Read It in His Newspaper.

George Schaub, a well known German citizen of New Lebanon, Ohio, is a constant reader of the Dayton Volkszeitung. He knows that this paper aims to advertise only the best in its columns, and when he saw Chamberlain's Pain Balm advertised therein for lame back, he did not hesitate in buying a bottle of it for his wife, who for eight weeks had suffered with the most terrible pains in her back and could get no relief. He says: "After using the Pain Balm for a few days my wife said to me, 'I feel as though born anew,' and before using the entire contents of the bottle the unbearable pains had entirely vanished and she could again take up her household duties." He is very thankful and hopes that all suffering likewise will bear of her wonderful recovery. This valuable liniment is for sale by W. W. Keeling.

A BIG CUT IN PRICE.

The Nebraska State Journal has reduced its price to subscribers outside of Lincoln and suburbs from \$7.50 to \$5.00 per year, including the big Sunday paper, or \$4.00 per year without Sunday. The price of the Sunday issue will be \$1.50 per year.

By this action it is presenting its state readers with thousands of dollars, but the result will be thousands of new subscribers, thus enlarging its usefulness and adding to its value as an advertising medium. Instead of any lessening in the effort to make it a first-class state paper, the Journal will be improved in every department, making it the best newspaper in the state for Nebraskans. It is published at the state capital, which has always been the center of things political and social of a state nature. The Journal's state telegraphic service excels that of all competitors, which, with its complete associated press reports and special telegraphic service from Washington, make it the paper for Nebraska people.

A. L. Bixby's department is one of the most widely read in the west, and the fair and unprejudiced editorial treatment of all state matters has made the Journal thousands of warm friends. This big reduction in price which now makes the six week day papers eight cents a week, and the seven day paper ten cents a week, will make the Journal the most widely read paper throughout Nebraska.

Over-Work Weakens
Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers. They filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail. Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.
