**Over-Work Weakens
Your Kidneys.**
Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through
your kidneys once every three minutes.
The kidneys are your
blood purifiers, they
filter out the waste or
impurities in the blood.
If they are sick or out
of order, they fail to do
their work.
Pains, aches and rheu-
matism come from ex-
cess of uric acid in the
blood, due to neglected
kidney trouble.
Kidney trouble causes quick or unsteady
heart beats, and makes one feel as though
they had heart trouble, because the heart is
over-working in pumping thick, kidney-
poisoned blood through veins and arteries.
It used to be considered that only urinary
troubles were to be traced to the kidneys,
but now modern science proves that nearly
all constitutional diseases have their begin-
ning in kidney trouble.
If you are sick you can make no mistake
by first doctoring your kidneys. The mild
and extraordinary effect of Dr. Kilmer's
Swamp-Root, the great kidney remedy is
soon realized. It stands the highest for its
wonderful cures of the most distressing cases
and is sold on its merits
by all druggists in fifty-
cent and one-dollar sizes.
You may have a
sample bottle by mail Home of Swamp-Root,
free, also pamphlet telling you how to find
out if you have kidney or bladder trouble.

Wm. Ernest Jr., who lives just over
the line in Nemaha county, east of
Graf, made a big wolf catch last Sat-
urday—digging ten young wolves out
of their den near his home. As Nemaha
county pays a bounty of \$3 each for
scalps, this was a very good day's
work, from a financial standpoint, be-
sides removing ten hungry feeders on
young stock.—*Tecumseh Journal.*

Unsworth, at the home of the bride's

date Albitz refuses to divulge just at
this time. The young lady was for-
merly a resident of this city and a most
loveable young lady, and held in high
esteem by all that became acquainted
with her while she remained in this
city. Mr. Ryan's parents and a num-
ber of the young lady's relatives will
go from here to witness the ceremony
and join in wishing them a pleasant
journey through life and all of the good
things that they can think of. After
the ceremony the happy couple will
take a trip to the Pacific coast, after
which they will return to this city,
where they will make their home.—
Nebraska City News.

After July 1 the vendors of peanuts,
fruit and machine made books, techni-
cally known as "train butchers," will
be things of the past on the entire sys-
tem of the Chicago, Burlington and
Quincy railroad. On June 1 the con-
tract between the Burlington company
and Riley D. Cronk, who controls the
privilege on this road, will expire and
will not be renewed. By terms of the
contract Mr. Cronk will have thirty
days to close up his business, so that
the news agents will not be finally
withdrawn until July 1.

Officers of the Burlington did not
decide to abolish the "butchers" until
all points for and against the custom
had been considered. They have
reached the conclusion that there is no
longer any demand for train vending.
Officers of the Burlington say there
will be no inconvenience to patrons as
a result of the ouster order. The
library cars on the different trains are
all supplied with newspapers and cur-
rent periodicals, and when the new
order goes into effect, uniformed news
agents will be stationed at the prin-
cipal points along the line. These agents
will board trains with newspapers and
magazines.

ORDER TO SHOW CAUSE.
In the District Court of Nemaha county
Nebraska.
In the matter of the estate of Mary A. Mc-
Cain, deceased.
This cause came on for hearing at cham-
bers at Auburn, Nebraska, upon the petition
of W. W. Sanders, executor of the estate of
Emma A. McCain, deceased, praying for li-
cense to sell lots 2 and 3, block 72, in the vil-
lage of Nemaha City, Nebraska, or a suffi-
cient amount of the same to bring the sum
of \$52.00 for the payment of debts allowed
against said estate and the cost of adminis-
tration, there not being sufficient personal
property to pay the said debts and expenses.
It is therefore ordered that all persons in-
terested in said estate appear before me at
the court house in Auburn, Nebraska, on
Monday, June 3rd, 1901, at 9 o'clock a. m.; to
show cause why a license should not be
granted to said executor to sell so much of
the above described real estate as may be
necessary to pay said debts and expenses.
And that notice of this application be given
by publication for four consecutive weeks in
the Nebraska Advertiser, a weekly legal
newspaper published in and of general cir-
culation in said county.
Dated this 15th day of April, A. D. 1901.
