A thrill of terror is experienced when  
 a hoarse cough of creeps up sounds through  
 the house at night. But the terror  
 soon changes to relief after One Minute  
 Cough Cure has been administered.  
 Safe and harmless for children. M H

Frank Sherwood was down town to-  
 day, the first time since he had his tussle  
 with cholera morbus. He says he  
 drove thirty miles after he was taken  
 and never came so near dying in his  
 life. After this when he goes out in  
 the country he will take a bottle of  
 Chamberlain's Colic, Cholera and Diar-  
 rhoea Remedy with him.—Missouri  
 Valley (Iowa) Times. For sale by M  
 H Taylor.

Whooping cough is the most distress-  
 ing malady; but its duration can be  
 cut short by the use of One Minute  
 Cough Cure, which is also the best  
 known remedy for croup and all lung  
 and bronchial troubles. M H Taylor.

W. W. SANDERS, Publisher.  
 SUBSCRIPTION, \$1.50 PER YEAR  
 FRIDAY, APRIL 22, 1898.

Mr. Daily, representing the Nebraska  
 Independent, of Lincoln, gave us a call  
 Thursday.

Daily papers are now in great de-  
 mand, as every one wants to read the  
 war news.

We are certainly getting enough rain  
 this spring. We had a hard rain Sun-  
 day afternoon.

The first car load of poles for the  
 Nebraska Telephone Co.'s line to Ne-  
 maha was received at this place on  
 Wednesday.

We are notified that train No. 116  
 will hereafter stop at McCandless Sid-  
 ing to take on passengers when notified  
 there are passengers.

A farmer living near Barney, Otoe  
 county, visited the Titus Nursery a  
 few days ago and bought a good bill,  
 including 1800 apple trees.

Thos. H. Jones, of Howe, gave us a  
 call last Saturday, and ordered an ad-  
 vertisement inserted for his fine stan-  
 dard bred horse, Republican, Jr.

We have received the program of the  
 commencement exercises of the Vesta  
 schools. The principal of the school  
 is Mrs. C. J. Canon, formerly Miss  
 Nina Moore.

Rufus Rowen's aged father has been  
 in poor health for nearly a year, and is  
 gradually failing on account of old age  
 principally. His condition has been  
 very serious for some time.

We omitted last week to mention the  
 Easter picnic of classes six and seven  
 of the Methodist Sunday school. The  
 teachers, Mrs. W. W. Keeling and Mrs.  
 W. W. Sanders, and a good number of  
 the scholars heartily enjoyed a basket  
 dinner in Bolo valley, and had a good  
 time for a few hours.

Dr. Gaylord Andrews graduated  
 from the St. Louis Medical College last  
 Saturday evening and came home Sun-  
 day a full fledged M. D. Dr. Gaylord  
 will remain in Stella and assist his  
 father in his extensive practice. Gay-  
 lord has always been very popular in  
 this community and we join his friends  
 in wishing for him a bright future in  
 his chosen profession.—Stella Press.

Samuel Smith, proprietor of the Au-  
 burn oil tank line, committed suicide  
 by hanging Friday morning. He has  
 been in poor health for some time, and  
 recently his wife has noticed that his  
 mind was failing. He was undoubtedly  
 insane when he committed the desper-  
 ate deed. The deceased was an  
 Odd Fellow, and that order had charge  
 of the funeral services, which were  
 held Sunday.

There are three little things which  
 do more work than any other three lit-  
 tle things created—they are the ant  
 bee and DeWitt's Little Early Risers,  
 the last being the famous little pills for  
 stomach and liver troubles. M H Tay-  
 lor.

W. W. Sanders, Notary Public. Pen-  
 sions papers of all kinds made out ac-  
 curately. Legal documents drawn up  
 All business given prompt and careful  
 attention.

What pleasure is there in life with a  
 headache, constipation and biliousness  
 Thousands experience them who could  
 become perfectly healthy by using De-  
 Witt's Little Early Risers, the famous  
 little pills. M H Taylor.

 and fast whenever trained for speed.

**CHAMBERLAIN'S COUGH REMEDY AL-  
 WAYS PROVES EFFECTIVE.**

There are no better medicines on the  
 market than Chamberlain's. We have  
 used this cough remedy where all oth-  
 ers failed and in every instance it  
 proved effectual. Almost daily we  
 hear the virtues of Chamberlain's reme-  
 dies extolled by those who have used  
 them. This is not an empty puff, paid  
 for at so much a line, but is voluntar-  
 ily given in good faith, in the hope  
 that suffering humanity may try these  
 remedies and, like the writer, be bene-  
 fitted.—From the Glenville (W. Va.)  
 Pathfinder. For sale by M H Taylor.

**Seed Corn.**

Farmers, change your seed and have  
 30 per cent more to the acre, and a corn  
 that will mature 3 weeks earlier than  
 the common corn. I have some fine  
 selected yellow seed corn, large deep  
 grain and small cob; has been tested  
 and will guarantee it all to grow. Had  
 an average of 82 bushels to the acre  
 last year, being 30 per cent more than  
 my adjoining neighbor raised. I also  
 have some fine white corn. 1 bushel,  
 \$1.00; 2 bushel, \$1.75; 6 bushel, \$4.50.
