Clint Banks has a good store at Cozad. Frank stopped the next night with Wils Combs, who lives on a ranch about fifteen miles from North Platte. He has a nice bunch of high grade shorthorn cattle and a lot of hogs and is prospering. Mr. and Mrs. Combs were both well. Their daughter Cora is the wife of one of the teachers in the North Platte schools. They have a baby about two weeks old. Frank also met I. F. Rathbone, who has recently been promoted to transfer clerk at Lincoln in the railway mail service, and has moved there. He has bought a place near where David Tourtelott lives. The many friends of these parties will be pleased to hear of their prosperity.

Roy, the nine year old son of Mr. and Mrs. J. O. Redfern, of London precinct, died Sunday with spinal meningitis. The little fellow had been feeling unwell for a week, but was only taken seriously sick on Saturday. He was the only child of a home now left desolate.—Brownville Sun.

It is very hard to stand idly by and see our dear ones suffer while awaiting the arrival of the doctor. An Albany (N. Y.) dairyman called at a drug store there for a doctor to come and see his child, then very sick with croup. Not finding the doctor in he left word for him to come at once on his return. He also bought a bottle of Chamberlain's Cough Remedy, which he hoped would give some relief until the doctor should arrive. In a few hours he returned saying the doctor need not come as the child was much better. The druggist, Mr. Otto Scholz, says the family has since recommended Chamberlain's Cough Remedy to their neighbors and friends until he has a constant demand for it from that part of the country.
