The great majority of both democrats and republicans favor the administration's policy. The title of the United States to the Philippines is perfect and the responsibility that goes with ownership cannot in honor be shifted to the half barbarous people of the islands. "Die of, yer honor? He died of a Friday."

"I don't mean that; but what complaint?"

"Oh, what complaint, yer honor? Faith, and it's himself that did not get time to complain."

"Oh, aye; he died suddenly?"

"Rather that way, yer honor."

"Did he fall in a fit?"

"Why, no, not exactly in a fit, yer honor. He fell out of a window, or through a cellar door—I don't know what they call it."

"Oh, ah—and broke his neck?"

### What Happened to Mustapha.

Mustapha, a poor Mussulman laborer, had, after two years' work, managed to scrape together five liras, which he kept in a purse in his belt. He was dining in the open air at Makrikeui one afternoon, and had put his belt beside him, when his attention was attracted to the flapping of wings overhead. Looking up he saw a kite hovering above him; but Mustapha went on with his meal, till suddenly the bird swooped down upon the belt and carried it off. The poor man shouted the Turkish equivalent for "Stop thief!" and soon gathered a crowd around him. At first he was supposed to be insane when he showed them the bird in the far distance as the thief to be stopped. On hearing, however, the whole story, the kind-hearted people collected a small sum and presented it to Mustapha to console him for the loss of his savings.—Tkdam, Constantinople.

## From Mrs. Sunter to Mrs. Pinkham.

[LETTER TO MRS. PINKHAM NO. 76,244]

I was apparently an invalid, was confined to my bed for ten weeks. (I believe my trouble was ulceration of womb).

"After taking four bottles of the Compound and using some of the Liver Pills and Sanative Wash, at the end of two months I had greatly improved and weighed 155 pounds, when I never before weighed over 138. Lydia E. Pinkham's Vegetable Compound is the best medicine I ever used, and I recommend it to all my friends."—MRS. ANNA EVA GUNTEL, HIGGINSVILLE, MO.

### Mrs. Barnhart Enjoys Life Once More.

"DEAR MRS. PINKHAM—I had been sick ever since my marriage, seven years ago; have given birth to four children, and had two miscarriages. I had falling of womb, leucorrhœa, pains in back and legs; dyspepsia and a nervous trembling of the stomach. Now I have none of these troubles and can enjoy my life. Your medicine has worked wonders for me."—MRS. S. BARNHART, NEW CASTLE, PA.
