

MEDICAL EXAMINER

Of the U. S. Treasury Recommends
Peruna.

Dr. Llewellyn Jordan

Dr. Llewellyn Jordan, Medical Examiner of U. S. Treasury Department, graduate of Columbia College, and who served three years at West Point, has the following to say of Peruna:

"Allow me to express my gratitude to you for the benefit derived from your wonderful remedy. One short month has brought forth a vast change and I now consider myself a well man after months of suffering. Fellow sufferers, Peruna will cure you."

Catarh is a systemic disease curable only by systematic treatment. A remedy that cures catarh must aim directly at the depressed nerve centers. This is what Peruna does. Peruna immediately invigorates the nerve-centers which give vitality to the mucous membranes. Then catarh disappears. Then catarh is permanently cured. Peruna cures catarh wherever located. Peruna is not a guess nor an experiment—it is an absolute scientific certainty. Peruna has no substitutes—no rivals. Insist upon having Peruna.

A free book written by Dr. Hartman, on the subject of catarh in its different phases and stages, will be sent free to any address by The Peruna Medicine Co., Columbus, Ohio.

VICE REWARDED.

The Oracular Passenger Gives the Conductor a Tip and Gets Left Himself.

"The man who gave me that," said the conductor to the only passenger in the car, "must have thought I was a chump."

The passenger examined the lead five-cent piece with a smile, says Puck. "You're stuck," he said, oracularly. "Unless," he added, unscrupulously, "you can pass it off."

"I wouldn't do that," returned the conductor, polishing the bogus coin on his coat sleeve. "Besides, no one would take it."

"Not alone, but you might slip it in among two or three good ones," suggested the passenger.

The conductor shook his head virtuously, as the car began to fill up.

An hour later the ex-passenger fished up some small change to buy a cigar, and the first thing he saw was a lead five-cent piece. "I gave him a quarter," he mused, "and he gave me four nickels in change. The man," he added, still musing, "who gave me that, must have thought I was a chump."

The average girl thinks that getting a letter with a sealing wax stamp and an initial on it, is next to getting a letter bearing a coat-of-arms.—Acheson Globe.

Father—"Where did you learn that new piece?" Daughter—"It isn't a new piece. The piano has been tuned."—Indianapolis News.

HER HEART WAS TOUCHED.

A South Dakota Mother and Her Little Girl Express Their Gratitude in an Open Letter.

Folsom, Custer Co., South Dakota, Dec. 31, 1900 (Special).—Mrs. H. D. Hyde has given for publication a letter expressing her unbounded gratitude to Dodd's Kidney Pills for the double cure of herself and little daughter.

Mrs. Hyde has been troubled with pains in her heart for over three years, and for a long time her little girl suffered from weak kidneys. The grateful lady does not seem able to find words strong enough to express her gratitude. She has written the following:

I cannot say too much in praise of Dodd's Kidney Pills. They are the greatest kidney and heart medicine I ever used. I had been troubled for over three years with a severe pain in my heart, which entirely disappeared after I had taken a few doses of Dodd's Kidney Pills. I also gave them to my little girl, whose kidneys had been weak, and she commenced to improve from the very first dose. Dodd's Kidney Pills are certainly a wonderful medicine. I would be pleased to have this, my statement, published, as I feel it my duty to let others know just what the Pills will do for them.

MRS. H. D. HYDE.

Reports of Captures of Insurgents as the Result of Scouting in Luzon—American School-Teachers Wanted.

Manila, Dec. 31.—Yesterday brought many reports of captures of insurgents as the result of scouting throughout Luzon. The Americans in this work sustained no casualties. A detachment of the Fourth regiment captured 60 in the province of Cavite. Gen. Wheaton reports having captured and burned Gremorio's camp in the peninsula, near San Antonio. Gen. Funston reports that five insurgents were killed and several captured near Gaysan. Gen. Smith wires that the proclamation of the governor general has had good results in his district. Near Moriones Saturday a dozen insurgents were killed and eight wounded. Gen. Grant telegraphs that he has detachments covering the lower portions of Mount Arayat in the hope of catching Alejandrino. He says that last Friday a detachment of the Forty-first infantry raided the camp of the insurgent leaders and secured some of his papers. Near Aliaja yesterday Capt. Mendoza with 30 men of Sandico's command surrendered. Detachments of the Eleventh and Ninth cavalry killed 12 insurgents and destroyed several camps in the Camarines district.

The Philippine commission has added to the pending school bill a provision for the employment of 600 American teachers at salaries ranging from \$75 to \$100 per month.

EDDIE M'GEE WANTED.

Leader of the Beals Kidnaping at Kansas City Thought to Have Been Mixed Up in the Cudahy Affair.

Omaha, Neb., Dec. 30.—Eddie McGee, alias Burns, alias Ralston, the notorious leader in the Beals kidnaping at Kansas City six years ago and who served seven years in the Joliet prison for another offense, is now wanted by the police as the "dark-complexioned man" in the Cudahy abduction. McGee is known to be a friend of Pat Crowe. The fact that the abductors told young Cudahy he was "wanted as Eddie McGee for stealing \$50 from his aunt," is considered significant. McGee's criminal record is a long one and he is alleged to have had a hand in at least three abductions. His description fits fairly well that of the man seen in company with the alleged Crowe.

SKINNED WHILE ALIVE.

Horrible Story of Filipino Cruelty Which Was Visited Upon Captives of the Twenty-Fourth Infantry.

West Superior, Wis., Dec. 31.—In a letter written from the Philippines just before the recent election, to his folks in this city, Capt. Harry W. Newton says that at that time the enroachments of the natives were worse than they had been at any time during the year previous. As one instance of their ferocity he writes: "Just the other day they jumped a detachment of our Twenty-fourth, numbering 22 men, and captured 16 of them. One of them was found terribly mutilated, showing signs of being skinned while yet alive."

Grave of Lincoln's Mother.

Richmond, Ind., Dec. 31.—After many years of effort the grave of Nancy Hanks Lincoln, mother of Abraham Lincoln, is now the property of the state. Gov. Mount has reserved the ground in the immediate vicinity of the grave, in Spencer county, in behalf of the Nancy Hanks Memorial association. The ground is to be turned into a park, and a custodian will be put in charge and much beautifying done. The deed is from the commissioners of Spencer county.

A Five-Year-Old Boy Kidnaped.

Houghton, Mich., Dec. 31.—The five-year-old son of Mrs. Raymond Thiery, of Dollar Bay, has been kidnaped, evidently in the hope of securing a ransom. The boy was taken by a well known character in the copper region named Sullivan, it is said, and the sheriff, with a posse of indignant citizens, is scouring the country, hoping to catch him before he gets beyond the state line. It is thought he is heading for Canada.

Editor Was Too Critical.

Ava, Ill., Dec. 30.—E. E. Waller, editor of the Ava Advertiser, was attacked by Mrs. John Conner, a woman prominent in society, and received several blows from a horse-whip in the hands of the enraged woman. The cause of the trouble was an article in the Advertiser which scored a number of non-paying patrons who had refused to take their papers from the post office.

Fendists Kill Many Sheep.

Miles City, Mont., Dec. 31.—A telephone message from Otter, Custer county, says 11 men stampeded 3,000 sheep, killing the whole herd. The sheep belonged to R. K. Selway, the largest owner in eastern Montana, and were probably driven over a precipice. There was a range feud at Otter all the summer and many here look for further deeds of violence.

The Twentieth Century.

We now stand at the threshold of the twentieth century, and the nineteenth is a thing of the past. It will, however, be known as a century of invention and discovery, and among some of the greatest of these, we can truthfully mention Hostetter's Stomach Bitters, the celebrated remedy for all ailments arising from a weak or disordered stomach, such as dyspepsia, indigestion, flatulency, constipation and biliousness.

Perils of Civilization.

If we are driven to the hard labor of opening oysters for the sake of avoiding preservative and to milking cows to keep clear of formaldehyde it is evident that the highest civilization has not lightened our burdens, but rather added to them. By the way, embalmed beef has gone out of fashion, hasn't it?—Detroit Free Press.

There is a Class of People

Who are injured by the use of coffee. Recently there has been placed in all the grocery stores a new preparation called GRAIN-O, made of pure grains, that takes the place of coffee. The most delicate stomach receives it without distress, and but few can tell it from coffee. It does not cost over 3¢ as much. Children may drink it with great benefit, 15 cts. and 25 cts. per package. Try it. Ask for GRAIN-O.

The Marches, Perhaps.

Mrs. Proudleigh—Yes, my daughter plays the piano by ear entirely.
Mrs. Nixdough—Indeed? Sometimes it sounds like her as if she were using her foot.—Baltimore American.

No matter what ails you, headache to a cancer, you will never get well until your bowels are put right. Cascarets help nature, cure you without a gripe or pain, produce easy natural movements, cost you just 10 cents to start getting your health back. Cascarets Candy Cathartic, the genuine, put up in metal boxes, every tablet has C. C. C. stamped on it. Beware of imitations.

A Resemblance.

"Isn't our grocer somewhat eccentric?" said Mr. Snaggs to his wife.
"Yes, and even his breakfast wheat is cracked," replied Mrs. Snaggs.—Pittsburgh Chronicle-Telegraph.

Yours for Health
Lydia E. Pinkham

No other medicine in the world has received such widespread and unqualified endorsement.

No other medicine has such a record of cures of female troubles or such hosts of grateful friends.

Do not be persuaded that any other medicine is just as good. Any dealer who asks you to buy something else when you go into his store purposely to buy Lydia E. Pinkham's Vegetable Compound, has no interest in your case. He is merely trying to sell you something on which he can make a larger profit. He does not care whether you get well or not, so long as he can make a little more money out of your sickness. If he wished you well he would without hesitation hand you the medicine you ask for, and which he knows is the best woman's medicine in the world.

Follow the record of this medicine, and remember that these thousands of cures of women whose letters are constantly printed in this paper were not brought about by "something else," but by **Lydia E. Pinkham's Vegetable Compound, The Great Woman's Remedy for Woman's Ills.**

Those women who refuse to accept anything else are rewarded a hundred thousand times, for they get what they want—a cure. Moral—Stick to the medicine that you **know** is Best.

When a medicine has been successful in restoring to health more than a million women, you cannot well say without trying it, "I do not believe it will help me." If you are ill, do not hesitate to get a bottle of Lydia E. Pinkham's Vegetable Compound at once, and write Mrs. Pinkham, Lynn, Mass., for special advice. It is free and helpful.
