**DO YOU GET UP WITH A LAME BACK?**

**Kidney Trouble Makes You Miserable.**

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It is the great medicinal triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble. Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Birmingham, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.

Roy Stevens and Ed Littrell had an exciting experience Sunday. They were driving and the team ran away. The buggy was upset near Birl Hoover's store and Roy was held by the upturned buggy while the horses made a complete circle in the street. He fortunately escaped with some bad bruises. Ed Littrell also received some bruises.

Frank Woodward had some expensive meat for his Thanksgiving dinner. This part of the dinner cost him at least \$7.50. About a year ago Frank paid \$15 for a pair of Belgian hares. He felt proud for awhile to think that he was right in the swim so far as the Belgian hare craze was concerned, and expected in a short time to be able to supply all his friends with one pedigreed hare. But as the months rolled along and no little bares appeared he tried to sell out but could not find a buyer. A short time ago they had one for dinner, and on Thanksgiving day had the other one. Frank has retired from the Belgian hare business.
