McELREE'S
Wine of Cardui
has demonstrated ten thousand times that it is almost infallible
FOR WOMAN'S PECULIAR WEAKNESSES,
Irregularities and derangements. It has become the leading remedy for this class of troubles. It exerts a wonderfully healing, strengthening and soothing influence upon the menstrual organs. It cures "whites" and all of the womb. It stops flooding and relieves suppressed and painful menstruation. For Change of Life it is the best medicine made. It is beneficial during pregnancy, and helps to bring children into homes barren for years. It invigorates, stimulates, strengthens the whole system. This great remedy is offered to all afflicted women. Why will any woman suffer another minute with certain relief within reach? Wine of Cardui only costs \$1.00 per bottle at your drug store.
For advice, in cases requiring special attention, address giving symptoms, the "Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn.
Rev. J. W. SMITH, Camden, S. C., says: "My wife used Wine of Cardui at home for falling of the womb and it entirely cured her."

Frances E Willard, president of the Woman's Christian Temperance Union, died in New York shortly after midnight Friday morning.

The war steamer Maine was blown up Tuesday night at the harbor at Havana. The loss of life was great, there being 270 killed and drowned. Only 65 were saved. The explosion is a mystery. Many think it was done by Spaniards. It is being investigated.

A. G. Gates is preparing to move to Denver, where he will make his home in the future. Mr. Gates is an old resident of Brownville, and was in business here about twenty years. Himself and wife will be missed when they leave us.—Sun.

Yardmaster Chris Bader has turned his attention to the weather and this morning when thunder could be heard plainly he said: "Look out for a frost to cut the corn off about May 9th or 10th, for it never thunders in February but what we are sure to have a frost on a corresponding day in May."—Nebraska City News.

It is singular that farm poultry, which finds a place on nearly every one of the 5,000,000 farms in the country, should, until now, have had no representative paper, poultry journals being almost without exception, published in the interest of the fancier and exhibitor. The Poultry Journal Farmer, however, which has recently been established at Des Moines, Ia., has changed this, and in it farm poultry, grown to pay grocery and dry goods bills, finds a practical and truly representative paper. It should be read on every farm where a chick "peeps" and a hen scratches for it. It is just what the farmers and farmers wives and daughters who "keep chickens," and sell the eggs and meat they produce, have long needed for it is made expressly to meet their wants. It is only 50 cents a year. The February number is just out, and every reader of this paper can get a free sample copy by addressing The Poultry Farmer, Des Moines, Ia.

A LOG ROLLING.
At the regular meeting of the Shubert Camp, No. 26, Woodmen of the World, on last Tuesday evening, the members had one of the most pleasant sessions of the Camp since its organization in this city. Besides several initiations into the protection degree of the order, and the rendition of an excellent program of both vocal and instrumental music, a lunch was served and the work in the Protection degree was closed and the Camp was opened in the Morning degree. This degree was conducted by the degree officers of Nemaha camp, and four candidates for higher honors were taken through the forest. The degree team of the Nemaha Camp was assisted by many members of their camp, as well as from members from other Camps about us, and they did their work well. Shubert Camp is not having anything of a boom, as it were, but is having a steady and healthy growth and that growth is becoming more rapid as the principles and plans of the order become better understood by the people and such occasions as the members enjoyed last Tuesday evening are becoming frequent not only here, but in all the Camps of the order wherever located.

Among the visiting brethren from abroad were Dr. W. W. Keeling, Dr. J. L. Melvin, S. K. Anderson, H. C. Shadley, John Dorrain, Wm. Swan, Alva Leady, Ed. Thomas, Art. Paris, Ed. Paris, Vesta Hodges, John Knight, Wm. Seid, Ed. Seid, Marlen Seid, Ed. Knapp, Alf. Kenton, Warren Burns, James Burns, Chas. Burns, Frank Burgees, Henry Vanmeter and Ed. Stiers of Nemaha; Rufus Rowen, David Brimble, Chas. Roberts and J. H. Seid of Howe; Wm. Russell, of Auburn; Lank Shafer of Barada and James Morris of Stella.—Shubert Citizen.

The farmer of today is of necessity a reading man, for the facts of agriculture are so numerous that no one can learn them all from his own experience. He is fortunate, however, in having such papers as The Iowa Homestead to keep him advised as to the progress of farming and improvements in its methods. Every farmer in this county should regularly read The Homestead and its Special Farmers' Institute editions, these last being published monthly. The two furnish a liberal farm education, combining science and practice. The February Special, which accompanied last week's regular issue of the paper, was an unusually good one, containing contributions from 125 practical farmers on practical farm topics of the highest interest. Every farmer should read both The Homestead and its Specials regularly. Free sample copies will be sent to all applicants, and the subscription price is only \$1 a year, including the special editions. Address: Homestead Co., Des Moines, Iowa.

Almost daily we hear the virtues of Chamberlain's remedies extolled by those who have used them. Va.) Pathfinder. For sale by M. H. Taylor.

What pleasure is there in life with a headache, constipation and biliousness. Thousands experience them who could become perfectly healthy by using Dewitt's Little Early Risers, the famous little pills. M. H. Taylor.

HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evidence of kidney trouble. Too frequent desire to urinate or pain in the back is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. You may have a sample bottle and pamphlet both sent free by mail. Mention THE ADVERTISER and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietor of this paper guarantees the genuineness of this offer.

We are anxious to do a little good in this world and can think of no pleasanter or better way to do it than by recommending One Minute Cough Cure as a preventive of pneumonias, consumption and other serious lung troubles that follow neglected colds. M. H. Taylor
Ripans Tabules.
Ripans Tabules: gentle cathartic.

A thrill of terror is experienced when a brassy cough of croup sounds through the house at night. But the terror soon changes to relief after One Minute Cough Cure has been administered. Safe and harmless for children. M. H. Taylor.

Buclin's Arnica Salve

It is guaranteed to give perfect satisfaction or money refunded. Price 25c per box. For sale by M. H. Taylor.

There are three little things which do more work than any other three little things created—they are the ant bee and DeWitt's Little Early Risers, the last being the famous little pills for stomach and liver troubles. M. H. Taylor.
