A series of surprises was inaugura-
ted in the Webber neighborhood Tues-
day First, John Webber and Miss
Abbie Druery surprised their friends,
or tried to surprise them, by slipping
off to Auburn and getting married, the
county judge performing the ceremony.
Mrs. Webber had arranged a surprise
for John and his bride, and when they
got home they found twenty or twenty-
five of their friends present, and all
were invited to partake of a magnifi-
cent supper that had been prepared by
Mrs. Webber. The boys arranged to
"chivaree" the young couple, but Will
Russell changed teams with John and
drove over to the house where John
had been staying, and where the boys
expected him to stop, while the latter
went to Mrs. Druery's and stayed that
night. The boys raised a big racket at
the place where Will Russell was stop-
ping. Will "enjoyed" the music for
quite awhile and then asked the boys
what they wanted, and informed them
that John and his bride were not there,
and the boys were surprised.

Mr. and Mrs. Webber have the best
wishes of THE ADVERTISER for happi-
ness and success in married life.

Miss Harris, "the milliner," South
Auburn.
