It should be made a matter of public
knowledge that De Witt's Witch Ha-
zel Salve will speedily cure piles of
the longest standing. It is the house-
hold favorite for burns, scalds, cuts,
bruises and sores of all kinds. M. H.
Taylor.

Clinton, Missouri.

Mr A L Armstrong, an old druggist
and a prominent citizen of this enter-
prising town, says: "I sell forty differ-
ent kinds of cough medicine, but have
never in my experience sold so much
of any one article as I have of Ballard's
Horehound Syrup. All who use it say it
is the most perfect remedy for Cough,
Cold, Consumption, and all diseases of
the Throat and Lungs they have ever
tried." It is a specific for Croup and
Whooping Cough. It will relieve a
cough in one minute. Contains no opi-
ates. Price 25 and 50 cents.
Sold by Taylor, the druggist.

When a cold is contracted, cure it at
once. One Minute Cough Cure will
set you on the road to recovery in a
minute. It will cure pneumonia,
bronchitis, croup and all forms of lung
and throat troubles. M. H. Taylor.

STANDS AT THE HEAD.

Aug. J. Bogel, the leading druggist
of Shreveport, La., says: "Dr. King's
New Discovery is the only thing that
cures my cough, and it is the best sell-
er I have." J. F. Campbell, merchant
of Safford, Ariz., writes: "Dr. King's
New Discovery is all that is claimed
for it; it never fails, and is a sure cure
for consumption, coughs and colds. I
cannot say enough for its merits." Dr.
King's New Discovery for consump-
tion, coughs and colds is not an experi-
ment. It has been tried for a quarter
of a century and today stands at the
head. It never disappoints. Free
trial bottle at Taylor's drug store.

**THE BEST REMEDY FOR RHEU-
MATISM.**

Fairhaven (N. Y.) Register.
Mr. James Rowland of this village,
states that for twenty-five years his
wife has been a sufferer from rheuma-
tism. A few nights ago she was in
such pain that she was nearly crazy.
She sent Mr. Rowland for the doctor,
but he had read of Chamberlain's Pain
Balm and instead of going for the phy-
sician he went to the store and secured
a bottle of it. His wife did not ap-
prove of Mr. Rowland's purchase at
first, but nevertheless applied the
Balm thoroughly and in an hour's
time was able to sleep. She now ap-
plies it whenever she feels an ache or
a pain and finds that it always gives
relief. He says that no medicine
which she had used ever did her as
much good. The 25 and 50 cent sizes
for sale by Taylor the druggist.

"IT IS THE BEST ON EARTH."

That is what Edwards & Parker,
merchants of Plains, Ga., say of Cham-
berlain's Pain Balm, for rheumatism,
lame back, deep seated and muscular
pains. Sold by Taylor the druggist.

ELECTRIC BITTERS.

Electric Bitters is a medicine suited
for any season, but perhaps more gen-
erally needed when the languid, ex-
hausted feeling prevails, when the
liver is torpid and sluggish and the
need of a tonic and alterative is felt.
A prompt use of this medicine has
often averted long and perhaps fatal
bilious fevers. No medicine will act
more surely in counteracting and free-
ing the system from the malarial poi-
son. Headache, indigestion, constipa-
tion, dizziness yield to Electric Bitters.
Fifty cents and \$1 per bottle at Tay-
lor's drug store.

Tetter, Salt-Rheum and Eczema.
The intense itching and smarting inci-
dent to these diseases is instantly allayed
by applying Chamberlain's Eye and
Skin Ointment. Many very bad cases
have been permanently cured by it. It
is equally efficient for itching piles and
a favorite remedy for sore nipples;
chapped hands, chilblains, frost bites
and chronic sore eyes. 25 cts. per box.

Dr. Cady's Condition Powders, are
just what a horse needs when in bad
condition. Tonic, blood purifier and
vermifuge. They are not food but
medicine and the best in use to put a
horse in prime condition. Price 25
cents per package.

GETTING ON IN THE WORLD.

New York Ledger.

The American people have been of
late indulging in a great deal of un-
necessary growling, grumbling, prog-
nosticating of evil and general dis-
agreeableness on the ground that
things do not go as they would like.
These people do not stop to consider
just what has actually happened with-
in the past few years.

The population of this country has
almost doubled within the past thirty
years. As for the general prosperity,
intelligence, enlightenment and ad-
vancement in all mental, moral and
social conditions the strides are simply
almost past belief.

Thirty years ago the total wealth in
money would have given each individ-
ual \$20.11. Today each individual
would get, under the same division,
\$32.86. Now our dollar is worth a
hundred cents, when from twenty-five
to thirty years ago the country was
simply flooded with what was known
as wildcat currency, a good deal of it
worthless and some of the best of a
character that made men anxious to
turn everything they could into coin
for safety's sake. Thirty years' ago
the national debt was nearly \$70 per
individual, now it is but a trifle over
\$13. The revenues of the government
required \$9.87 per individual, where
now something over \$4 is required.

Duties have fallen from forty-four
to twenty per cent, while the exports
have increased from \$7 per capita to
\$12. Agricultural products make up
the greater portion of the exports. In
this connection it is interesting to note
the evidences of prosperity in the fact
that a great many more of what are
known as luxuries are consumed by
the average individual. The consump-
tion of coffee has nearly doubled, but
the use of tea has not kept pace with
it. Aforetime 24 1-10 lbs. of sugar,
now 62 6-10 lbs. per head are necessary
to supply the demand. In the same
line 3.92 bushels of wheat per individ-
ual were used, now nearly five bushels
are used for the present average.

This is a great change within thirty
years, and there are other items which
show quite as marked changes. In
1866 the average American spent \$1.16
for postage against 42 cents a year
thirty years ago. In 1867 the average
expenditure for public schools was
\$4.24 per head of school population.
Last year's estimates show an increase
of something more than fifty per cent
over these figures.

A little study of this subject, which,
although it runs into figures is too in-
teresting to be dry, will speedily con-
vince the average American that he
has very little reason to do a great
amount of intelligent grumbling.

While an eastern agricultural paper
contains some information of value
even to a western farmer, the condi-
tions east and west are so different
that much of the information is mis-
leading. Western farmers need an
agricultural paper edited from the
western standpoint. The fact that
Henry Wallace owns and operates two
large farms in Iowa explains why his
weekly agricultural paper, Wallace's
(Des Moines, Ia., \$1 per year) is taken
so extensively.

We will send Wallace's Farmer
and THE ADVERTISER both one year
for \$1.60.

The publishers propose to send a
copy of Word and Works five months,
from June to October inclusive, to
new subscribers only as a trial order,
for 25 cents, and in addition thereto,
give to each trial subscriber, free, a
copy of a little book of 64 pages, which
contain select chapters of a work by
Rev. Irl R. Hicks, which is to be the
crowning work of his life. This is a
rare opportunity for anyone to study
the storm forecasts throughout the
coming season, besides the many good
things in Word and Works of interest
to each member of the family. The
regular price of this little book alone is
25 cents. Send 25 cents and your ad-
dress to Word and Works Pub. Co.,
2201 Locust street, St. Louis, Mo.

Croup and whooping cough, are child-
hood's terrors; but like pneumonia,
bronchitis, and other throat and lung
troubles, can be quickly cured by using
One Minute Cough Cure. M. H. Taylor.

The June number of the Delineator
is called the early summer number
and its presentation of warm weather
modes, fabrics, dress trimmings and
millinery is made brilliantly attract-
ive by the handsome color plates. The
literary features include contributions
by a quintet of famous women. Sis-
ter Angelique, a daintily humorous
story of life in a Louisiana convent
school, is by Mollie Elliot Seawell, au-
thor of "The Sprightly Romance of
Marsac," the New York Herald's
\$3,000 prize story. Jeannie M. Drake's
second study of New York Social
Types will be found quite as pleas-
antly critical, as was her description of
the metropolitan women of society. Mrs.
WITHERSPOON'S June Tea Table Chat,
Mr. Vick's suggestions for the flower
garden, and the pages devoted to sea-
sonable cookery and the new books are
of habitual excellence. The young
folks will find described some novel
forms of entertainments, and the chil-
dren are not forgotten. Ladies inter-
ested in artistic needle work should
not miss this number, the regular de-
partments of tatting, crocheting, lace
making, etc., being supplemented by
Emma Haywood's special designs for
fancy stitches and embroideries and
ecclesiastical embroidery, and Bertha
E. J. Blodgett's directions for making
an embroidered box for presentation to
a June bride. Butterick Pub. Co., 7 to
17 W. 13th street, New York.

Thirty years is a long time to fight
so painful as piles, but Jacob Mitchell
of Unionville, Pa., struggled that long
before he tried De Witt's Witch Hazel
Salve, which quickly and permanently
cured him. It is equally effective in
eczema and all skin affections. M. H.
Taylor.

The Westfield (Ind.) News prints
following in regard to an old resident
of that place: "Frank McAvoy, for
many years in the employ of the L. N.
& C. Ry. here, says: 'I have used
Chamberlain's Colic, Cholera and Diar-
rhea Remedy for ten years or longer—
an never without it in my family. I
consider it the best remedy of the kind
manufactured. I take pleasure in
recommending it.' It is a specific for
all bowel disorders. For sale by Tay-
lor the druggist.

PERSONAL.—The gentleman who an-
noyed the congregation last Sunday by
continually coughing will find instant
relief by using One Minute Cough
Cure, a speedy and harmless remedy
for throat and lung troubles. Taylor.

any of these symptoms your liver is

M. H. Taylor.

RELIEVED OF TERRIBLE PAINS

R. E. Morse, traveling salesman,
Galveston, Texas., says: Rheuma-
tism of three months standing after
use of two bottles. J. S. Doan, Dan-
ville, Ills., says I have used Ballard's
Snow Liniment for years and would
not be without it. J. R. Groch, Rio,
Ills., says Ballard's Snow Liniment
cured terrible pains in back of head
and neck when nothing else would.
Every bottle guaranteed. Price 50
cents. Sold by Taylor the druggist.

Not only acute lung troubles, which
may prove fatal in a few days, but old
chronic coughs and throat troubles
may receive immediate relief and per-
manently cured by One Minute Cough
Cure. M. H. Taylor.
