CURRENT COMMENT.

A Chinese doctor's fee is perhaps the smallest in the world, ranging from 2d to 5d, but this can be accounted for by the fact that anyone can practice as doctor or physician.

There seems to be no limit to the size of the classes at our leading universities nowadays. The entering classes at Harvard have numbered something over 400 for several years, and now the 500 mark is approached.

Richard Croker, Jr., son of the Tammany leader, has started to work as a blacksmith's helper in a shipyard at Elizabethport, N. J. The young man is a stockily built fellow like his father and declares that he likes the work.

A Portland (Me.) man, who seldom attends church services, was persuaded to hear a sermon last Sunday, and was much impressed. "You are never too old to learn," he remarked confidentially to an old friend. "Now, I always thought Sodom and Gomorrah were husband and wife, and I find they were nothing but cities."

Both the prince of Wales and King Victor Emmanuel of Italy have a nervous affection of the muscles of the face, which makes the left eye blink constantly. To those acquainted with the infirmity it is hardly noticeable, but to strangers who have occasion to converse with either of the men it is somewhat disconcerting.

A Methodist preacher in Arcadia, Ind., conformed to the wishes of several of his new converts one day last week and baptized them by immersion. He hung his wet suit out of doors afterward to dry, and some son of Belial came along and stole it. The good brother is believed to be firmly convinced now that sprinkling or pouring is the proper mode.

"Woman needs no praise. Last at cross and first at grave, I am sure that she will be first in the kingdom of God." Uttered in the presence of Helen Gould, these words concluded an address delivered by Brig. Gen. Joseph Wheeler to a large audience at the dedication of the new Young Men's Christian association shelter on Governor's island, N. Y., last week.

During Cleveland's administration the United States government issued \$262,227,000 in bonds. During McKinley's administration \$198,678,720 in bonds have been issued. The latter sum does not include refunding two per cent. bonds issued in exchange for bonds of higher rate outstanding. About \$50,000,000 in bonds have been paid off during the present administration.

Gambling debts are pre-eminently debts of honor in China, and they are more willingly and speedily paid than any others. To pay them a Chinaman will pawn all his property, and even sell his children. For doing this he is regarded by the public as worthy of all praise, and the relatives who allow themselves to be sold are treated as models of filial devotion. Meanwhile, a tradesman to whom a debt is due may starve or go bankrupt.

Young John D. Rockefeller, in his address to a Bible class in Tarrytown the other day, told his hearers that there were a good many things better than money in this world, and that one of them was work. He said he had learned this fact by cutting wood and crushing stone at 15 cents an hour. He recalled that when he was in college his most intimate companions were men who worked their way by laundry work or doing janitor's duty.

All that remains of the great temple of Zeus, which was 700 years in building, is to be found about 150 yards from the foot of the Acropolis at Athens. The ruins consists of 16 columns of the Corinthian order, 6 1/2 feet in diameter and 60 feet high. It was the second largest temple erected by the Greeks, one superior to it in size being the temple of Diana at Ephesus. According to a legend its foundation was built by Dukallon, the Greek Noah, who from this point witnessed the waters of the flood subside.

ROOSEVELT IN KENTUCKY.

Large Crowd Greeted the Governor at Covington—At Lexington He Spoke of the Corruption of the Ballot.

Covington, Ky., Oct. 16.—Addressing one of the largest crowds that has ever assembled in this city to listen to a candidate for public office, Gov. Theodore Roosevelt last night closed his campaign in Kentucky and to-day will proceed on his tour of Ohio.

His Address at Lexington.

Lexington, Ky., Oct. 16.—Gov. Roosevelt was tendered a hearty reception when his special train reached here Monday morning, making the first stop of the day. A splendid crowd greeted him at the railroad station and expressions of enthusiasm were heard on every hand. Gov. Roosevelt spoke from a stand in front of the courthouse and was introduced by ex-Congressman W. C. P. Breckinridge and ex-Comptroller M. J. Durham, who served during Cleveland's first administration. A feature of the demonstration was a parade in which were several hundred rough riders. The governor said in part:

In a sense there is a peculiar state contest in Kentucky, but no contest for the fundamental rights of manhood can be merely a state contest. Last year you elected a legislature to choose a senator, and saw a legislature that had not been elected choose a different senator, and there the nation comes in with its rights. I hope and believe that the upper house, like the lower house, will decide that no man shall be admitted to sit within its walls whose election was attended with fraud and with a threat against the rights of the people. The danger of imperialism in this country comes from ourselves if we are wrong. Never will we see our government fall unless we connive at and condone the outrages upon the ballot, that corruption of the franchise which puts in power against the will of the people those who sit in office and deprive the office of the men honestly elected to sit there. I want to speak especially to those democrats who still remain under the influence of a party name that has lost all its significance. At present your leaders are persuading you to follow them on the ground that they have cheated in your interests. Your party leaders who cheat for your interests, if it agrees with their interests, would cheat you as they have previously cheated their foes.

AT MCKINLEY'S HOME

William J. Bryan Made a Short Address to a Crowd of His Friends at Canton Monday Morning.

Canton, O., Oct. 16.—There were important accessions to the Bryan train before it left Akron Monday morning. These consisted of Mayor Jones, of Toledo, and Former Attorney General Monett. Both joined the party upon the invitation of Mr. Bryan and it is understood that Mayor Jones will continue with the presidential candidate on his New York tour. The first stopping point was Canton, the home of the Nebraskan's rival for the presidency. This place was on the itinerary only conditionally and when Mr. Bryan was told that he could have a stop of five minutes if he so desired, he replied that whether he should speak or not would depend upon whether there was a crowd at the station. As the train drew into Canton there were cheers and a goodly crowd was there to meet Mr. Bryan. He was received with cheers and made a four or five-minute speech, referring pleasantly to the president and saying that if he should not be re-elected he could always be an ex-president, as the "ex" was a title that, once earned, could always be held.

Miss Gast's Long Bicycle Ride.

New York, Oct. 16.—Miss Gast completed her ride of 2,000 miles at 7:05 1/2 yesterday evening. She covered the distance in 222 hours and 5 1/2 minutes, beating the record of Will Brown by three hours and one minute. At the conclusion of her ride Miss Gast was examined by two physicians, who pronounced her to be in good condition.

Secretary Long to Go on the Stump.

Washington, Oct. 16.—Secretary Long has planned to make several speeches on political topics during his western trip which begins next week. He is going to Colorado to visit his daughter and besides talking in that state may make one or two addresses in Nebraska.

Hill Speaking in Illinois.

Springfield, Ill., Oct. 16.—David B. Hill, of New York, arrived here Monday to address the democracy. A parade escorted him from the station to his hotel and he received an innovation. The city was filled with visitors and the buildings were lavishly decorated.

Nineteen Hundred Houses Washed Away.

Tacoma, Wash., Oct. 16.—A typhoon caused great damage on the coasts of Formosa and southern China. Numerous towns were destroyed or badly damaged. Nineteen hundred houses were washed away or inundated at Taipei, Formosa, and many lives lost.

What Caused the Boers' Ruin.

Berlin, Oct. 16.—The Berliner Tageblatt publishes a letter from Machadodorp, which concludes as follows: "Not superior numbers, nor the greater military capacity of the British, but treason, folly and puffed-up impotency among our leaders caused our ruin."

NEAR BRITISH FRONTIER.

Chinese Rebels Three Thousand Strong Threaten Trouble North of Canton—Rebellion Well Planned.

Hong Kong, Oct. 16.—A column of troops was dispatched Monday to the Kowloon frontier, with the object of barring armed refugees, either rebels or imperial troops, from entering British territory when defeated. The rebels are reported to be 3,000 strong 30 miles north of the British frontier. A thousand of Admiral Ho's troops are in pursuit of them, while 2,000 Chinese troops have left Canton, overland, to intercept the rebels. Admiral Ho has informed the governor that the rebellion was carefully planned. The rebels are anxious to conciliate the villagers and gain the respect of foreigners, hence the absence of outrage and pillage. All indications point to the rising being widespread. Outbreaks occurred simultaneously in several centers of Kwang-Tung and Kwang-Si. Apparently Kang-Yu-Wei, Sun-Yat-Sen and the triads have amalgamated their forces in the common cause—the overthrow of Manchu rule in south China. Some positive indications of the attitude of the foreign powers is anxiously awaited. A French launch was captured by pirates October 13 near Mongh-Chow. The pirates secured \$32,000 in specie.

HIS CURIOUS WILL.

Englishman Leaves His Daughters \$700,000 on Condition That Neither Weds Until 35 Years of Age.

London, Oct. 16.—The will of J. C. Clayton, the son of the late member of parliament of that name, has just been probated. By it he leaves his two daughters a fortune of \$700,000 with the curious provision that the money is to be payable only if they attain the age of 35 without marrying.

The Youtsey Trial Resumed.

Georgetown, Ky., Oct. 16.—The Youtsey trial was resumed yesterday, although Youtsey was reported in the same condition as last week. His room door was opened and his bed pulled in plain view and hearing of the jury, and while the witnesses were being examined Youtsey could be heard calling his wife's name in a hollow, moaning voice and she could be seen sitting on his bed. The feature of the day was the testimony of Arthur Goebel, the brother of the murdered man.

MacArthur Can Use Them.

Washington, Oct. 16.—The war department has practically determined to adopt Gen. Davis' recommendation and reduce the military force in Porto Rico. The troops will be brought to the United States and then sent to Manila. Eight companies of the Tenth infantry can be spared from the islands and these will make a welcome addition to Gen. MacArthur's command.

Senator Hanna Speaking in the Northwest.

Madison, Wis., Oct. 16.—Senator Hanna began his speech-making tour of the northwest yesterday by making six addresses in Wisconsin, two of them of some length. The principal addresses of the day were made at Waukesha, where the special train carrying Senators Hanna and Frye and other republican leaders was held for over an hour, and at Madison.

Alleged \$50,000 Check from Croker.

Chicago, Oct. 16.—Richard Croker would receive every vote at democratic national headquarters for a place in the temple of fame. The Tammany boss has given Thomas Taggart, democratic committeeman for Indiana, \$50,000 for a campaign fund in that state. Indiana has been the only state to which Croker has been willing to send a dollar.

For Fraudulent Registration.

Kansas City, Mo., Oct. 16.—"Roley Roley" Smith, a clerk in the office of the election commissioner, was arrested on a warrant charging him with abetting fraudulent registration. He was arrested in front of Pendergast's saloon and Pendergast signed Smith's bond. This is the third arrest that has been made at the instance of the republican county committee.

Marines to Stay in Luzon.

Washington, Oct. 16.—Secretary Long has decided not to order home any of the marines now in the Philippines. Instead, if more marines should be available they will be sent to Manila. Reinforcements are necessary, because of the contemplated reduction of Gen. MacArthur's command by the withdrawal of the volunteers.

Annual Report of the Fort Scott Road.

New York, Oct. 16.—The annual report of the Kansas City, Fort Scott & Memphis railroad for the June 30 fiscal year, issued yesterday, shows an increase of \$981,830, or 22 1/2 per cent. in earnings, of \$636,493, or 21 1/3 per cent. in expenses, and \$345,337, or 25 1/3 per cent. in net earnings.

Gold from the Transvaal.

New York, Oct. 16.—It is announced that the National City bank has engaged \$2,500,000 in gold for import. The gold was secured in South Africa and represents the first output of the mines of that country since the breaking out of the war.

The Baby Was Healthy.

Two Irishmen who had not seen each other for a long time met at a fair. They had a lot of things to tell each other. "Shure, it's married I am," said O'Brien. "You don't tell me so!" said Blake. "Faith, yes," said O'Brien, "an' I've got a fine, healthy boy which the neighbors say is the very picture of me." Blake looked for a moment at O'Brien, who was not, to say the least, remarkable for his good looks, and then said: "Och, well, what's the harm so long as the child's healthy?" — Chicago Chronicle.

WORTH A KING'S RANSOM.

Saved From the Maelstrom of Catarrh

How Peruna Saves Lives

Mrs. Col. E. J. Gresham, Treasurer Daughters of the Confederacy, and President Hernden Village Improvement Society, writes the following letter from Hernden, Fairfax county, Va.:

Hernden, Va.

The Peruna Medicine Co., Columbus, O.:

Gentlemen—"I cannot speak too highly of the value of Peruna. I believe that I owe my life to its wonderful merits. I suffered with catarrh of the head and lungs in its worst form, until the doctors fairly gave me up, and I despaired of ever getting well again. "I noticed your advertisement and the splendid testimonials given by people who had been cured by Peruna, and determined to try a bottle. I felt but little better, but used a second and a third bottle and kept on improving slowly. "It took six bottles to cure me, but they were worth a King's ransom to me. I talk Peruna to all my friends and am a true believer in its worth." Mrs. Col. E. J. Gresham.

Thousands of women owe their lives to Peruna. Tens of thousands owe their health to Peruna. Hundreds of thousands are praising Peruna in every state in the Union. We have on file a great multitude of letters with written permission for use in public print, which can never be used for want of space. Address The Peruna Medicine Co., Columbus, O., for a book written especially for women, instructively illustrated, entitled "Health and Beauty." Sent free to women.
