in Nemaha. House is in good repair.
A good barn on property. Apply at
this office.

of the store room, 16x20 feet. Jim
Burns is doing the carpenter work.

Lewis Thompson is having a new
house built on his farm northeast of

citement of city life. D. C. Miller is
doing the carpenter work on the house.

Walter Hadlock is so well pleased
with Nemaha since he moved to town
that he has invested in more property.
N. B. Scrivener has sold him the west
half of block 43, on the bluff east of
the Methodist church. Walt intends
to fence it in for a hog lot.

Attention is called to the advertise-
ment of J. H. Seid, breeder of fine
Poland China and Duroc Jersey hogs.
Mr. Seid's hogs are from the finest
stock, and those who want good stock
can buy of him with perfect confi-
dence. His prices are very reasonable.

In accordance with the custom of
THE ADVERTISER for the past twelve
years, we have printed cards containing
the election returns of Nemaha county
at the recent election, and our subscri-
bers can get one by calling at this of-
fice. We borrowed the Granger ab-
stract for this purpose and for the sup-
plement.

Ripans Tabules cure constipation.

Removal of the Advertiser

THE ADVERTISER office has been
moved into the building recently pur-
chased from S. H. Avey, just north of
the hardware store. Call in and see us
in our new location, pay a year's sub-
scription in advance, and thus assist us
in paying for the building.

Mr. Kinney, the photographer, has
decided to locate permanently in Ne-
maha. He has leased the building vac-
ated this week by THE ADVERTISER,
and will have it replastered and pa-
pered, a skylight put in, and otherwise
fitted up in good shape for a photo-
graph gallery.

For several weeks we published C.
Shuck's advertisement of Berkshire
hogs, and in it said that Mr. Shuck's
hogs took several premiums at the fair
at Verdon, while the premiums were
received at the Salem fair. If you like
the Berkshire hogs you cannot do better
than to patronize Mr. Shuck.

John C. Shull has moved to Auburn,
and is engaged in figuring to see how
much he will lose financially in being
elected to the legislature. He will get
\$5 per day for sixty days for his ser-
vices in the legislature, \$300 in all, but
will lose eight months' salary as prin-
cipal of the Nemaha school—\$400—and
besides this will be out the amount of
his expenses during the campaign and
the additional expense he will be to
at Lincoln during the session.

Several days ago Dede Burgess and
Littrell traded horses. Ed is a minor
but it is claimed had his father's per-
mission to make the trade. After the
trade was made, however, Mr. and Mrs.
Littrell claimed Ed had no right to
make the trade and took the horse Ed
got back to Burgess. Dede refused to
take the horse back and it was turned
loose. Friday morning Mrs. Littrell,
who now claims the horse Ed traded,
went to George Burgess' stable, where
the horse was being kept, and took it
away. Dede threatens to get the State
of Nebraska to assist him in getting
possession of the horse.

By reference to an article clipped
from the State Journal, headed "The
Fight in Nebraska," it will be seen that
Thos. J. Majors received a larger per-
cent of the total vote cast two years
ago than has been received by any re-
publican candidate at the head of the
ticket for the past six years, and this,
too, when that year the state was suf-
fering from crop failures and conse-
quent hard times, and the voters were
therefore more inclined to turn to
popism. Col. Majors made a splendid
under the circumstances, and under
ordinary circumstances would have
been elected by a big majority.

Thursday of this week Doc Clark's
residence, in the north part of Brown-
ville precinct, caught fire from a defec-
tive flue and burned to the ground.
The fire had such a start when discov-
ered that very little was saved out of
the house—only one bed, what clothing
they were wearing, and perhaps a few
other little things. Mr. and Mrs. Clark
are stopping with Rev. E. S. Chamber-
lain since the fire.

We understand Mr. and Mrs. Clark
were away from the house for some
time, and when Doc returned he found
the house in flames. Fortunately he
had taken out an insurance policy on
the house and contents only about
three weeks ago. He will rebuild at
once.

WOOD AND CORN.

We wish all our delinquent subscri-
bers who can furnish us wood or corn
would bring the same in at once, as we
need it. Either old or new corn will
be taken.

Take the wagonette when in Auburn
for any part of the city. Easy riding.
Quick time. All trains met. John
McElhaney, proprietor.

Ripans Tabules cure nausea.

Dr. J. L. Melvin.

Office at residence, south of Minick
store building.

As Prof. John C. Shull had been ab-
sent from our school for a month pre-
vious to election, and would have to
resign the first of January to take the
seat in the legislature to which he was
elected, the school board decided it was
for the best interests of the school to
make the change in the principal now
instead of waiting until January 1st,
and so have engaged as principal for
the remainder of the Prof. Wm. M.
Crichton, who has had charge of the
school while Prof. Shull was engaged
in the campaign. Prof. Crichton was
principal of the Nemaha school seven
years ago. He is a good teacher and
will keep the school up to its present
high standard.

The Nemaha McKinley and Hobart
club held a ratification meeting Mon-
day night. The meeting opened with
prayer by Rev. J. W. Taylor, followed
by singing "Marching Through Geor-
gia," led by Walter Hadlock, assisted
by Robert Frost. Then came speeches
by Stephen Gilbert, Walter Hadlock,
Robert Frost, James F. Drain, and
others, and the glee club gave a num-
ber of songs that elicited hearty ap-
plause. During the evening there was
frequent firing of anvils, shot guns, fire
crackers, etc., and lots of hurrahing.

This club has done effective work
during the recent campaign. The
membership numbered about 185. The
club held meetings every Monday night
after its organization, over two months
ago, and expended about \$27 for hall
rent, banner, badges, etc. Nemaha
precinct gave her usual republican
majority this year, a result largely due
to the work of the club. The republi-
can glee club was in great demand, and
assisted in the meetings at Brownville,
Auburn, Shubert, Hillsdale and Lon-
don.

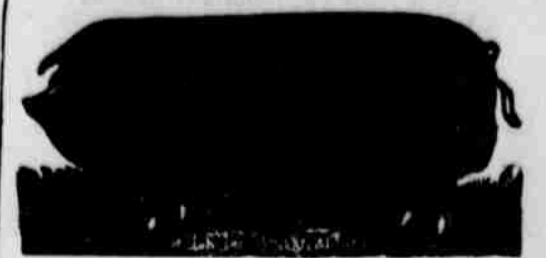

C. Shuck, proprietor of the Nemaha
Valley Berkshire farm, won the fol-
lowing premiums on his hogs at the
Auburn and Salem fairs:

At Auburn he got first premium on
boar, sweepstakes over everything on
boar, and sweepstakes over everything
on sow and pigs.

At Salem Mr. Shuck got first pre-
mium on boar, sweepstakes over every-
thing on sow and pigs, first premium
on yearling sow, second premium on
sow, first premium on boar, first pre-
mium on pig seven months old, second
premium on pig five months old, and
second premium on boar pig.

As Mr. Shuck had but few hogs on
exhibition the showing is a remarkably
good one.

Since 1878 there have been nine epi-
demics of dysentery in different parts
of the country in which Chamberlain's
Colic, Cholera and Diarrhoea Remedy
was used with perfect success. Dye-
ntery, when epidemic, is almost as se-
vere and dangerous as Asiatic cholera.
Heretofore the best efforts of the most
skilled physicians have failed to check
its ravages, this remedy, however, has
cured the most malignant cases, both
of children and adults, and under the
most trying conditions, which proves
it to be the best medicine in the world
for bowel complaints. For sale by
Taylor the druggist.
