Probably the best entertainment ever given in Nemaha by home talent was the musical given at the opera house last Saturday night for the benefit of Miss Emma Crim. Every number given was superb. The hall was full, every seat being occupied. After the entertainment the ice cream social was liberally patronized. Miss Emma may well feel proud of the good feeling of the people of Nemaha and vicinity, as manifested by the interest taken in this entertainment. The Pawnee City, Tecumseh and Auburn bands furnished good music.

He knows that this paper aims to advertise only the best in its columns, and when he saw Chamberlain's Pain Balm advertised therein for lame back, he did not hesitate in buying a bottle of it for his wife, who for eight weeks had suffered with the most terrible pains in her back and could get no relief.
