The sickest man over the result of the election we have seen yet is Ed Parriott. Ed was so confident of the victory of the fusion forces that he wagered about \$300 on the result and lost every bet he made. He declares he will never cast another vote in Nebraska but will go to Texas where a democrat has some show of voting for a candidate who will be elected.

NOTICE

No. 108. A good stock farm of 100 acres 1 1/2 miles from good trading town on B. & M. R'y and 9 miles from Red Cloud. This farm has about 65 acres in cultivation, 60 acres in pasture and balance grass. Small frame house and stable and a splendid spring that would furnish water for a thousand head of cattle. A splendid location convenient to school, church and market. Only \$1800. This can't be beat. I also have half section equally as cheap. Send for list. D. J. MYERS, Red Cloud, Neb.

There was a jolly surprise at the home of Ed Swope, six miles southwest of Nemaha, on Sunday, several of his neighbors going in with well filled baskets. Uncle Ed is a genial, whole-hearted soul and enjoys the companion ship of friends and neighbors right royally. Those present were Walker Mason and wife, Alfred, Clarence, Francis, Cloyd and Cecil, Mr. and Mrs. F. M. Anderson, Mr. and Mrs. Dick Mason and family, Charlie Swope and wife, John, Bell, Walter and Cera May Swope, Frank Hawxby, wife and son, John W. Hawxby, Nellie Hawxby and Nannie Day.

The Advertiser shared in the good things, a generous supply of cake being sent in.

There have been reports in circulation since the election that attempts would be made by the republicans to deprive Fred G. Hawxby of a seat in the legislature on the ground that he has not been a resident of Nemaha county for the past twelve months, as required by law. It is claimed that Fred voted at Lincoln last fall and for several years previous and that he did not return to Nemaha until some time in the summer. The fusionists are contesting the seat of a republican senator-elect in another county on similar grounds. We do not believe the republicans should take advantage of a technicality to deprive Mr. Hawxby of the position to which he has been elected, even if they should have the power so to do, and hardly think it will be attempted. If anything is done it will be in retaliation for a like effort on the part of the fusionists.

Quarterly meeting will be held at the Methodist church next Sunday at 11 o'clock a. m. Sunday school will begin at 9:45 that morning. There will be no services Sunday night. Quarterly conference at 8 p. m. Saturday. Dr. Peter VanFleet, presiding elder, will be present.

John W. and Frank Skeen, Lewellyn Williams and Tom Chapman loaded their goods this week and will start today or tomorrow for Ord, Nebraska, where they expect to make their home for awhile. Mr. Skeen subscribes for The Advertiser in order that he may keep posted on Nemaha affairs.

Two or three weeks ago Roy Stephens received a letter from H. H. Seymour, of Nebraska City, who claimed to run an employment agency and stated that he could give employment to a number of men in the cereal mills at \$45 a month and insure a winter's job. He required all applicants to pay him 50 cents when they filed their applications. Roy showed the letter to friends and ten of them sent in their applications with the 50 cents fee, and received word that they could go to work at any time they wanted to. John Flack, Albert Celerick and David Seid went to the city Saturday afternoon, expecting to go to work Monday morning, but when they applied to the manager they were informed that there was not work enough for the old hands, who of course would be given the preference, and that Seymour had no power to employ men for the mills. Flack came back Monday evening and the other two the next day. It is likely Seymour will find himself in hot water over this and other affairs of similar nature.

If you have a baby in the house you will wish to know the best way to check any unusual looseness of the bowels, or diarrhoea so common to small children. O P M Holliday of Deeming, Ind., who has an eleven months' old child, says: "Through the months of June and July our baby was teething and took a running off of the bowels and sickness of the stomach. His bowels would move from five to eight times a day. I had a bottle of Chamberlain's Cholera and Diarrhoea Remedy in the house and gave him four drops in a teaspoonful of water and he got better at once." For sale by Keeling.
