**Women as Well as Men
Are Made Miserable by
Kidney Trouble.**

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

The Nebraska Advertiser

FRIDAY, MARCH 28, 1902.

Charley Burns came in from Beatrice Thursday. He has been sick and comes home to rest up a few days.

Rev. E. S. Chamberlain, pastor of the Christian church, handed in his resignation last Sunday, same to take effect after two weeks. Mr. Chamberlain has proven a most popular pastor and the best wishes of a host of Brock friends will follow him to his new home in Kansas where he has bought a good farm.—Brock Bulletin.

The strenuous desire of our day for artistic window hangings is abundantly met in the great variety of beautiful goods now manufactured in this country. "Bonne Femme" and point Arabe laces, Renaissance sash curtains, point Arabe and Marie Antoinette and other favored textiles are described in an illustrated article in the April Designer, which indicates various ways in which thoroughly artistic results may be achieved in the home at a moderate expense.

The Odd Fellows had a big time Thursday night. They initiated eight candidates and gave them the degrees. A. L. Lawrence, J. W. Wolfe, Alf B. Kinton, George Yackley, Clarence Peabody, Ambrose Howe, W. H. Dressler and Grat Keister were initiated. The following Odd Fellows were down from Auburn: R. M. Gillan, J. W. Lash, John I. Dressler, Sam Caldwell, Frank Gerlow, Dr. W. W. Shook, Chas. Ash, J. V. Hughes, Chas. Anderson, Geo. Fablinger, S. P. Glasgow, Harry Sellers and D. C. Miller. Ed Tucker and R. J. Marr were over from Howe. Swift McCandless furnished supper at midnight for the outfit.

Read it in His Newspaper.

George Schaub, a well known German citizen of New Lebanon, Ohio, is a constant reader of the Dayton Volkszeitung. He knows that this paper aims to advertise only the best in its columns, and when he saw Chamberlain's Pain Balm advertised therein for lame back, he did not hesitate in buying a bottle of it for his wife, who for eight weeks had suffered with the most terrible pains in her back and could get no relief. He says: "After using the Pain Balm for a few days my wife said to me, 'I feel as though born anew,' and before using the entire contents of the bottle the unbearable pains had entirely vanished and she could again take up her household duties." He is very thankful and hopes that all suffering likewise will hear of her wonderful recovery. This valuable liniment is for sale by W. W. Keeling.
