Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

We neglected to make mention of the fact that the B. & M. were again running daily freight trains each way between Nebraska City and Beatrice, finding that the one train could not do the work.

Miss Lillian Minick entertained her Sunday school class at her home Christmas afternoon from 4 till 6 o'clock. Fourteen of the little folks were present and had a delightful time. Cake, oranges, nuts and fine home made candy were served. Each scholar was presented with a nice card. The scholars think they have the best teacher in the Sunday school and the teacher thinks she has the best class. and there is a general good feeling

G. W. Shiveley's family were released from quarantine Monday. The house was thoroughly fumigated and disinfected. Every member of the family had the disease. As soon as the disease broke out the family quarantined themselves, several days before they were quarantined officially. Mr Shiveley carefully guarded against any one outside the family being exposed No one else contracted the disease, and all danger from that source is now over, and there are no cases of small-pox in Nemaha or vicinity.

Brave Men Fall

But there's no need to feel like that. S. W Gardner, of Idaville, Ind., says: "Electric Bitters are just the thing for a man when he don't care whether he lives or dies. It gave me new strength and appetite. I can now eat anything and have a new lease on life." Only 50 cents at Keeling's drug store. Every bottle guaranteed.

Christmas exercises were held at the Methodist and Christian churches Christmas eve. At the Methodist church the members of the Sunday school gave an exercise entitled "Royal Christmas," consisting of songs and recitations by over twenty of the little folks and ten of the larger ones. The music was especially good and the children had been well trained by Miss Lillian Minick, who had charge of the entertainment. Miss Florence Minick sang a fine solo. An evergreen tree in one corner of the room was decorated with ornaments and burning candles. Each member of the Sunday school received a sack of candy, nuts and popcorn. The entertainment was one of the very best Christmas exercises ever given in Nemaha, and much credit is due those taking part and Miss Lillian Minick, who trained them.

At the Christian church there were brief exercises, consisting of singing and recitations. Then the traditional Santa Claus made his appearance, and the presents from a well-loaded tree were distributed, each member of the school being remembered with a present, and each child in the audience was treated to candy. Both churches were well filled.

My stock of furniture and stoves is cmplete. If you are needing anything in my line, give me a call and I will assure you fair treatment.
