Geo. H. Kittell went to Pawnee City Tuesday, returning the next day.

Eatie Gilbert shipped a car load of wheat to Nebraska City Wednesday.

Thursday was ground-hog day and he saw his shadow if he wasn't froze fast in his hole.

George Green is the proud father of a ten pound boy, born last Saturday night, Jan. 28th.

Mrs. S. F. Bridge went to Auburn Tuesday to see her mother, Mrs. Collins, who is sick.

Lee Johnson went to Superior Wednesday. We understand he will go on to Wyoming.

V. P. Peabody started for Washburn, Ill., Thursday, being called there by the death of his sister.

A. N. Harris shipped a car load of oats to Kansas City and a car of corn to Burlington Wednesday.

A. J. Skeen, of Eskridge, Kans., arrived here Monday morning to attend the funeral of his father, John G. Skeen.

W. T. Banks has made application to be appointed administrator of the estate of his father, Moses Banks, deceased.

Rev. C. H. Gilmore writes us that he has returned from Cherokee, Iowa, and will hold services here next Sunday evening.

J. L. MELVIN, M. D.

Minor Taylor has accepted a position as clerk in a drug store at Talmage and will begin work in a few days. He doesn't like the livery business this kind of weather.

John R. Maddox and wife drove in from Auburn Monday to attend the funeral of Uncle John Skeen and then came to Nemaha and took dinner with Mrs. Cora Crother.

G. B. Beveridge is attending to the duties of district clerk while A. D. Gilmore is serving his country as first assistant clerk of the house of representatives at Lincoln.

Mr. Piersol, living in part of Miss Eva Jarvis' house, had a horse drop dead Tuesday while hauling a load of wood to town from St. Deroin. It is probable a blood vessel was ruptured.

Some persons have been stealing corn from the cribs in Nemaha. The identity of the thieves is pretty well established and if they do not let up on such work they are liable to find their corn comes pretty high.

Marshall Pryor last week sold the farm on which he is living to James C. Sparks. The price paid was \$45 per acre—\$3600 for the eighty. Marshall will move on the Zegafuse farm unless he makes another change before the first of March.

W. T. Russell last week bought Jas. C. Sparks' forty-acre farm, paying \$50 per acre for it. This gives Mr. Russell the full quarter section. Jim couldn't get along without a Nemaha county farm, so he bought Marshall Pryor's eighty without delay.

And now Ed Seid rejoices over the birth of a fine boy who arrived Monday. Ed has not yet decided whether to call him William McKinley or wait until the new United States senator is elected and name him after the fortunate man. He will probably compromise by naming him after pap.

The worst winter weather of the season set in last Saturday with a snow and wind storm that came near being a blizzard. Sunday morning the thermometer was 12 to 14 degrees below zero and Monday and Tuesday mornings were not much better. The cold weather is staying right with us.

Jeff Drumm and Will Swan shipped some Cornish Indian Game chickens to Norcat, Kas., Tuesday. Mr. Drumm is handling the Cornish Indian Game chickens exclusively just now and is receiving more orders for chickens than he can fill. He expects to get some Black Minorcas in a short time.

Mrs. Elizabeth Taylor died at her home in Plattsmouth last Saturday. The funeral services were held Monday. The deceased was the stepmother of J. W. and M. H. Taylor. J. W. Taylor went to Plattsmouth Saturday, remaining until Monday evening. Minor expected to go at the same time but was prevented by sickness.

Charley Taylor has had a little experience on account of the small pox scare that he doesn't care to repeat. He is running a barber shop in Murray, Neb., and shaved a fellow one day that was taken sick with small pox the next day. The authorities promptly quarantined Charley in his shop and kept him there for three weeks. He didn't have the small pox but doesn't want to have another such experience.

Frank Woodward is having a hard time electing a United States senator. He made his usual trip to Lincoln Monday but came back Wednesday in a disgusted frame of mind, saying he wasn't going back until the members of the legislature got tired of their feoling and were ready to elect the senator. But we predict that Frank will not be able to resist the temptation and the first of next week will find him in Lincoln again.

John I. Dressler was recently pleasantly reminded that all people are not ungrateful. For a number of years he has been agent for the Miles land in Nemaha and Aspinwall precincts. A few weeks ago S. B. Miles, the owner of the land, died at his home in Falls City. When his will was read it was found he had left \$500 to Mr. Dressler in recognition of his faithful services as agent. Of course Mr. Dressler is greatly pleased with this token of the appreciation of his management. Two other agents were remembered in a like manner.

Dr. Gaither reports the birth of a son to Mr. and Mrs. James M. Burns, Thursday night. This is No. 12, but Jim is as proud of the youngster as if he was No. 1.

Some one who had more nerve than honesty went into Kerker & Hoover's meat market one night last week and stole a big ham, a piece of bacon and some other stuff. The fellow has a key to the door, as the doors and windows had not been disturbed. The lock on the door has been changed and it is hoped this will stop the robbing. If not some one is liable to get a very disagreeable surprise, as this is not the first time the shop has been robbed, and the proprietors are determined to put a stop to it.

The Titus Nursery of Nemaha, Neb., has just issued one of the most unique catalogues yet seen in the history of Nebraska orchard planting. It is now on our table and we must say that it has been a matter of very pleasant surprise to us the further and more closely we looked into it. It fairly bristles with the kind of facts and experiences that western people want to become familiar with. It is also rife with suggestions that come from a long experience in fruit growing in one of the richest sections of this whole country of ours. We would like to know that hundreds of our readers had received this catalogue. You can get it by asking for it.—Nebraska Farmer.

Mr. Pickles, the South Auburn photographer, is one of the busiest men in Auburn. A year ago he was forced to get more help and was fortunate in securing Mr. Stineman, of Nebraska City, an operator of marked ability. Judging from the amount of work coming from his gallery we would say the people fully appreciate his work.

Our new seed catalogue of Garden, Grass, Field, Flower and Tree Seeds is now ready; you can have it for the asking; don't delay; send for one now. We also buy Sorghum, Millet, Alfalfa, Kafir Corn, Jerusalem Corn and all other kinds of Grass Seeds and Seed Grains. If any to offer please correspond with us.

ANOTHER OLD SETTLER GONE.

Died, at 4:30 p. m., Saturday, Jan. 28th, 1899, in London precinct, Nemaha county, Neb., John Gilbert Skeen, aged 80 years, 4 months and 25 days.

Deceased was born in Sumner county, Tennessee, Sept. 3rd, 1818. He was first married to Betsy Herald Oct. 14th, 1836. To this union two children were born—one son and one daughter. His wife died and he was again married on Dec. 12th, 1843, to Malinda Denning. To their union was born seven children—five sons and two daughters. His aged wife, two sons and one daughter survive him, namely, A. J. Skeen, of Eskridge, Kansas, Ben T. Skeen and Mrs. Jennie Roberts, of Nemaha, Neb. At the age of 18 years he professed religion and joined the M. E. church, of which he was a faithful member for 30 years. Then he united with the Cumberland Presbyterian church, of which he was a member until the time of his death.

Deceased came to Nebraska in 1855, settling in what is now London precinct. He assisted in organizing the first church and Sunday school in the county, preaching being held in his house for some years until a school house was built. He spent a great deal of his time and money for the advancement of the cause of christianity. He was the last of a family of nine children.

The funeral services were held Monday at the brick church, conducted by Rev. John Gallagher, of Auburn.
