The ticket nominated by the republicans last Monday is a good one and a strong one.

J. W. Armstrong represented Nemaha county two years ago in the legislature, and his record was so satisfactory to his constituents that he was renominated by a rousing majority. He has been in business in Auburn for twenty years and his honesty is conceded by all.

G. N. Titus only consented to allow his name to be used as a candidate after earnest solicitation from friends all over the county, who believe he is the strongest man the republicans could nominate. He has spent all his life in Nemaha. For the past ten or twelve years he has been engaged in the nursery business and has built up a large trade. His integrity and ability are conceded by all.

M. S. McIninch is one of the rising young attorneys of Auburn—a brilliant young man of more than ordinary talent. He will make as good a county attorney as Nemaha county ever had.

For county commissioner G. T. Dustin was the choice of the convention. Mr. Dustin is a member of the firm of Dustin & McConnell, liverymen of Auburn, an old resident, and a man who will manage the affairs of the county carefully and judiciously.

The ticket is deserving of the support of all republicans.

If you have a baby in the house you will wish to know the best way to check any unusual looseness of the bowels, or diarrhoea so common to small children. O P M Holiday of Deeming, Ind., who has an eleven months' old child, says: "Through the months of June and July our baby was teething and took a running off of the bowels and sickness of the stomach. His bowels would move from five to eight times a day. I had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy in the house and gave him four drops in a teaspoonful of water and he got better at once." For sale by Keeling.

Attention Republicans

The republican club will be organized Saturday night of this week. All republicans of Nemaha, Aspinwall and St. Deroin precincts, and from the south part of London and Brownville precincts are requested to meet at the Minick hall at 8 o'clock. Congressman Burkett and other candidates will be present and give a talk. The meeting will be open to all, and the ladies are invited to be present.

Old Settlers Picnic

Everybody in this part of the county appears to be preparing for the old settlers picnic.

We have positive assurance from Congressman Burkett and Hon. G. W. Berge that they will be here.

The present arrangement is to have Mr. Berge speak in the forenoon and Mr. Burkett in the afternoon.

There will be plenty of music both vocal and instrumental.

S. H. Avey & Co. have kindly consented to donate the use of a fine Kroeger piano on that day.

The A. O. U. W. band of Peru will be here.

If you want to meet all your friends at one time come to the picnic.

A Hard Rain.

The hardest rain ever experienced in Nemaha fell Sunday night, beginning about seven o'clock. From the best accounts we can get at least twelve inches of water fell. The gauge at the depot, which registers six inches, was full and running over at midnight, and there was lots of rain after that. Mrs. Rebecca Collins had a straight jar sitting out in the yard that she says she knows had no water in Sunday, and it was running over Monday morning. The jar is twelve inches deep. E. J. Maxwell had a half bushel that measured fourteen inches in depth and it caught within about an inch and a half of the top. Numerous others tell about the same. The whole town was flooded. The culvert across the street from the corner of the Advertiser office to the livery stable bursted and a good stream of water was running all day Monday and Tuesday. Many small bridges and approaches to bridges were washed out. The wagon road to Auburn on the township line was flooded on each side of the Nemaha river, as the river was out of its banks. The water was almost to the tops of the fence posts. There was considerable wind the forepart of the night and some corn was blown down and other damage done.

At Auburn six inches of water fell. Farther north the rain was lighter, so the Nemaha did not do much damage.

Timely information given Mrs George Long of New Straitsville, Ohio, saved two lives. A frightful cough had long kept her awake every night. Stor of a Slave.

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D Williams of Manchester, Mich., says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. It is a godsend to weak, sickly, run-down people. Cure guaranteed. Only 50c. Sold by W W Keeling, druggist.

Republican County Convention

The republican county convention was called to order at 11 a. m. Monday by A. D. Gilmore, chairman of the county central committee, and the call was read by the secretary, W. H. Bousfield.

T. J. Crummel was elected temporary chairman, W. W. Sanders temporary secretary and W. H. Bousfield assistant secretary.

As there were no contests the list of delegates as handed in to the secretary was adopted.

The temporary organization was made permanent.

Moved that the recommendation of the county central committee relative to proxies be adopted. Carried. A recess was taken until 12:30 p. m.

After the recess C. B. Parker moved that the chair appoint a committee of seven to select delegates to the float convention. T. J. Majors moved to amend by giving precincts opportunity to select delegates according to their representation at this convention. The substitute was lost 56 to 71, and the original motion carried. The chair appointed as such committee C. B. Parker, J. J. Neal, J. M. Armstrong, E. J. Tucker, J. B. Lewis, J. H. Pohlman, C. P. Barker.

The committee retired and after some consultation brought in a report recommending that the precincts select delegates and making the apportionment, giving one delegate to each nine delegates to this convention. The report was adopted. The following delegates were selected: T. J. Majors, D. C. Cole, J. J. Neal, J. H. Pohlman, Fred Keitchel, C. B. Parker, Chas. R. Hacker, W. P. Freeman, R. C. Boy, H. B. Swan, E. D. Berlin, F. I. Woodward, Frank Shubert, Wm. Burrow, J. W. Meyer.

The following resolution was then adopted:

Be it resolved that the delegates selected by this convention to the senatorial convention be instructed to use all honorable means to secure the nomination of Hon. Peter Berlet.

Proceeded to nominate two representatives. J. W. Armstrong, G. N. Titus, J. W. Lash and J. P. Gilliland were placed in nomination. The first ballot resulted in J. W. Armstrong getting 109 votes and J. P. Gilliland 22, but before the result was announced a motion was carried to make the nomination unanimous.

On the next ballot G. N. Titus was nominated, the vote standing Titus 95, Gilliland 17, Lash 11. His nomination was made unanimous.

For county attorney M. S. McIninch was nominated by acclamation.

The delegates from the second commissioner district agreed on G. T. Dustin for county commissioner and the nomination was ratified by the convention.

By motion the county central committee was given power to fill any vacancies that might occur on the county ticket and the senatorial and float representative central committee was given like power in case of a vacancy occurring for the office of senator or float representative.

The convention then adjourned
