

# MUST SELL!

**O**UR bills must be paid, creditors will not wait any longer. Now is your chance. Never before at Xmas time has merchandise been offered at prices like these. We are right in the midst of the Xmas rush and my creditors say sell, so sell I must. We will have to take below pre-war prices and must get the money. I am no stranger here having lived here 36 years and anybody can vouch for the merchandise that I sell.

I am not putting this over because I want to but because others say I must.

**JUST A WORD TO THE WISE AND CAUTIOUS**

Our store will be the busiest place you ever saw. Goods will sell readily at these prices. The price will sell the merchandise and it behooves you to come early.

We will have plenty of obliging clerks that will assist you in making selections.

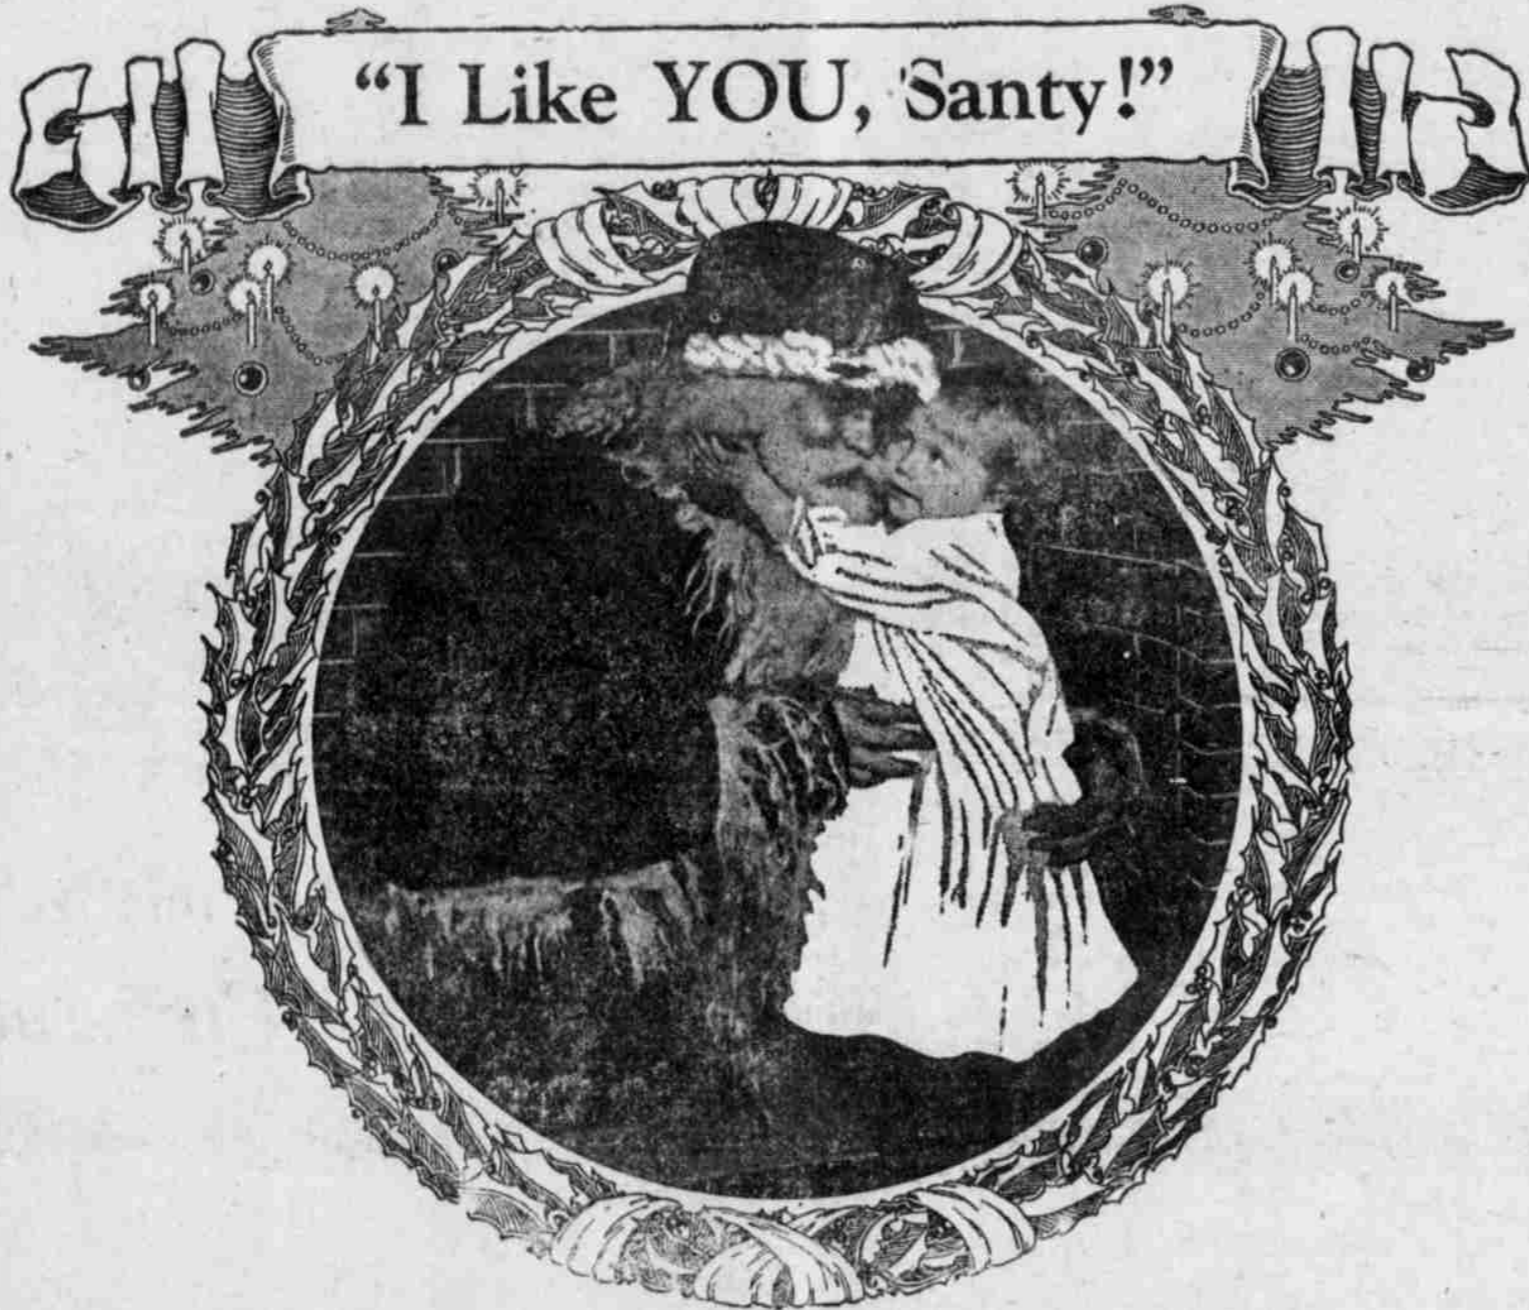

Have new up-to-date goods and are all set to give you the surprise of your life.

You probably will never have another chance to buy Xmas goods at these prices.

Every article guaranteed.
