War is Here.

War has virtually been declared between Spain and the United States. The Spanish minister, upon the delivery of the resolutions adopted by congress and the president's ultimatum, asked for his passports and left Washington Wednesday. United States Minister Woodford was given his passports Thursday, by the Spanish government, thus severing diplomatic intercourse between the two nations. An armed squadron has been sent by this country to blockade Havana, and the flying squadron has been ordered to intercept the Spanish flotilla at Porto Rico. The house has passed a bill empowering the president to call for volunteers, and he will issue a call for 100,000 volunteers as soon as the bill passes the senate and becomes a law. A state of war exists, although it has not yet been officially proclaimed. The resolutions finally adopted by congress may be found on one of the inside pages.

HARRY McCANDLESS.

HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twentyfour hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evidence of kidney trouble. Too frequent desire to urinate or pain in the back is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and extraordinary effect of Swamp Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. You may have a sample bottle and pamphlet both sent free by mail upon receipt of three two-cent stamps to cover cost of postage on the bottle. Mention THE ADVERTISER and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietor of this paper guarantees the genuineness of this offer.
