Chub Henderson was up from Shubert Monday.

Mrs. James Jones and Elmer visited Brownville Thursday.

Keeling's drug store has just received a stock of fresh paint.

R. C. Morton is the father of a fine daughter, born Tuesday.

Mrs. C. Galbraith has been very sick but is getting some better.

We will celebrate at Nemaha this year, and don't fail to remember it.

Tom Crummel, Auburn's millionaire bridge builder, was in town Monday.

Mrs. Ollie Scovill went to Brownville Wednesday, returning the next evening.

S. K. Anderson and W. W. Cole drove out to Auburn Thursday afternoon.

J. S. Hadlock was in from Johnson the first of the week and helped paint the elevator.

The Fourth of July committee has ordered a fine assortment of fireworks for that occasion.

Rees Leslie has us send The Advertiser to his brother, Geo. Leslie, at Haysville, Mo.

Ed Stiers and Rufus Rowen this week added their names to our Nemaha list of readers.

S. Gilbert is able to be at the store part of the time now, but is far from being a well man.

Teams are now grading up the drive way to the elevator and it will be ready for business in a few days.

Miss Minnie May, who has been at Omaha for some time, returned home Wednesday. She is feeling much better.

Mrs. Ella Fauver, of Wymore, came to Nemaha Thursday, to be present at the graduating of her sister, Miss Florence Burns.

John B. Seid, of Auburn, came in to Nemaha last Saturday on a visit to his sons, W. W. and J. H. Seid. He returned home Monday.

Mrs. C. A. Grannis, of Beatrice, a sister of Lewis Thompson, deceased, came to Nemaha last Friday to attend the funeral of her brother. She is visiting relatives here.

Dr. I. C. Sutton, of Shubert, was in town Monday.

J. L. Dalby, of the Shubert Citizen, gave us a fraternal call Monday.

Mrs. W. W. Keeling went to Omaha Wednesday, to visit her daughter, Mrs. Ed L. Culver.

James A. Titus paid Beatrice a short visit Thursday, going out on the passenger and returning on the freight that night.

W. R. Bobst, who has been clerking in Keeling's drug store for some time, went to Humboldt Monday, where he has a position as druggist.

Marion Morton, of Dunlap, Iowa, came to Nemaha Friday morning, to see his cousin, Miss Cora Morton, graduate from our high school.

Mrs. J. F. Wykes and two children started Tuesday for their new home in Kirksville, Mo., after a visit of two or three weeks with Mrs. Crim.

Ed Workman, Warren Galbraith and Joe Stilwell will give a ball at the opera house Friday night of next week. A general invitation is extended.

Dr. I. L. Callison, the Stella dentist, will be at Nemaha next Monday, for the purpose of doing dental work in all its branches. Office at hotel.

Fay Duff stepped on a large nail or spike last Sunday and it ran almost through the foot. It made a very sore foot for awhile but it is now considerably better.

Mrs. Andrew Aynes has been very sick for some time. She will probably be taken to Omaha for medical treatment as soon as it is thought she is able to stand the trip.

Ice cream and cake will be served in the lower front room of the opera house Friday night and Saturday night of this week. Good cream and good cake. Everybody invited.

Mr. Kuwizky came down from Nebraska City Monday. His wife and children, who have been visiting the family of Mrs. John Strain, returned to the city with him Wednesday.

W. W. Cole, of Humboldt, is at present clerking in Dr. Keeling's drug store and is contemplating buying an interest. He is an experienced druggist, a good business man and a pleasant gentleman.

Will Blair, son of John Blair, of Stella, was drowned in the Muddy near Stella Wednesday. The young man was fishing, had a fit, to which he was subject, fell into the river and was drowned.

The engine on the east bound passenger train broke down Monday afternoon near Bracken and the train had to wait until the freight engine ran down from Nebraska City and took the train back.

Our press broke down last week while we had about 125 papers to print and we did not get it repaired until Wednesday evening, so some of our subscribers did not get the paper until the news was a little stale.

Billy Maxwell declares he doesn't get sick just to keep from working, as he would rather work than feel like he has been for some time. He has had ague, biliousness and other things that make a man miserable.

Jim Bennett has lost the blue print diagrams of the setting of the engine and boiler. The last time he had it was two weeks ago. The papers are of no use to any one except the owner. The finder will be rewarded by returning the papers.

I. N. Cooper has been suffering for some time with a swelling under the right ear which has recently been growing rapidly. He went to Omaha Thursday to have an operation performed. We hope the operation will be successful and a cure effected.

Base balls, bats and accessories at Keeling's drug store.

For Sale—A 4-hole Marseilles corn sheller in good order. S. C. SHUCK.

Hon. Chas. B. Letton, of Fairbury, and Hon. W. H. Kellgar, of Auburn, have accepted the invitation to address our people on the Fourth of July.

For sale or trade—My residence and two lots in Nemaha. Will take a team, wagon and harness in trade. L. E. MCNINCH.

Mrs. Fannie S. Dowler, of Bristol, Tenn., was the guest of Mrs. E. A. Minick from Wednesday until Friday of this week. Mrs. Minick and Mrs. Dowler are old friends who have not seen each other for many years, and they thoroughly enjoyed the reunion.

Collie Hodkin, who has been away from Nemaha for several years, surprised his friends by coming in Monday. Collie has been one of Uncle Sam's regulars for three years, and for the past six or eight months has been in Cuba. He is enjoying a brief furlough in visiting friends.

Nemaha has been having a mad dog scare for the past two weeks, and as a consequence the dog population has been considerably lessened. A dog supposed to have hydrophobia bit a number of dogs in town and in the country south and southwest of here. All dogs should be carefully watched for some time.

The intermediate and primary departments of our school will give an entertainment at the opera house Saturday night of this week. A splendid program has been prepared. There will be three drills, recitations, songs, etc. A small admission price of five cents will be charged, to assist in defraying expenses.

The biggest snide troupe that ever struck Nemaha was J. Henri Gilpin, who advertised as a hypnotist and gave a performance at the opera house Monday night. He advertised a performance Tuesday and Wednesday nights but as it looked quite stormy Tuesday evening, no audience appeared at the hall, and J. Henri concluded to fly for greener pastures. He went to Brownville the next day.

Mr. Thull, who has the contract for putting up Sam Anderson's store room, left his team standing at the depot Tuesday while he got a drink. The ponies ran away, coming up town on the jump. A short distance west of the opera house one of the lines caught in one wheel and turned the ponies into a brush pile. One pony fell down but neither of them were hurt. The road wagon was considerably damaged and had to be taken to the blacksmith shop for repairs.

Miss Una Fisher, youngest daughter of Lewis Fisher, of Peru, died Friday morning, May 19th, of consumption. The deceased was a lovable young lady and it is sad to see her become a victim of the dread disease. Mr. Fisher took his daughter to Colorado last fall in the vain hope that the climate would restore her health, but the disease had too strong a hold. They returned to Peru a few weeks ago. The deceased was a sister of Mrs. Alf B. Kinton, of this precinct.

Miss Maud Minick has sent in her resignation as postmistress of Nemaha, and a petition has been circulated and generally signed asking for the appointment of Miss Lillian Minick, the efficient deputy, as her successor. Miss Maud has been postmistress for over four years, and the postoffice has never been conducted to the better satisfaction of the public than during that time. Her retirement is regretted, but we believe Miss Lillian will prove a worthy successor. It is understood Miss Maud will soon take up her residence at Arcadia, where she will look after the mails instead of the mails.

This is the best remedy in the world for la grippe, coughs, colds, croup and whooping cough and is pleasant and safe to take. It prevents any tendency of a cold to result in pneumonia.

Mr. S. A. Fackler, Editor of the Miconopy (Fla.) Hustler, with his wife and children, suffered terribly from La Grippe. One Minute Cough Cure was the only remedy that helped them. It acted quickly. Thousands of others use this remedy as a specific for La Grippe, and its exhausting after effects. Keeling, the druggist.

His Life Was Saved.

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with typhoid fever that ran into pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and am now well and strong. I can't say too much in its praise. This marvelous medicine is the surest and quickest cure in the world for all throat and lung trouble. Regular sizes 50 cts and \$1.
