## Old Settlers' Picnic

The old settlers' picnic held at Nemaha last Saturday, August 17, was the most successful ever held in the county. At an early hour teams began to come in and kept up until nearly every shade tree in town had teams hitched under it, the livery stables and nearly every private stable were crowded, and many teams had to stand in the hot sun. The park and the streets were crowded with happy people. Every one seemed to be having a good time.

The exercises in the forenoon consisted of music by the band, prayer by Rev. J. T. Smith, solos by Mrs. Hull and piano solos by Miss Helen Hitta and Miss Ona Moore, and remarks by Seymour Howe and M. C. Shurtleff.

After dinner there was music by the band, solos by Mrs. Hull, vocal duet by Misses Ethel and Grace Paris, a duet by Misses Lillian Minick and Veva Clark, a piano solo by Miss Emma Crim, and fine addresses by Congressman E. J. Burkett, Consul Church Howe, and Hon. Fred G. Hawxby. The crowd was so large that only a very small part could bear anything that was said.

The crowd was variously estimated at from 5,000 to 10,000. There were seats about the stand for over 800 and a very small portion of the crowd could be seated.

It is said that by actual count there were over 400 teams hitched on Nebraska street—the street south of the park. The livery stables took care of probably 300 teams, John Flack fed about 50 teams, and nearly every barn in town had all the teams that could possibly be accommodated. It is said there were between 3500 and 3000 teams in town, but this is probably an overestimate.

The passenger train from the north had on an extra coach and then was crowded.

Financially the picnic was a success and the association took in enough to pay off the indebtedness and have a snug sum left in the treasury.

There were frequent remarks about the quietness of the crowd. There was very little boisterousness or drunkenness. Standright men and others who attend picnics and other gatherings say it was the quietest crowd of the size and kind they ever saw. There were no arrests made and no occasion for any.

Nate Sedoras kept the water barrels well filled all day.

As there was not enough wind to run the windmill, men were hired to pump water, and the tank was kept full all day. There was no complaint about the water.

The game of base ball between the Brownville and Peru clubs attracted a good crowd. The game was won by the Peru team. There was also a game between the Nemaha school boys and the Brownville boys, which was won by the Brownville boys.

George Schaub, a well known German citizen of New Lebanon, Ohio, is a constant reader of the Dayton Volkszeitung. He knows that this paper aims to advertise only the best in its columns, and when he saw Chamberlain's Pain Balm advertised therein for lame back, he did not hesitate in buying a bottle of it for his wife, who for eight weeks had suffered with the most terrible pains in her back and could get no relief. He says: "After using the Pain Balm for a few days my wife said to me, 'I feel as though born anew,' and before using the entire contents of the bottle the unbearable pains had entirely vanished and she could again take up her household duties." He is very thankful and hopes that all suffering likewise will hear of her wonderful recovery. This valuable liniment is for sale by W W Keeling.
