes his good citizenship. This Anti-Picketing bill does not interfere in any way with union men who believe in education, in good citizenship, in equal rights and in fair play. It will, however, curb the irresponsible agitators within the ranks of unionism who thrive on disorder and feed fat on industrial disturbances."

Editorial from Norfolk Daily News, (Norfolk, Neb.):

"Every one deprecates disorder and terrorism in strikes. Most instances of disorder can be traced to picketing. This law will tend to prevent disorder."

Look for "No. 312" on ballot and put there, if you believe in this law.
