COUNTY NEWS.

[Gleaned from our exchanges.]

The county commissioners are now in session as a board of equalization.

The village trustees of Johnson are talking of building a town hall, 28x40 feet in size.

The Auburn city council has enclosed a lot and will place therein a rock pile for the benefit of vagrants.

Dr. John Gallagher, pastor of the Methodist church at Auburn, has been engaged to lecture at the Clarinda, Ia., chautauqua.

Hon. W. F. Gurley, of Omaha, will orate at Auburn July 3d, and tell how the heroes of '76 took the kinks out of the British lion's tail.

Messrs. Burgess and Cook, of Julian, recently made a shipment of horses to France, and think they will make expenses and a profit on their investment.

I. M. Rupard, formerly with E. H. Dort, at Auburn, but now in the drug business at Shubert, was married on June 7 to Miss Nellie Speece, also of Shubert.

Rev. J. H. Dirks, who has been pastor of the German Lutheran church near Febing for many years, and is an old resident of the county, has resigned his pastorate and will move to Kansas.

At the district Odd Fellows meeting at Auburn last week it was decided to have an annual picnic, and the first one will be held in that city on the last Thursday in August, under the auspices of Mayflower lodge No. 66.

The new board of pension examiners met in Auburn last week and organized by electing Dr. C. F. Stewart chairman, Dr. John B. Jack secretary and Dr. W. T. Neal treasurer. The regular day for examination will be on Wednesday of each week.

Jas. O. Connell has again been hired as teacher of the Howe school. Profs. Osterhout and Royle are retained at Brownville, with Miss Effie Abbott as primary teacher in place of Miss Agnes Jack, who goes to Auburn. Brock and Johnson retain the same corps of teachers they had last year.

During the month of May there were filed in the office of the county clerk, ten farm mortgages for \$19,835.00, nine town and city mortgages for \$4,000.00, and forty-seven chattel mortgages for \$8,642.52—a total of \$33,078.42. During the same month there were released thirteen farm mortgages for \$19,950.22; eight town and city mortgages for \$4,405.00, and twenty-three chattel mortgages for \$6,720.56—a total of \$31,075.78 satisfied. Amount filed over a month satisfied, \$2,902.64.

Auburn Herald: B. F. McIninch, county commissioner; H. E. Peery, county clerk; Ed Ferneau, county attorney, and Dr. McGrew went to Omaha Tuesday morning last on business in connection with the Frank deficiency judgment of \$5,000 against London and Brownville precincts. This judgment was suppressed by our county officials to be included in the compromise settlement made with the holders of the old Brownville and Ft. Kearney railroad bonds, but it appears such was not the case, and after the death of Mr. Frank the judgment was revived in the name of the heirs of Mr. Frank. Since that time several efforts were made to have the judgment set aside, but by reason of the law of limitation in such cases the time has passed for the county to further appeal the case and the judgment will have to be paid. Such was the opinion of the judge before whom the case was heard at Omaha Tuesday morning.

Some for ten, some for twenty and some for thirty years have suffered from piles and then have been quickly and permanently cured by using De Witt's Witch Hazel Salve, the great remedy for piles and all forms of skin diseases. M. H. Taylor.

STRAY OBSERVATIONS.

Senator J. H. DUNDAS gives Governor or Holcomb some very good advice in last week's Granger in regard to his appointments, and informs the governor that a capable, temperate republican is better qualified to fill any position of trust than a drunken populist. If Senator Dundas were not so modest he might also have told the governor that in the person of the editor of the Granger he could find at least one populist who would serve the state faithfully and honestly in most any good paying position without yielding to any of those manifold temptations prone to beset those in official positions. In fact, if the governor tried real hard he could probably find a number of good populists in Nemaha county who would consent to fill with credit some of the offices under his control.

We believe the school board did the right thing by engaging graduates of our school to teach the intermediate and primary departments for the ensuing year. For several years the Auburn board of education has hired graduates of the high school of that place to teach in some of the departments, and from the fact that those graduates are generally re-engaged from year to year, and that new graduates are frequently added to the corps of teachers, the policy is evidently a good one. Any way, it is patronizing home industry, and is worth trying.

Strangers visiting our town are always enthusiastic admirers of our pretty little park. No town in the state the size of Nemaha has a finer park in which to hold picnics and other public gatherings, and those enterprising citizens who contributed the trees and attended to setting them out sixteen years ago, and those who have taken pride in caring for them since, deserve great credit for their efforts.

Why do not the graduates of the Nemaha high school organize an alumni society? It would serve to keep up school friendships, cause greater interest to be taken in the school, and be of benefit in many ways. **

STANDS AT THE HEAD.

Aug. J. Bogel, the leading druggist of Shreveport, La., says: "Dr. King's New Discovery is the only thing that cures my cough, and it is the best seller I have." J. F. Campbell, merchant of Safford, Ariz., writes: "Dr. King's New Discovery is all that is claimed for it; it never fails, and is a sure cure for consumption, coughs and colds. I cannot say enough for its merits." Dr. King's New Discovery for consumption, coughs and colds is not an experiment. It has been tried for a quarter of a century and today stands at the head. It never disappoints. Free trial bottle at Taylor's drug store.

"For three years we have never been without Chamberlain's Colic, Cholera and Diarrhea Remedy in the house," says A. H. Patter, with E. C. Atkins & Co., Indianapolis, Ind., "and my wife would as soon think of going without flour as a bottle of this remedy in the summer season. We have used it with all three of our children and it has never failed to cure—not simply stop pain, but cure absolutely. It is all right, and anyone who tries it will find it so." For sale by Taylor, the druggist.

"They are dandies," said Thos. Bowers, of the Crockett (Texas) Enterprise, while writing about DeWitt's Little Early Risers, the famous little pills for sick headache and disorders of the stomach and liver. M. H. Taylor.
