Jim Bennett had a runaway the first of last week that came near killing him. The bolt holding one single-tree broke and the horses started to run near Sam Anderson's house. He was thrown out, lighting on his head and shoulders, and was pretty badly injured but is able to be out.

The school board met Tuesday afternoon and elected teachers for the ensuing year. The following were elected: Eugene Howe, principal.

Frank L. McNow, intermediate.
Miss Mellinger Minick, primary.
Mr. Howe is a son of Seymour Howe. He graduated in the Nemaha schools four years ago and then went to Peru, where he took a four years' course, graduating from that school two weeks ago. He is a young man of fine ability and won much praise for his success as a teacher in the 7th and 8th grades at Peru.

Mr. McNow is also a graduate of the Peru Normal. He has had several years' experience as a teacher and has been a success.

Miss Minick needs nothing from us as to her capabilities. She has taught the primary department in our school for two years with remarkable success, has won the love of her pupils and the respect of the parents. She was the unanimous choice of the school board and of the district.

On the second day of June, this being the 65th mile stone in his journey of life, W. H. Shubert, of Bracken, Neb., was surprised by his sons and daughters including their families: J. D. Shubert and family; Mrs. Mont Burson and family; Mrs. Jno. Speece and family; J. F. Shubert and family; Walter Shubert and wife, A. M. Shubert and family and little son of Walter Shubert were not present on account of sickness with these exceptions all of the family were together. Five sons and two daughters and ten grandchildren were present on this occasion. At the dinner hour, two tables were spread, one for the older members of the family another for the ten grandchildren and all sat down to a splendid dinner. During the dinner hour the children were entertained by listening to some of the incidents connected with his early life and his struggle to overcome adverse circumstances and the success that finally crowned his persistent efforts, until he can feel that his family, as they surround him on this occasion, are all provided for with comfortable homes and enough to make comfortable his declining years.—Shubert Citizen.
