

NEW STORE OPENED ON THE NORTH SIDE

MERCANTILE ESTABLISHMENT
ERECTS BUILDING AND
BUYS STOCK

H. G. Lamb has completed his new building on North Locust street and will open for business in a few days. The new building is a one-story fire-proof structure on the west side of the street just north of the North Platte Mercantile Co. building. The building has a fine show front and is well furnished and appointed within. Mr. Lamb is stocking up with dry goods, shoes, clothing, notions, toys, groceries and produce. His goods are arriving every day and before long his lines will be complete and up-to-date. Mr. Lamb is a son of R. N. Lamb well-known as a merchant here for a number of years. He has been in business in Stapleton for about ten years but sold out there two years ago. In a conversation yesterday Mr. Lamb said, "I think North Platte has a big future. Of course there are quite a number of competing business houses but then there are a lot of people here and more are coming all the time. North Platte looks good to me." The enterprise of such men as Harry Lamb is just right. With the same qualities that won him success in his former location and the liberal use of advertising Mr. Lamb is sure to make a success of his business here. The store is now open for business and selling from the stock on hand is going on all the time.

STUDENTS IN OTHER SCHOOLS
THAN THE UNIVERSITY
OF NEBRASKA

A week ago the Tribune printed a list of the North Platte boys and girls who are attending the University of Nebraska. We asked for corrections and additions. None have been received. Herewith we are presenting a list of North Platte boys and girls who are attending other institutions of higher education. We again ask for corrections and additions. The list contains twenty-seven names which is exactly the number in the University of Nebraska list. It is a list to be proud of and one which the Tribune is proud to publish. Here is the list:

ROBBERY AT CHURCH WHILE MORNING SERVICE IS IN PROGRESS

The anteroom occupied by the choir of the Methodist church was entered during the morning service yesterday by two men and an overcoat and purse were taken. Last Friday night while the members of the choir were practicing, someone entered the choir room and took a pocketbook belonging to Mrs. Chas. McNamara. On Sunday morning while the sermon was being given, the outside door was opened and two men were seen to enter the room. When they left they slammed the door. This started an investigation which showed that a purse belonging to Miss Roxie Erb and a new overcoat worn for the first time by W. C. Oliphant were missing. Officers were notified at once and plans made to keep the outside door locked.

OMAHA PREACHER ENTERTAINS AND THRILLS LOCAL CLUB MEMBERS

Dr. Frank Smith, pastor of the Congregational church of Omaha was the guest of honor and spoke to the members and friends at a joint meeting of the Rotary and Kiwanis clubs last evening at the Presbyterian church. The dinner was served by the ladies of the church and was warmly commended for the orderliness and ease with which the two hundred or more were served. S. Graham Fraser lead in the singing and the Kiwanis orchestra gave a selection. Rev. Patterson introduced Dr. Smith who spoke on the new civilization and what it means. His was a plea for a larger measure of spirituality and morality and less of the commonplace in our ideals and practices. He introduced his subject with a number of stories each seeming to be more humorous than the last until his audience was almost beyond control with merriment. Then in his dramatic way he turned the idea into serious channels and as easily brought tears as he had laughter. Following his address, he was requested to lead the clubs in singing "Sweet Adeline" and this he did with unusual success.

PARENT TEACHER ASSOCIATION WILL MEET WEDNESDAY EVENING

The Parent-Teachers Association of the Washington school will meet Wednesday evening, Nov. 15 at 8 p. m. An interesting program has been prepared and the following will take part: J. C. Hollman will preside at the meeting, and community singing will be led by W. H. Manger. Talks will be given by Chas. Townsend, J. B. Edwards, M. E. Scott and Supt. Bradant and a solo by Royer Hastings. Refreshments will be served.

R. L. Cochran attended the laying of the corner stone of the New state capitol at Lincoln on Armistice day. He was a representative of the local post of the American Legion. Each post of the American Legion as far as possible sent one or more representatives to Lincoln for the occasion.

Raymond Newman, who will be remembered as a student in the North Platte high school about twelve years ago and who was one of the football fellows who made North Platte famous in those days, was elected Sheriff of McPherson county at the election last Tuesday. Good luck, Ray!

Two more contracts for paving were recently let by the city council. They are for the district comprising second street and the west end of sixth street. There are five more blocks on west sixth street to be covered with asphalt and the paving work undertaken this year will be completed. The concrete base for these five blocks has been laid and is protected by a thick layer of straw while it is setting. The asphalt can be put on the surface during cold weather so it is probable that the street will be finished and opened as soon as the base is hard enough.

The new steam plant for the new court house is completed and in running order. It has been connected with the old court house and with the jail building. The hard coal stoves which have been in use there

FOOT BALL DOPE ON LOCAL SITUATION

HIGH SCHOOL BOYS TO MEET
SOME BIG TEAMS BEFORE
SEASON IS ENDED

The high school team went to Columbus Friday and played a 25 to 0 game the long end of the score going to Columbus. The locals played a slow game on the start but got in on the second half and showed the old time pep. Columbus has a mature well-trained team which has not been defeated so far this season. In fact it is one of the three teams which are contenders for the state championship. Kearney and Omaha Central are the two others. Each of the major teams will play three more games this season so there is a chance of any of the three being defeated. In case two of them end the season with a clean slate, a post season game is talked of. Next Friday the Fremont bunch will be here and while both teams have been beaten during the season, both are strong teams and a good game is expected. Indoor practice was held last night with all members of the team on hand. If the weather permits, regular field practice will be resumed today and the rest of the week.

for so many years have been taken out and the steam radiators substituted. The whole system in the old building is a part of the equipment for the new court house and in the spring will be taken down and put in the new structure. The saving in coal during the present winter will much more than pay for the work of putting the steam in and hard coal was impossible to get. Steam heat will also be used in the new building during the progress of work this winter as soon as the windows and doors are in place.

We Like to Meet Those Who Are "Merely Looking"

WE appreciate the courtesy of your call whether you are in the market for a new car, or are merely interested in cars and have no immediate intention of investing.

It's our business, as we look at it, to know all about automobiles and to impart that knowledge to whomsoever seek to learn.

Consider this as the local automobile headquarters and come in at any time for a friendly chat. You won't be annoyed by solicitations to purchase. You can add to your store of information by such a call. We are amply recompensed if we can add to our circle of acquaintance.
