Local News.

Changeable weather.

Miss Lydia Barnes came down from Peru last Saturday.

R. D. Waterman is again a resident of Nemaha, having moved back a few days ago.

Mrs. and Mrs. Geo. W. Burgess are the happy parents of a fine baby girl born last Monday.

Wm. Talley, who has been living on the farm east of Fred Hoover's farm, has moved to Nemaha.

Will Hawxby, who has been attending business college at Shenandoah, Iowa, returned home Wednesday.

Marion Minick has been quite sick for several weeks with a combination of diseases, principally of the throat.

The "inaugural party" at Nemaha that was to have been given Thursday night was postponed on account of the weather.

John Kinney, who has been in South Dakota for the past six weeks, arrived in Nemaha a few days ago, and has been visiting friends this week.

The trial of J. W. Argabright is now going on in the district court at Auburn, with Judge Lutton presiding. A jury was secured Thursday noon.

There will be no preaching at the M. E. church next Sunday night, but the Epworth League will hold a literary and devotional service. Everybody is invited.

W. W. James, who moved to Peru two or three years ago to give his children the advantage of the Normal school, is moving back to his farm this side of Shubert.

Mrs. J. P. Hoover had a serious time a few days ago with nose bleed. She became very weak from the loss of blood. The physician had hard work in stopping the bleeding.

Tom Crane, who has been farming in this vicinity for the past two years, moved to Missouri this week. He has rented a farm near Bolckow, where his brother-in-law, Dr. Gaitner, is living.

The contract for building the school house at Hillsdale to replace the one that recently burned down was awarded Tuesday. Henry Mizer got the contract. Ered Seabury puts in the foundation.

Rev. H. C. Harmon, of Nebraska City, will preach at the M. E. church at Brownville next Sunday morning, and at Bethel in the afternoon. Rev. C. H. Gilmore will fill Rev. Harmon's pulpit at Nebraska City next Sunday.

A short time ago Miss May Brooks, teacher of the primary department of our school, offered a premium of \$1 to the pupil writing the best essay. Minnie Yates was the successful contestant, choosing as her subject "Wild Animals."

John W. Macomber, who formerly managed the store at Aspinwall, has taken the contract to carry the star route mail between Nemaha and Barabada. He moved to Nemaha Thursday, having rented Mrs. Wheeler's residence east of Dr. Kay's.

William Hawxby moved down from Lincoln last week, and is feeling at home again for the first time since he left the farm. Fred, John and Miss Lizzie will remain at Lincoln until the close of school. We are very glad to have Mr. Hawxby and family with us again.

Harvey Thompson went to Mound City, Mo., last week, and made a trade with Mr. Rumbaugh, a barber at that place, whereby the latter becomes the owner of the shop at Nemaha and Harvey takes the shop at Mound City. Mr. Rumbaugh was in town this week looking for a house to move into.

Dr. J. L. Melvin.

Some unprincipled scoundrel has been endeavoring to injure the credit of some of our merchants by reporting to wholesale houses and commercial agencies that their stock of goods had been mortgaged, when such reports had no foundation in fact. If the fellow who is sending in such reports is discovered he will be taught a lesson he will not soon forget.

Tuesday morning Harry Webber took his gun and went out in search of some geese. He found a nice flock of about twenty five. As the geese raised Harry fired, and killed two which weighed about twenty-five pounds. At this Harry was excited, as these were the first geese he had ever killed, and thought he would have to get help to bring in his game.

The singers of Nemaha and vicinity are preparing an entertainment to be given Saturday night of next week. The performers will array themselves as darkey minstrels, and give darkey songs, talks, etc. The program is said to be first class in every respect. We understand the proceeds will be donated to the city to repair sidewalks which certainly need some repairing.

Olive Camp No. 14, Woodmen of the World, will give a dance, oyster supper and entertainment Wednesday night, March 17th. The dance will be given in Hoover's opera house, the oyster supper in the lower west room of the opera house, and the entertainment in the Minick hall. Admission to dance, 50 cents; supper and entertainment, 25 cents. Everybody is invited.

Steve Cooper, the Nemaha liveryman, must have a "stand in" with Col Sanders, of the Advertiser. He says that Steve was the best liveryman Nemaha ever had, and that too after having our Col Harper in that burg for nearly one year. We may now expect a duel in Nemaha before long in which Col Cooper, Col Sanders and Col Harper will be the participants.—Shubert Citizen.

Miss Emma Crim, assisted by the best singers of Nemaha and vicinity, will give the charming and romantic operetta, "Genevieve," at Hoover's opera house Saturday night, March 6th. The music of this operetta is excellent and the singers have been carefully trained. We feel sure every one will be pleased. Miss Crim should have a crowded house. Admission, 15 cents; children, 10 cents; reserved seats, 20 cents. Tickets on sale at Taylor's drug store.

William Colerick has had a very strange experience in the last few weeks. Seven or eight weeks ago Mr. Colerick suddenly and unaccountably lost his hearing. He was feeling perfectly well at the time, had had no trouble with his head, and had no previous warning. In just two weeks his hearing came back almost as suddenly as it left him. In a day or two, while Mr. Colerick was milking, he suddenly became almost totally blind, and for some time could not see his hand before him. In the last few days, however, his eyesight has returned, and is now almost as good as it was before. Another strange circumstance is that Mr. Colerick is cutting several new teeth in his lower jaw. Although the teeth are not through yet, their shape can plainly be felt. It is a very queer case all the way through.

We pay 15 cents a bushel for corn taken on subscription.

FOR SALE.—A span of good mules nine years, perfectly gentle. Apply at this office.

Take the wagonette when in Auburn for any part of the city. Easy riding. Quick time. All trains met. John McElhaney, proprietor.

The second trial of J. W. Argabright for the murder of his father-in-law, William Smelser, in February, 1894, was begun in district court on Tuesday afternoon. The following jurors, George Grable, William M. Sharp, E. C. Renze, J. L. Taylor, J. Tucker, J. W. Durst, T. J. Alexander, William Bamber, W. C. Grazes, L. S. Shaffer, William A. Clark and E. Irving, were impanelled at noon Thursday and the state began presenting its evidence in afternoon. County Attorney Ferneau assisted by G. W. Cornell, is prosecuting and W. H. Kelligar and H. A. Lambert appear for defendant.—Granger.

FROM CRIPPLE CREEK.

After the big fire in Cripple Creek I took a very severe cold and tried many remedies without help, the cold only becoming more settled. After using three small bottles of Chamberlain's Cough Remedy both the cough and cold left me, and in this high altitude it takes a meritorious cough remedy to do any good.—G. B. HENDERSON, editor Daily Advertiser. For sale by Taylor.

We will send THE ADVERTISER, the New York Tribune, the Toledo Blade and the Chicago Inter Ocean, all four papers one year for only \$2.10.

W. W. Sanders, Notary Public. Pen- sions papers of all kinds made out accurately. Legal documents drawn up. All business given prompt and careful attention.

DANGERS OF THE GRIP.

The greatest danger from La Grippe is of its resulting in pneumonia. If care is used, however, and Chamberlain's Cough Remedy taken, all danger will be avoided. Among the tens of thousands who have used this remedy for La Grippe, we have yet to learn of a single case having resulted in pneumonia, which shows conclusively that this remedy is a certain preventive of that dread disease. It will effect a permanent cure in less time than any other treatment. The 25 and 50 cent sizes for sale by Taylor, the druggist.

We want one good man (having horse), as permanent superintendent for Nemaha County, on salary. Must send along with application, strong letters of recommendation as to honesty, energy, and ability. First class man only. State occupation. Address P. O. Box 1632, Phil., Pa.

COMFORT TO CALIFORNIA.

It is carpeted; upholstered in rattan; has spring seats and backs, and is provided with curtains, bedding, towels, soap, etc. An experienced excursion conductor and a uniformed Pullman porter accompany it through to the Pacific coast.

While neither as expensively finished nor as fine to look at as a palace sleeper it is just as good to ride in. Second class tickets are honored and the price of a berth, wide enough and big enough for two, is only \$5.
