MOTHERS BANQUET AND ENTERTAIN LOCAL FOOTBALL TEAM

The mothers of the team men of the high school football squad entertained the boys and their coaches at a banquet last night in the basement of the Episcopal church. The letter men and the reserves were present and made a jolly bunch as they cheered the mothers and sang some of their dressing room songs. Supt. Braham was toastmaster and introduced the speakers as follows: "Pep" Donald Russell, "Signals" Floyd Morris, "Forward Passes" Denver Wilson, "Touch Back" George Dent, "Substitutes" Beeler Scott, "Ninety Yards" Dale Stroup, "Safety" William Snyder, "All American" Vic Halligan, "Noisy" Faye Yearsley, "Memories" Darrell Healey, "Touchdown" George Shaner, "Scores" Keith Neville. One of the features of the evening was a guessing contest. A giant cake was crowned with a miniature football which contained a number of pieces of candy. The boys were asked to guess the number. The guesses ran all the way from six to five hundred fifty. The number was five hundred twenty and the candy went to Faye Yearsley who also claimed the cake. Much credit for the banquet is due to W. R. Roettger, athletic director of the high school who was the pushing influence which sent it across so big.

OBSERVE AMERICAN EDUCATION WEEK

MANY CIVIC, PATRIOTIC AND EDUCATIONAL ORGANIZATIONS UNITE

The following statement from John J. Tigert, United States Commissioner of Education, explains a national movement which is of importance to local people in every community in Lincoln county.

Two years ago Dr. P. P. Claxton, former Commissioner of Education, instituted the observance of the first week in December as "Education Week". The American Legion last year became interested in the perpetuation of such a week and took the initiative in inviting the National Educational Association and other organizations to co-operate in the observance of "American Education Week". This year the United States Bureau of Education is co-operating with the American Legion and the National Educational Association in inviting every American organization, club, church, school, newspaper, magazine, theatre and individual and bodies of every description to participate in making the week, December 3-9, a real nation-wide revival of educational enthusiasm.

The Americanism Commission of the American Legion called upon the Commissioner of Education to invite President Harding to issue a Proclamation for the observance of this week. The President has given assurance of his desire and willingness to do this.

The Bureau of Education has arranged with the Interdepartmental Advisory Committee on Government Radio Broadcasting to use the Government's broadcasting stations twice a day throughout the week for the promulgation of educational radio material in connection with the week's campaign.

The Commissioner of Education called upon Will H. Hays, president of the Motion Picture Producers and Distributors of America, to discover to what extent the motion picture houses of America would cooperate. Mr. Hays was very generous and enthusiastic and has definitely arranged for the working out of a program in which the facilities of the moving picture houses may be used effectively during American Education Week.

All governors, mayors and others in places of executive authority are expected and invited to issue proclamations and otherwise promote general observance of this great move-

CHRISTMAS BASKET TO BE DISTRIBUTED BY WOMAN'S CLUB

The North Platte Woman's club will again make up and distribute Christmas baskets to the deserving poor families of the city. Mrs. Ollie Salisbury is chairman of Welfare Work and at the meeting of the club next Tuesday afternoon she will announce the committees and the plans for the distribution. It is announced that Mrs. Dorsey Leypoldt will have charge of soliciting the things to be put in the baskets while Mrs. Fred Rector will make up the list of families. Anyone knowing of any such families will do well to let Mrs. Rector know the names.

THE FIRST BASKET BALL GAME OF SEASON TO BE PLAYED SATURDAY

The first basket ball game of the season will be played tomorrow evening in the auditorium when the local basket tossers meet the fast Sutherland team. North Platte has a good team this year, with several of her old men back. A captain will not be chosen until after the first of the year. The team is coached by Mr. Roettger, who promises one of the best teams sent out by the local high school.

H. O. Hoppert, pruning expert with the University Extension department spent two days in Lincoln county giving demonstrations of pruning, grafting and caring for fruit and shade trees. The largest attendance was at the D. E. McDonald farm where the agriculture class from the Maxwell high school took in the demonstration. For type people attended there. There were twenty-five at the Albert Johnson farm Tuesday afternoon and ten each at the demonstrations on the Middleton and Piper places. Counting the cold weather this was highly satisfactory to the department officials.

Framed Mottos, Rincker Drug Co. ment in behalf of education. The newspapers and press generally have been invited to issue special educational editions if possible, and if this is not possible, to emphasize education during these days by editorials, special articles, and in such other ways as they find possible.

At the present writing a very large number of State Superintendents and State Commissioners of Education have responded enthusiastically in endorsing the observance of American Education Week and none have expressed opposition or indifference. The unity of effort and interest which has already been displayed is but an earnest and evidence that this bids fair to be the greatest campaign for education that has ever been made in the United States.

DISTRICT BOY SCOUT COUNCIL ORGANIZED

FOUR COUNTIES TO COMPRISE THE DISTRICT FOR SCOUT ADMINISTRATION

At a meeting of the local council of Boy Scouts held Wednesday noon it was decided to accept the responsibility of organizing a district council to comprise four counties in this part of the state. The counties are Lincoln, Dawson, Keith and Perkins. This plan is in accord with the recommendations of the National Council upon the recommendation of the district supervisor. It is planned to start the new organization with the new year. Scout Executive Stephens has made a preliminary survey of the conditions and made one short trip into Keith county. He was received with enthusiasm at Ogalalla, Paxton, Keystone and other points and has had encouraging reports from places in both Dawson and Perkins county. At the meeting Wednesday the report of the nominating committee was read and accepted and the following members of the District council were elected: E. E. Carr, Dr. J. S. Twinn, O. L. Johnson, J. C. Hollman, W. J. Braham, Ira L. Bare, Dr. Claude Selby, F. F. Overman, J. A. Peters, N. E. Buckley, R. D. Birge, W. J. O'Connor, John B. Edwards, W. R. Maloney, Wilson Tont, J. E. Sebastian, Rev. N. P. Patterson, Rev. Paul Shenk, Rev. H. E. Heas, Rev. P. McDadd, Chas. F. Temple, W. J. Hendy. Each troop organized in the district is to be represented on the council by the chairman of the troop committee and one of the local ministers of that place. The expense is to be apportioned so that each community represented by scouting will bear its just proportion of the expense.
