**DO YOU GET UP WITH A LAME BACK?**

**Kidney Trouble Makes You Miserable.**

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Birmingham, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.

 FRIDAY, APRIL 26, 1901.

M. T. Hill had Mrs. Elvira Curtis arrested Tuesday, charging her with assaulting his son Theodore, fifteen years old, Monday evening. Mrs. Theo. Hill was having a fence moved and Mrs. Curtis claimed some of the posts. Theodore was helping A. V. Farson move the fence. He was carrying a post that was claimed by Mrs. Curtis and resisted the attempt of the latter to take it, when Mrs. Curtis slapped him in the face, making his mouth bleed, and then raised a piece of scantling to strike the boy, when Steve Coerick yelled at her and she dropped it. The trial was held before Justice Smiley Wednesday forenoon. A number of witnesses were examined and at the close of the trial Mr. Smiley found Mrs. Curtis guilty and fined her \$20 and costs, a total of \$41.70, as the costs amounted to \$21.70. Mrs. Curtis has given bond for the costs and has appealed the case to the district court.

 It does not pay. If you have a good thing, tell it right out. Don't use false means to attract attention. We say "right out" and mean it, too, that Dr. Caldwell's Syrup Pepsin will cure every case of Stomach Trouble. **ORDER TO SHOW CAUSE.**

In the District Court of Nemaha county, Nebraska.  
 In the matter of the estate of Mary A. McCain, deceased.  
 This cause came on for hearing at chambers at Auburn, Nebraska, upon the petition of W. W. Sanders, executor of the estate of Emma A. McCain, deceased, praying for license to sell lots 2 and 3, block 72, in the village of Nemaha City, Nebraska, or a sufficient amount of the same to bring the sum of \$25.00 for the payment of debts allowed against said estate and the cost of administration, there not being sufficient personal property to pay the said debts and expenses. It is therefore ordered that all persons interested in said estate appear before me at the court house in Auburn, Nebraska, on Monday, June 3rd, 1901, at 5 o'clock a. m. to show cause why a license should not be granted to said executor to sell so much of the above described real estate as may be necessary to pay said debts and expenses. And that notice of this application be given by publication for four consecutive weeks in the Nebraska Advertiser, a weekly legal newspaper published in and of general circulation in said county.  
 Dated this 15th day of April, A. D. 1901.  
 JNO. S. STULL,  
 Judge of the District Court.
