FRIDAY, MAY 20, 1898.

Wes Clark was in from Auburn Friday, visiting Nemaha friends.

Wm. E. Gladstone, the famous statesman of England, died Wednesday.

The windstorm Tuesday night broke two window glass in the school house.

A company of volunteers has been organized at Auburn, with Sterling P. Glasgow as captain. Herbert H. Hay is first lieutenant and J. W. Barnhart second lieutenant.

J. L. Carson, jr., went to Kansas City on Tuesday to be present at the marriage of his sister, Miss Mary Marshall Carson, to Hamilton B. Rollins, a banker of Columbia, Mo., which took place Wednesday at Kansas City.—Auburn Herald.

The Methodist Sunday school is having a hard time to have a picnic. It was first decided to have it on the 7th, but it rained the night before, and the picnic was postponed until the 14th. But it rained again the night before, so the picnic was again postponed until the next Saturday. But it is too muddy to have it this week, so there will have to be another postponement.

Do we want our records protected from fire, or do we want them in vaults standing outdoors, exposed to both fire and water, and with no protection from fire on the inside of our present old shell of a court house? These are the questions for us to decide on Saturday, May 28th. If the latter question is carried we will continue to have our records in jeopardy, that the county in one hour's time may be thrown into an enormous expense of replacing our records, besides an endless litigation, expending three to five times the cost of a court house. Every voter, and especially owners of land, should consider this matter.

Seriously, you may save a few dollars by voting against the building of a court house, but you run nine chances to one of having a law suit or other expenses in fixing up your title, costing you three times the amount of your taxes for a court house.

You are not voting for railroad bonds when you vote for bonds to build a court house. The money derived from the bonds will be expended by our county commissioners, and all of it, except what material will have to be shipped in, will remain here at home among our own people, especially our laboring men, and we will get protection of our records for the money.

This is the third proposition that has been submitted to the voters of Nemaha county to build a court house, and each time it has raised \$10,000. If the present proposition is defeated, the next proposition will be \$75,000 to \$100,000. As the county grows older the people will demand a more expensive building.

We think the present proposition of \$60,000 sufficient to build, complete and furnish a court house, with plenty of vault room, and a jail that will do this county for a hundred years.

Our jail is a miserable place to confine human beings, and especially the unfortunate insane people, who should not be placed in a jail at all. The county ought to have a place fixed especially for these people. So let us now settle this matter for all time to come, and not make any more expense in calling election and expending more money on the present old shell, which is a disgrace to a county as well off as old Nemaha. Vote for the bonds and we will pay them and hardly know that we have done it, and we will have our records preserved.

A thrill of terror is experienced when a brassy cough of croup sounds through the house at night. But the terror soon changes to relief after One Minute Cough Cure has been administered. Safe and harmless for children. M H Taylor.

Ripans Tablets: pleasant laxative.

There is little war news to chronicle. The battleship Oregon is safe. Sampson is hunting for the Spanish fleet, but the latter is keeping out of sight. One Nebraska regiment has gone to San Francisco and will be sent to the Philippine Islands. The second regiment has gone to Chikamauga, Ga., and will be sent to Cuba. There is talk of the president calling for 75,000 or 100,000 more volunteers. Gov. Holcomb has commissioned Hon. W. J. Bryan a colonel and authorized him to raise a third regiment in Nebraska.

CHAMBERLAIN'S COUGH REMEDY ALWAYS PROVES EFFECTIVE.

There are no better medicines on the market than Chamberlain's. We have used this cough remedy where all others failed and in every instance it proved effectual. Almost daily we hear the virtues of Chamberlain's remedies extolled by those who have used them. This is not an empty puff, paid for at so much a line, but is voluntarily given in good faith, in the hope that suffering humanity may try these remedies and, like the writer, be benefited.—From the Glenville (W. Va.) Pathfinder. For sale by M H Taylor.

MONTHLY SUFFERING.
Thousands of women are troubled at monthly intervals with pains in the head, back, breasts, shoulders, sides, hips and limbs. But they need not suffer.
These pains are symptoms of dangerous derangements that can be corrected. The menstrual function should operate painlessly.
McELREE'S Wine of Cardui
makes menstruation painless, and regular. It puts the delicate menstrual organs in condition to do their work properly. And that stops all this pain. Why will any woman suffer month after month when Wine of Cardui will relieve her? It costs \$1.00 at the drug store. Why don't you get a bottle to-day?
For advice, in cases requiring special directions, address, giving symptoms, "The Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn.
Mrs. ROZBA LEWIS, of Oenaville, Texas, says: "I was troubled at monthly intervals with terrible pains in my head and back, but have been entirely relieved by Wine of Cardui."
