Mrs. Fairbank

Will have an Opening of

FALL AND WINTER HATS,

Saturday, Sept. 25th.

Trimmed Hats a specialty.

Ladies and Children invited.

Last Friday afternoon, during the rain storm, lightning struck the editorial residence. Few marks were left, but all in the house were affected to some extent. A small mirror that was hanging on the wall of the bedroom at the south end of the house was struck, but was not broken, although the quicksilver was melted on one side and the bottom, and a brown mark was left on the wall. Underneath the glass a small piece of plastering was knocked out. J. B. Berger's watch and chain were hanging on the wall under the glass and a number of links in the chain were fused together. The watch was not running and was not injured. Lying on the washstand was a hand mirror with a metal frame, and the glass of this was shattered. Strange to say, no place could be seen where the lightning entered or left the room. The whole house was filled with the peculiar smell, and at first it was supposed the house was on fire, but a thorough search found no signs of fire. Mr. and Mrs. Berger were sitting in the adjoining room and both felt the effects of the lightning. Mr. Berger's shoes were tacked with copper tacks, and his feet tingled for over an hour wherever there was a tack and were tender the next day, but otherwise the shock appeared to do him good. Mrs. Berger did not get over the effect for several days. Mrs. Sanders was in another part of the house and was rendered helpless for a short time and has been sick ever since. She was able to be up and about Sunday evening, but has been confined to her bed since that time and suffers severely with her spine. She is very weak and nervous, Trixy Seabury, who was in the same room with Mrs. Sanders, has been sick from the effects of the shock. It was a narrow escape. There are trees considerably taller than the house on all sides of it, and at the end that was struck are two trees the limbs of which extend over the roof.

Mrs. Malsena Wolfe died in Nemaha Tuesday, September 14th, 1897, aged 25 years, 10 months and 18 days. The funeral services were held at Hillsdale Wednesday, conducted by Elder Nicholson, who preached an excellent sermon from Rev. 21:4. The house was crowded with attentive listeners. The body was then laid at rest in the Hillsdale cemetery, the little one whose birth caused the death of her mother being laid at her side. The bereaved husband, who is thus double afflicted, was the sympathizer of the community.

Malsena Smith was born in Richardson county, Neb., October 26th, 1871. In 1877 her parents, Mr. and Mrs. L. D. Smith, moved to Missouri. They returned to Nebraska in 1893, and since that time the deceased has lived in Nemaha and vicinity the most of the time. She was married to James A. Wolfe November 18th, 1896.

Mrs. Wolfe joined the Holiness church at the age of 15 years, and has lived a consistent christian life since that time.

THE GRANDEST REMEDY.

Mr. R. B. Greeve, merchant, of Chilhowie, Virginia, certifies that he had consumption, was given up to die, sought all medical treatment that money could procure, tried all cough remedies that he could hear of, but got no relief; spent many nights sitting up in a chair; was induced to try Dr. King's New Discovery and was cured by the use of two bottles. For past three years has been attending to business, and says Dr. King's New Discovery is the grandest remedy ever made, as it has done so much for him and also for others in his community. Dr. King's New Discovery is guaranteed for coughs, colds and consumption. It don't fail. Trial bottles free at Taylor's drug store.
