Prof. John C. Shell, of Brownville populist candidate for representative, gave us a pleasant call Wednesday. He had his wife with him, so did not dare talk politics too much. He was making arrangements for moving to Nemaha, prior to taking charge of the school here, which begins next Monday.

## REPUBLICAN CLUB MEETING.

The Nemaha McKinley club will meet next Monday night at 7:30 in the west room of the opera house building—the lower room. All republicans are invited.

A jolly crowd drove into Howe Wednesday morning to take the train for Omaha to attend the state fair. It consisted of Mr. and Mrs. Henry Seid, Mrs. Kempthorne, Miss Lambert, Miss Webber, John and Henry Webber and Will Russell.

Mrs. Gilmore and Mrs. Will, who have been visiting their son and daughter, Rev. and Mrs. C. H. Gilmore, returned to their home at Cherokee, Ia., Tuesday. Little Rhea Gilmore went with them, and will probably remain with her Grandma Gilmore for a year.

Mrs. R. J. Duff received the sad news Monday evening of the death of her sister, Mrs. S. E. Coffman, living at Horton, Kansas. Mrs. Duff went to Horton Tuesday night, to attend the funeral, returning home Thursday night. Mrs. Coffman died from consumption. She was sitting in her chair fanning herself and singing, when she fell over dead. She was a member of the Baptist church.

Spurzey Clark, who has been visiting Nemaha friends for two or three weeks, started for his home in Pennsylvania Wednesday. His niece, Miss Veve Clark, returned with him, and will probably remain a year, if she doesn't get too homesick. Miss Veve is one of our best and most popular young ladies, and she will be greatly missed. We wish her all happiness while she remains in her new home.

Mr. and Mrs. James A. Titus returned from Jewell county, Kansas, Monday evening. They drove through, and Mr. Titus says he never before realized so forcibly that this was a great corn country. He passed through mile after mile of corn fields, and says he believes the corn will average forty bushels per acre all the way along, as far west as he went. He says his brother, John F. Titus, will have fifty bushels per acre.

G. N. Titus writes us from Omaha that "Nemaha county received first premium on best county display of fruit, first on best display of grapes, first on best display of pears, nine first premiums on grapes, single plates, three second premiums on grapes, single plates, two first on apples, single plates, two second on apples. Only six entries received no premium. The railroad company failed to deliver all of our best fruit on time, which was not entered. ## EXPERIENCE SUPPER.

Some time ago a number of members of the ladies' aid society of the M. E. church agreed to give \$1.00 each to the pastor's salary. Saturday night of next week a supper will be given, at which time these ladies will tell how they earned the money. A good supper will be served, which will be ready at 5 o'clock. Price of supper, 15c; children under 10 years, 10c. The beautiful white quilt recently completed by the ladies will be on exhibition. Everybody is invited.

The ceremony of unveiling the monument at the grave of Charles A. Titus will take place next Sunday at the Nemaha cemetery. The Woodman of the World camps at Nemaha, Auburn, Howe, Stella, Shubert, Verdon, Salem and Barada, and members from other camps will assist in the ceremony.

We now wish to correct a mistake we made some time ago in referring to this ceremony. There will be no picnic. Our informant was mistaken in this respect.

Merritt Elliott, while working at a hay rake, had a little sliver of iron almost as large as a grain of wheat fly off and strike him in the left eye, imbedding itself in the ball of the eye just below the pupil. Merritt was taken to Stella and Dr. Andrews attempted to extract the piece of iron, but it was imbedded too deep. He said it would have to remain for five or six days before it could be taken out. Merritt is suffering little pain. It is feared he will lose the sight of that eye.

Last Saturday night a freight car was broken into at Brownville and a case of eggs stolen. It took but a short investigation to discover the culprits, and Ned Mason, aged 19, Carpenter, aged 20, Sparks, aged 19, Waiter Green (colored), aged 19, and a younger boy whose name we did not learn, were arrested and taken to Auburn. They confessed their guilt, and on Tuesday were taken before Judge Stull, who sentenced the first four to one year in the penitentiary and the younger boy he sent to the reform school.

**FOR SALE**—A good top buggy. Inquire of Mrs. R. Wheeler or at this office.

Call at THE ADVERTISER office for republican literature. We have numerous kinds of pamphlets for free distribution. Call in and get some.

W. W. Sanders, Notary Public. Penions papers of all kinds made out accurately. Legal documents drawn up. All business given prompt and careful attention.

The old settlers' picnic last Saturday was a success, even though it looked stormy and kept thundering all the forenoon, which undoubtedly kept many away. The exercises were held in the afternoon. After music by the Brownville and Stella bands, prayer by Rev. C. H. Gilmore, and a brief introductory talk by Seymour Howe, president of the day, Hon. T. J. Majors, Hon. Church Howe and Hon. M. C. Shurtleff made good addresses.

The officers of the association for the ensuing year were then elected, as follows:

James F. Drain, president.  
W. W. Sanders, secretary.  
Executive committee—Robert Frost, I. N. Cooper, B. T. Skeen, and the president and secretary.

It is estimated that from 2500 to 3000 people were present.

The committee had arranged for a plentiful supply of water, but owing to a misunderstanding water was not furnished.

While both bands furnished good music, that of the Stella band was especially good.

Henry Hall, a son of Thomas Hall, of Auburn, met with an accident while in Nemaha last Saturday that will probably cripple him for life, if it does not result fatally. He was bathing in the Missouri river with a number of other young fellows, and was sitting on a trapeze that has been fitted up to a spring board extending over the water. Henry slipped and fell, striking on his head and shoulders in the water, which was quite shallow here. He was rendered unconscious by the shock and had to be taken from the water by the other boys. He was brought to the hotel and Dr. Keeling summoned, who found that the lower half of the body was paralyzed, evidently from injuries to the base of the brain or spinal cord. He remained at the hotel until Wednesday, when he was taken to Auburn. His condition is very serious, and if he does not die he will probably remain a cripple for life. Henry is about seventeen years of age.
