Miss Edith Dye, who has been in California for some time, is on her way home. Her health is very poor and was growing worse in California.

A good rain fell here Thursday afternoon and some hail was mixed with it but not enough to do any damage. In Auburn the storm was very bad and considerable damage was done by the hail. A great many window glass were broken.

Rev. Joe Jones closed his meetings in Nemaha Sunday afternoon. He held meetings twice each day he was here with the exception of one rainy day, and was greeted with large audiences. He opened the series of meetings at Brownville Sunday night and will close next Sunday night. He goes from there to some point in Missouri.

A message was received by John Hawxby Friday forenoon containing the sad news that his daughter, Mrs. Annie Field, had died that morning at her home in Shenandoah, Iowa. We understand neuralgia of the heart caused her death. Mrs. Hawxby has been with her daughter for about two weeks. We will publish an obituary in our next issue. The sympathy of the many friends go out to the sorrowing husband and parents.

The Missouri river continued to rise steadily until about noon Wednesday, getting considerably higher than it has any year since 1881. The water covered the railroad track for some distance at the depot. At one place being twelve inches deep over the top of the rails on the main track. The east track on the "Y" was impassible and all south bound trains ran on the west track. The water got in the firebox of the engine pulling the west bound passenger train Wednesday, putting the fire out. The sidewalk to the depot was floating for several rods. The water in the wagon road south of town was in places over hub deep to a wagon. Seymour Howe has about thirty acres of wheat that was covered with water. It is hard to tell how much damage has been done. The water began falling about noon Wednesday and is now almost all off of the bottom.

Kenneth Hall, oldest son of Mr. and Mrs. Mart Hall, of London precinct, died Tuesday morning, from spinal meningitis, aged 18 years.

Horrible agony is caused by Piles, Burns and Skin Diseases. These are immediately relieved and quickly cured by DeWitt's Witch Hazel Salve. Beware of worthless imitations. Keeling

A. R. DeFluent, editor of the Journal, Doyliestown, Ohio, suffered for a number of years from rheumatism in his right shoulder and side. He says: "My right arm at times was entirely useless. I tried Chamberlain's Pain Balm and was surprised to receive relief almost immediately. The Pain Balm has been a constant companion of mine ever since and it never fails. Many mothers who have croupy children always keep this remedy at hand and find that it saves them much trouble and worry. It can always be depended upon and is pleasant to take. For sale by M. H.
