Commencement.

The ninth annual commencement of the Nemaha high school was held at Hoover's opera house Friday night, May 17th. In less than ten minutes from the time the doors were open the room was crowded full. The hall was beautifully decorated with flowers and the class colors, old gold and royal blue. The class motto, "Launched but not Anchored," was over the front of the stage.

The 20th century class consisted of Misses Dora Clark, Daisy Frazier, Minnie Yates and Mayo Gaither. The evening's program began with prayer by Rev. A. V. Wilson, followed by an instrumental duet by Misses Jessie and Blanche Dye. Miss Dora Clark gave an oration and salutatory, "Character is the Crown of Life." Miss Grace Paris sang a solo entitled "The Night Bird's Cooling." Miss Daisy Frazier delivered an oration entitled "Ignis Fatuus," followed by a duet by Misses Jessie and Blanche Dye. Miss Minnie Yates gave an oration entitled "Little Things." Miss Emma Crim played an instrumental solo. Miss Mayo Gaither delivered an oration and valedictory, entitled "The Dawn." A duet by Misses Grace and Ethelle Paris followed, entitled "In the Wilderness." Prof. Porter, of the state normal school, gave an excellent class address, taking for his subject "The 20th Century." Peter Kerker, president of the school board, presented the diplomas to the graduates. A quartet, "Voices of the Woods," by Misses Bessie Anderson, Jessie Dye, Blanche Dye and Lela Argabright, followed, and the audience was then dismissed with the benediction by Rev. A. V. Wilson.

The orations were all good. The ideas were excellent, the language well chosen, and the delivery good. Each graduate received piles of flowers and several nice books. The order during the exercises was good, considering the crowded condition of the room.

W W Keeling guarantees every bottle of Chamberlain's Cough Remedy and will refund the money to any one who is not satisfied after using two-thirds of the contents. This is the best remedy in the world for la grippe, coughs, colds, croup and whoopingcough and is pleasant and safe to take. It prevents any tendency of a cold to result in pneumonia.

The claim of other cough medicines to be as good as Chamberlain's are effectually set at rest in the following testimonial of Mr. C. D. Glass, an employe of Bartlett & Dennis Co., Gardiner, Me. He says: "I had kept adding to a cold and cough in the winter of 1897, trying every cough medicine I had heard of without permanent help, until one day I was in the drug store of Mr. Houlehan and he advised me to try Chamberlain's Cough Remedy and offered to pay back my money if I was not cured; My lungs and bronchial tubes were very sore at this time, but I was completely cured by this remedy, and have always turned to it when I got a cold, and soon find relief. I also recommend it to my friends and am glad to say it is the best of all cough medicines." For sale by W W Keeling

Don't Be Funny.

It does not pay. If you have a good thing, tell it right out. Don't use false means to attract attention. We say "right out" and mean it, too, that Dr Caldwell's Syrup Pepsin will cure every case of Stomach Trouble. It will stop pain caused by indigestion; it knocks Sick Headache by attacking the cause of the complaint and aids you to digest your food, no matter what you eat.
