MONEY MAKE IT YOURSELF: I have never seen anything in the papers about the People's Wind mill, we call it the People's because the inventor never patented it, but let everybody use it free. Any farmer can make a mill himself and all the material complete will not cost over \$10. It is a splendid mill, will pump the deepest wells, and will last longer than any mill I ever had. Any person can get diagrams and complete directions free, as I did by sending 18 two cent stamps to pay postage, etc; to Francis Casey, St. Louis, Mo.; he sells pumps also and when you get your wind mill going would be glad to sell you pump if you need it. It is certainly useless to pay \$50 or \$60 for a wind mill when you can make one just as good for \$10. I think there could be big money made putting these mills through the country as everybody would like them. A READER.

STANDS AT THE HEAD. Aug J. Bogel, the leading druggist of Shreveport, La., says: "Dr. King's New Discovery is the only thing that cures my cough, and it is the best seller I have." J. F. Campbell, merchant of Safford, Ariz., writes: "Dr. King's New Discovery is all that is claimed for it; it never fails, and is a sure cure for consumption, coughs and colds. I cannot say enough for its merits." Dr. King's New Discovery for consumption, coughs and colds is not an experiment. It has been tried for a quarter of a century and today stands at the head. It never disappoints. Free trial bottle at Taylor's drug store.

I have given Chamberlain's Cough Remedy a fair test and consider it one of the very best remedies for croup I have ever found. One dose has always been sufficient, although I use it freely. Any cold my children contract yields very readily to this medicine. I can conscientiously recommend it for croup and colds in children.—GEO. E. WOLFE, clerk of the circuit court, Fernandina, Fla. Sold by Taylor.

MAKE YOUR OWN LANTERN. Your home is incomplete without it and the price is within reach of all. I ordered one for my own use—and it was so handy and convenient I went to taking orders for them and sold 51 in one day, making over \$5 clear. It gives a beautiful white light, chimneys never break from heat, it is always clean and ready. Francis Casey, St. Louis, Mo., will send you sample for 13 two cent stamps; write for one. I got my start from him. GEORGE B.

A Churn that Churns in One Minute. I have been in the dairy business all my life and have many times churned for an hour before butter would appear so when I heard of a churn that would churn in a minute, I concluded to try it. Every day for a week I used it, and not only could I churn in a minute but I got more butter than with the common churn. This is very important information to butter makers. The churn works easily and will churn an ordinary churning in less than sixty seconds. I have sold two dozen of these churns in the past month. Every butter maker that has seen me churn in less than a minute bought one. You can obtain all desired information regarding the churn by addressing J. F. Casey & Co: St. Louis, Mo; and they will give you prompt and courteous attention. A Dairyman.

A SOUND LIVER MAKES A WELL MAN. Are you bilious, constipated or troubled with jaundice, sick headache, bad taste in mouth, foul breath, coated tongue, dyspepsia, indigestion, hot dry skin, pain in back and between shoulders, chills and fever, etc. If you have any of these symptoms your liver is out of order and your blood is slowly being poisoned because your liver does not act promptly. Herberne will cure any disorder of the liver, stomach or bowels. It has no equal as a liver medicine. Price 75 cents. Free trial bottles at Taylor's drug store. 5 22 1/2

The New Hook Spoon Free to All. I read in the Christian Standard that Miss A. M. Fritz, Station A, St. Louis, Mo., would give an elegant plated hook spoon to anyone sending her ten 2 cent stamps. I sent for one and found it so useful that I showed it to my friends, and made \$13.00 in two hours, taking orders for the spoon. The hook spoon is a household necessity. It cannot slip into the or cooking vessel, being held in the place by a hook on the back. The spoon is something that housekeepers have needed ever since spoons were first invented. Anyone can get a sample spoon by sending ten 2 cent stamps to Miss Fritz. This is a splendid way to make money around home. Very truly, JEANNETTE S.

BALLARD HOREHOUND SYRUP. We guarantee this to be the best cough syrup manufactured in the whole world. This is saying a great deal, but it's true. For consumption, coughs, colds, sore throat, sore chest, pneumonia, bronchitis, asthma, croup, whooping cough and all diseases of the throat and lungs, we positively guarantee Ballard's Horehound Syrup to be without an equal on the whole face of the globe. In support of this statement we refer to every individual who has ever used it, and to every druggist who has ever sold it. Such evidence is indisputable. Price 25 and 50 cents. Sold by Taylor the druggist.

How the Dipper Saved the Farm. Father was sick and the mortgage on the farm was coming due. I saw in Christian Advocate where Miss A. M. Fritz of Station A, St. Louis, Mo., would send a sample combination dipper for 18 two cent stamps, and I ordered one. I saw the dipper could be used as a fruit jar filler; a plain dipper; a fine strainer; a funnel; a strainer funnel; a sick room warming pan and a pint measure. These eight different uses makes the dipper such a necessary article that I went to work with it and it sells at very near every house. And in four months I paid off the mortgage. I think I can clear as much as \$200 a month. If you need work you can do well by giving this a trial. Miss A M Fritz, Station A, St. Louis, Mo., will send you a sample for 18 two cent stamps—write at once. JOHN G N.

BALLARD'S SNOW LINIMENT. Mrs. Hamilton, Cambridge, Ill., says, "I had the rheumatism so bad I could not raise my hands to my head. Ballard's Snow Liniment has entirely cured me. I take pleasure in informing my neighbors and friends what it has done for me." Chas. Handley, clerk for Lay & Lyman, Kewanee, Ill., advises us that Snow Liniment cured him of rheumatism. Why not try it? It will surely do you good. It cures all inflammation, wounds, sores, cuts, sprains, etc. Price 50 cents. Sold by Taylor the druggist.

ANOTHER SMART WOMAN. My husband is poor but proud and he does not want me to work; as I have nothing to do I get restless, and after reading in your paper Mrs. Russell's experience selling self heating flatirons I concluded I would try it. I wrote to J. F. Casey & Co, St. Louis Mo, and they treated me so nicely that I felt very much encouraged. As soon as I got my sample iron I started out and sold 8 irons the first day, clearing \$12. I have not sold less than eight any day since, and one day I sold 17. I now have \$225 clear money, and my husband does not know I have been working, but I am afraid he will be mad when I tell him. Have I done right or should I quit work and leave him to struggle alone?

AN ANXIOUS WIFE. You are doing just right. Your husband should be proud of you. Go right ahead and show the world what an energetic woman can do. That self heating iron must be a wonderful seller as we hear of so many that are succeeding selling it. adv

BUCKLEN'S ARNICA SALVE. The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chilblains, corns and all skin eruptions, and positively cures piles, or no pay required. It is guaranteed to give perfect satisfaction or money refunded. Price 25 cents per box. For sale by Taylor.

MARRY THIS GIRL QUICK. I saw in your paper that a 13-year-old boy made \$1.25 the first hour he worked selling the Perfection Metal Tip lampwick. I ordered a sample and went to work and the first week I cleared \$10, the second week I cleared \$15. I expect to run up to \$25 a week in the near future, as the Perfection Metal Tip lampwick makes such a beautiful white light and does away with smoky chimneys and bad odor and saves oil, it is easy to sell. If you wish to try it send 13 two cent stamps to Miss A. M. Fritz, Station A, St. Louis, Mo., and she will send you sample outfit. This is a good way to make money around home. Miss TINA W.
