**Over-Work Weakens
 Your Kidneys.**
 Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through
 your kidneys once every three minutes.

The kidneys are your
 blood purifiers; they fil-
 ter out the waste or
 impurities in the blood.
 If they are sick or out
 of order, they fail to do
 their work.
 Pains, aches and rheu-
 matism come from excess
 of uric acid in the blood,
 due to neglected
 kidney trouble.

Kidney trouble causes quick or unsteady
 heart beats, and makes one feel as though
 they had heart trouble, because the heart is
 over-working in pumping thick, kidney-
 poisoned blood through veins and arteries.
 It used to be considered that only urinary
 troubles were to be traced to the kidneys,
 but now modern science proves that nearly
 all constitutional diseases have their begin-
 ning in kidney trouble.
 If you are sick you can make no mistake
 by first doctoring your kidneys. The mild
 and the extraordinary effect of Dr. Kilmer's
Swamp-Root, the great kidney remedy is
 soon realized. It stands the highest for its
 wonderful cures of the most distressing cases
 and is sold on its merits
 by all druggists in fifty-
 cent and one-dollar siz-
 es. You may have a
 sample bottle by mail—Home of Swamp-Root,
 free, also pamphlet telling you how to find
 out if you have kidney or bladder trouble.

**STOPS THE COUGH

 Laxative Bromo Quinine Tablets cure a
 cold in one day. No Cure, no Pay. 25c

Quite a number from Nemaha at-
 tended church at the "brick" Sunday
 evening and listened to an able dis-
 course by Rev. VanDyck, of Dunbar,
 Nebr.

The county commissioners at their
 meeting Tuesday appointed G. B. Be-
 veridge district clerk to fill the vacancy
 caused by the resignation of Albert D.
 Gilmore.

The new members of the village
 board of trustees were sworn in Tues-
 day night. They adjourned to meet
 next Tuesday night when the new
 board will be organized.

Sunday school has been held at the
 Christian church for the past two Sun-
 days but a permanent organization has
 not yet been effected. The Sunday
 school meets at 10 o'clock a. m.

Mrs. Kempthorne has contracted to
 teach the fall term of school in District
 55, where she has taught before for two
 years. She withdrew her application
 for the primary department of the Ne-
 maha school.

Geo. Watkins went up to Nemaha
 Wednesday but did not stay long, as
 he could not find a vacant hitching
 rack for his team in town. It was his
 first visit for nine years.—Shubert
 Citizen, April 18th.

Mr. and Mrs. David Frazier arrived
 in Nemaha Tuesday evening, driving
 through from southwestern Missouri.
 Dave says he is going to quit his foot-
 ishness now and remain here. He is
 tired of running around and is satisfied
 he can find no better place to live and
 thoroughly enjoy life than Nemaha.

Wm. Stephenson, of Edwards, St.
 Lawrence county, New York, shipped
 fifty pounds of maple sugar to Nemaha
 last week—thirty pounds for his son,
 James A. Stephenson, and twenty
 pounds to John Watson. It is the
 genuine article without a particle of
 adulteration, and Mr. Watson says it
 tastes just like the sugar they used to
 make in the old home state. He
 gave the editor a pound chunk, and it
 is certainly delicious.

The Independent Order of Odd Fel-
 lows was organized 82 years ago last
 Friday, April 29th, and Victory lodge
 celebrated the occasion with an enter-
 tainment and supper. We were fortu-
 nate enough to be invited and passed
 an evening of rare enjoyment. The
 entertainment was held at the Odd
 Fellows hall and consisted of instru-
 mental music by Miss Maye Gaither,
 song by the Champion glee club, a fine
 address by Rev. W. Dieffenbach, of
 Auburn, and an instrumental solo by
 Will F. Keeling. Those present then
 went to the Minick hall and feasted.
 It was a regular Nemaha Odd Fellows
 supper and any one who has been to
 one of these suppers knows what that
 means. After supper those who went
 back to the hall were entertained with
 singing by Misses Lillian and Florence
 Minick, Maye Gaither and Dora Clark,
 Messrs. James A. Stephenson, Will F.
 Keeling, and others. It was a late
 hour before those present started for
 their homes.

Brownville Locals

Mrs. R. W. Furnas visited Auburn
 Tuesday.

The ice wagon began its daily rounds
 May 1st.

Jim Miller moved into the Bridges
 water house this week.

David Hayes is having his house
 repaired and repainted.

A. Vandeventer has been on the
 sick list most of the week.

R. V. Muir was transacting business
 in Auburn Tuesday and Wednesday.

Marion Baker left for the west Tues-
 day where he expects to buy a cattle
 ranch and locate.

Jim and Clarence Daugherty came
 in from Auburn and spent Sunday
 with their parents.

John Felton, Claud Hanley, Elder
 Buckley and J. W. Sapp were county
 seat visitors Tuesday.

C. M. Lewelling returned from
 Furnas county Saturday and reports
 splendid prospects for a crop this year.

Mr. and Mrs. Joseph L. Roy, for-
 merly of Brownville but now of Au-
 burn, were visiting their old friends,
 M. and Mrs. Dreuney, Wednesday.

A man and four children, with
 guitars, banjos, triangles, etc., were on
 our streets Wednesday, discoursing
 cheap music for the few pennies they
 could collect.

The B. & M. R. Co. has had the
 ground around the depot broken and
 planted in trees and expect to sod it,
 making a beautiful park. R. W. Fur-
 nas is superintending the work.

The saloon closed its doors Tues-
 day night the license for same having
 expired and Brownville will, as a conse-
 quence, be dry until the council issues
 another license May 7th. Think of it,
 one whole week of respectability to
 fifty-one weeks of debauchery.

People frequently express surprise
 that newspaper sometimes contain
 misstatements, and yet if they would
 run a paper themselves for a little
 while they would realize how liable
 people are to give out information that
 is not true. Some time ago while in
 Auburn we were told that Dr. Daily
 had just died. As his death had been
 expected for some time we had no rea-
 son to doubt the report and published
 it, but the doctor was not dead and did
 not die for several weeks. On Mon-
 day while at Auburn we were told
 that M. C. Shurtleff, of Benton pre-
 cinct, had died Saturday night from an
 attack of black smallpox and was
 buried Sunday. The facts are that
 Mr. Shurtleff has the smallpox but on
 Thursday was reported to be alive and
 getting better. Just before one of Dr.
 Seymour's advertised trips to Nemaha
 we were told by a lady that Dr. Sey-
 mour had the smallpox. We asked
 her if she was sure of it and she said
 yes, that she saw the item in the Post
 that Dr. Seymour, of Lincoln, the eye
 specialist, was sick with smallpox. We
 got the Post and she hunted up the
 item and found to her great surprise
 that it was Seymour Calvert or some
 such name had the smallpox in some
 town in the western part of the state.
 The above are instances showing how
 liable people are to be mistaken, but
 the publisher gets all the blame.

Albert D. Gilmore resigned his posi-
 tion as district clerk and has moved to
 Lincoln, where he assumes the position
 of steward of the insane asylum. Mr.
 Gilmore was not an applicant for the
 position but his appointment was asked
 for by the new superintendent. Mr.
 Gilmore has filled this position before
 and made a splendid official. We hate
 to have him leave Nemaha county.
 Even the fusionists, who give credit
 for their defeat largely to the manage-
 ment of the campaign by Mr. Gilmore,
 all like him.

The following item from the Shubert
 Citizen of two weeks ago does not
 speak well for that village:
 "Business has been so dull in Shubert
 the past week that flies have begun to
 darken the doors of business houses;
 the only live man that we have seen
 being Wm. Tidrow. He has been run-
 ning the ice house in the absence of J.
 D. Shubert; the flour store, in the ab-
 sence of Mr. Handley; the restaurant,
 and chopping wood for the kitchen de-
 partment of the same."

ORDER TO SHOW CAUSE.
 In the District Court of Nemaha county,
 Nebraska.
 This cause came on for hearing at cham-
 bers at Auburn, Nebraska, upon the petition
 of W. W. Sanders, executor of the estate of
 Emma A. McCain, deceased, praying for li-
 cense to sell lots 2 and 3, block 72, in the vil-
 lage of Nemaha City, Nebraska, or a suffi-
 cient amount of the same to bring the sum
 of \$22.50 for the payment of debts allowed
 against said estate and the cost of adminis-
 tration, there not being a solvent personal
 property to pay the said debts and expenses.
 It is therefore ordered that all persons in-
 terested in said estate appear before me at
 the court house in Auburn, Nebraska, on
 Monday, June 3d, 1901, at 10 o'clock a. m., to
 show cause why a license should not be
 granted to said executor to sell so much of
 the above described real estate as may be
 necessary to pay said debts and expenses.
 And that notice of this application be given
 by publication for four consecutive weeks
 in the Nebraska Advertiser, a weekly legal
 newspaper published in a city of general cir-
 culation in said county.
 Dated this 18th day of April, A. D. 1901.
