Plenty of timber for fencing and shedding, school house at corner of place. This is all good soil, and what is not in cultivation is very best of grass land. Owner also claims to have living water on the place. We are able to offer this farm at the present time for \$5500, which is a thousand dollars less than heretofore offered for. This is certainly a great bargain and no one will object to the price after seeing the farm. It will pay you to investigate this at once. For further information please call on or address

The editor of the Auburn Herald in an article headed "An Unreliable Census" states that Nemaha County has been misrepresented in regard to the stock census in Bulletin No. 17. Ex-President Cleveland's Magazine Articles  
Ex-President Cleveland is writing for The Saturday Evening Post a series of strong articles which will appear in the magazine during the winter months. Some of these papers will deal with political affairs, and others with the personal problems of young men. They will be Mr. Cleveland's first utterance in any magazine on the questions of the day since he left the White House.

Mr. Cleveland's opening paper, which appears in The Saturday Evening Post of December 22, discusses in a masterly manner a most important phase of our national politics.

## Christmas in Nemaha.

Christmas was passed in an enjoyable manner, generally speaking, in Nemaha. Christmas Eve exercises were held at the Methodist church, in connection with a Christmas tree. The exercises were opened with singing, prayer by Dr. Keeling, singing, and brief remarks by the superintendent, W. W. Sanders, after which came the distribution of the presents. Two handsome cedar trees had been donated by John Russell. These were filled with presents and as many more were stacked around the trees. Every member of the Sunday school was remembered with a present and a sack of candy and nuts. Class No. 9 presented their teacher, Mrs. W. W. Sanders, with a handsome set of silver knives and forks. The church was crowded. One present, a silver card case put on the tree for Miss Mabel Barker, was not received by her. It is hoped the person getting it will send it to Miss Mabel at once.

There was a disgraceful fight in Nemaha Tuesday afternoon—all caused by whiskey drinking. Jerry Colerick and Will Flack were the chief participants. Jerry, who behaves himself while he is sober, but who is very abusive when drunk, had been drinking and got into a racket with Will Flack. There had been trouble between them before this. Finally they got into a fight and Jerry was badly pounded up and had to have the services of a physician. Flack went before Judge Smiley the next day, plead guilty to assault and battery under great provocation, and was fined \$1 and costs.

Albert Colerick, who was mixed up in the fight, was arrested and brought Justice Smiley on Wednesday, charged with being drunk and fighting, plead guilty and was fined \$15 and costs. As he could not pay the fine he was sent to jail.

Jerry will have his trial when he gets well enough to be out.

CHESTER, Neb., Dec. 15, 1900.  
W. W. Sanders: Dear brother:—You have made a statement in The Advertiser that I was going to stop preaching and go on a farm. Several times that story started while I was on that charge. It is either a deliberate lie started for some purpose unknown to me, or it is the utterance of some depraved imagination, for nothing is or has been further from my thoughts than this. When I quit preaching it will be when I am not able to preach any more. Then I will not be able to run a farm, I go to another state but not for the purpose of deserting the cause of the Master. I doubt your having any good authority for the statement.  
Yours,  
C. H. GILMORE.

The above should have been published last week but was overlooked. We thought we had good authority for the statement. We have been informed that a citizen of Brownville claims he has a letter from Mr. Gilmore in which the latter said he intended to quit the ministry, but we are pleased to learn that this is a mistake. Few ministers in this conference are capable of doing better work than Bro. Gilmore and we hope to hear of his being in the ministry for many years.
