MONTEITH-MINICK.

At high noon Wednesday, June 14th, at the M. E. church in Nemaha, Mr. Joseph William Monteith

Maud E. Minick were united in marriage. The happy couple, accompanied by G. N. Titus and Miss Lillian Minick, took their places at the altar, beneath a large bell of evergreen and flowers, and Rev. D. B. Lake, of Syracuse, an old friend of the parties, in a very few words pronounced the ceremony that made them husband and wife. The wedding march was played by Miss Emma Crim. The church was handsomely decorated with evergreen and flowers. Immediately after the ceremony the newly married couple went to the home of the bride's mother, where they received the congratulations of the invited guests. A dinner was then served. At 3 o'clock they took the train for their home in Arcadia, Neb. As they got on the train they were showered with rice and flowers by the many friends who went to the depot with them.

The groom is a prosperous young business man of Arcadia, and also owns a large farm near town. He had a house ready furnished for his bride, and they will go to housekeeping at once. He is a fine young man in every respect, and deserving of his good fortune in winning so fair a bride.

The bride has been Nemaha's popular postmistress for over four years, only recently resigning that office. She has been a leader in musical and social circles and no one will be missed from our community more than she will. Ever since the organization of the Epworth League she has been the fourth vice president and has had charge of all the music and sociables of the league. For a year or two she has been superintendent of the Junior League. She has also been organist of the Methodist church and leader of the choir. She will be missed by all.

A large number of handsome and valuable presents were received by Mr. and Mrs. Monteith.

May their life's journey together be full of peace, happiness and prosperity.

Lee Clark, who is a corporal in the regular army and at present is stationed at San Francisco, writes his parents that his regiment has been ordered to Alaska and he expects to start Saturday of this week. Lee holds a certificate of bravery signed by the president and secretary of war, given him for exceptional bravery exhibited in the Santiago campaign, where he was severely wounded in the shoulder but remained in the front until the fight was over. Only two in Lee's company were given this certificate. It is a great honor to have one of these certificates, and in addition it increases the pay \$2 per month.
