A NEW ART EDITOR.

William Martin Johnson, who illustrated the "Garfield" edition of "Ben Hur" for the Harpers, and also then editions of "The Cloister and the Hearth" and "Hypathia," becomes the art editor of The Ladies Home Journal on June 1st, leaving New York to reside permanently in Philadelphia. Mr. Barton Cheyney, a clever news paper man who has been attached to the press of Delaware and Pennsylvania, is also added to the Journal's editorial staff as one of Mr. Bok's principal associates.

The executive committee of the state republican league met at Lincoln last Friday, to elect delegates to the national republican league convention, which meets at Cleveland, Ohio, June 19th. Rosewater had his henchmen there, who tried to run in Rosey as a delegate in the interest of "harmony." But he was emphatically set down upon, as the committee refused to send him as a delegate. What made it worse on Rosey was that Tom Majors was elected delegate from the First district without a dissenting voice. J. Hall Hitchcock, of Tecumseh, was elected as one of the delegates at large.

The Nemaha County Prohibition Convention will be held at the court house at Auburn, June 13, 1895, to elect five delegates to the State Convention to be held at Lincoln, July 3rd and 4th, and to transact any other business that may come before it. Afternoon session at 3 p. m. Paper read by Rev. Geo. M. Gates, of Peru, "How should a Christian vote on all Reform Questions." Paper by G. W. Borden "The Prohibition Press, its value." General discussion to follow reading of papers. Evening session at 8 p. m. Address by C. E. Bently, of Lincoln, chairman of state committee. All are cordially invited.
R. V. Murr, Dist. Chairman.

La Grippe is here again with all its old time vigor. One Minute Cough Cure is a reliable remedy. It cures and cures quickly. M. H. Taylor.

LARGEST NEB. CIRCULATION.

It isn't much wonder that the State Journal now has the largest circulation in Nebraska. It has reduced its price to 65 cents a month with Sunday, or 50 cents without Sunday; it has been spending more money for Nebraska news than any other paper; it has on its staff such men as Bixby, Walt Mason and Annin. The Journal is being pushed at every point and is climbing steadily and surely away ahead of the other state dailies. People like a Lincoln paper, especially when it is as good as the Journal.

J. A. Richardson, of Jefferson City Mo., Chief Enrolling force 38th general assembly of Missouri, writes: I wish to testify to the merits of One Minute Cough Cure. When other so called cures failed, I obtained almost instant relief and a speedy cure by the use of One Minute Cough Cure. Taylor.

B. H. Bowman, Pub. Enquirer, of Bremen, Ind., writes: Last week our little girl baby the only one we have was taken sick with croup. After two doctors failed to give relief and life was hanging on a mere thread we tried One Minute Cough Cure and its life was saved. M. H. Taylor.

W. T. Sanford, Station agent of Leeper, Clarion Co., Pa., writes: I can recommend One Minute Cough Cure as the best I ever used. It gave instant relief and a quick cure. M. H. Taylor.
