Chas. E. Allen

Republican primary nominee for the office of State Senator for the 30th Senatorial district, (Lincoln and Dawson Counties.) Thirty three years in Dawson county. I have never been a candidate for office.

I believe in the revision of the Code bill, the elimination of all waste and extravagance and the most rigid economy in the management of State affairs.

Under capable management I would favor the continuation of the good roads program in order that other sections of the state and this district might derive the good from this tax and good roads. I thank you for the nomination and will appreciate your vote November 7th.

At the SUN, Sunday, Monday & Tuesday.
