Dr. Caldwell's Syrup Pepsin is a medicine I can conscientiously recommend as it does just what you want. It is the best laxative I ever saw." Sold by Keeling, the druggist.

My little son had an attack of whooping cough and was threatened with pneumonia; but for Chamberlain's Cough Remedy we would have had a serious time of it. It also saved him from several severe attacks of croup.—H. J. Stickfaden, editor World-Herald, Fair Haven, Wash. For sale by W. W. Keeling.

The North Platte valley in northwest Nebraska, offers some wonderfully good opportunities to the man or woman with a little money to invest in irrigated lands.

Excellent irrigated land can be had for \$12 to \$15 an acre, but it is plain to those watching the development of the North Platte valley that this low price is just about to fade away.

The farmers of this valley are now reaping an abundant harvest. Alfalfa, corn, wheat and garden vegetables yield good profits. There are also good openings in the live stock business.

If you are interested in the North Platte valley, write for our booklet describing it. It is free.

In addition to a most generous and attractive display in black-and white and colors of fashions and millinery, the December Designer pays full homage to the Christmas season in its literature and illustrations. It contains two clever short stories, Where the Christmas Tree Grows Wild, by Harriet A. Nash, and A Traveling Christmas Tree, by S. E. Benet; a Christmas comedy, Hands Up! by William Lincoln Balch; Charities for Children, by Walden Fawcett, and Christmas Carols and their Composers, by Phebe W. Humphreys. M. G. Richardson tells those with slender purses how to make Sixty Presents for Five Dollars, and Inexpensive Gifts for the Children to Make are described and illustrated by L. O. Lennart. Home-made Trimmings for the Christmas Tree and A Christmas Party contain suggestions which will be eagerly seized upon, and the electionist in search of suitable recitations for Christmas entertainments will find just what is desirable in this number. Book Notes, Points on Dressmaking, Health and Beauty hints, Tatting and Crocheting are each given its customary space and attention, and Etiquette, Household Advice, Nursery Lore and Cookery are by no means neglected. Finally The Designer offers a Christmas contest open to everyone, with cash prizes for the successful ones. Full particulars concerning this scheme are given in the December number.

A Big Lot for the Money.
A newspaper every Tuesday and every Friday of each week from now until January 1, 1903, together with the Western Poultry News a whole year, and all for a dollar, is what is offered by The Semi-Weekly State Journal, published at Lincoln. It's the biggest bunch of good reading matter ever offered by this great state paper, and the prediction is made that it will result in introducing The State Journal to thousands of new homes. The Journal is a newspaper giving its readers all the telegraphic news of the world, interesting special correspondence from Washington about Nebraska's senators and congressmen, and all the items of interest from the state capital, making it particularly a paper for Nebraskans. If you can find a dollar about the house, this is the place to spend it. Its markets twice a week are worth what is asked for all of it. You get the news fresh from the wires when you get The Semi-Weekly Journal.

Paid Dear for his Leg.
R D Blanton of Thackerville Texas in two years paid over \$300 to doctors to cure a running sore on his leg. Then they wanted to cut it off but he cured it with one box of Bucklen's Arnica Salve Guaranteed cure for Piles. 25 cts a box. Sold by Keeling the druggist.

All our farmer readers should take advantage of the unprecedented clubbing offer we this year make, which includes with this paper The Iowa Homestead, its Special Farmers' Institute editions, The Poultry Farmer, and The Farmers' Mutual Insurance Journal. These four publications are the best of their class and should be in every farm home. To them we add for local, county and general news our own paper and make the price for the five for one year \$1.35. Never before was so much superior reading matter offered for so small an amount of money. The four papers named which we club with our own are well known throughout the west and commend themselves to the reader's favorable attention upon mere mention. The Homestead is the great agricultural and live stock paper of the west. The Poultry Farmer is the most practical poultry paper for the farmer published in the country; The Farmers' Mutual Insurance Journal is the special advocate of farmers' co-operative associations, and the Special Farmers' Institute editions are the most practical publications for the promotion of good farming ever published. Take advantage of this great offer.
